JUST A THOUSAND?

Foreword by Tony Isabella

Did you hear the one about the beloved comics writer/columnist who, when asked to write a book called *1000 Comic Books You Must Read*, immediately responded: "Just a thousand?"

I have loved comic books since I learned to read from them at the age of 4 in my hometown of Cleveland, Ohio — coincidentally, also the hometown of Superman. My mother bought me bargain-priced packages of funny-animal and Western comics from F.W. Woolworth's. When I could buy my own comic books, I bought *Superman* and *Batman* and *Casper the Friendly Ghost*. And I loved them all.

I still love all kinds of comic books. Super-hero comics have always been my favorites, as they have been for many of my fellow comics fans, but I'm also a fan of adventure comics, autobiography, biography, comic kids, crime and detectives, funny animals, glamour girls, graphic novels, historical adventure, horror and monsters, indy and alternative comics, Japanese manga, movie and TV adaptations, parody, political and religious comics, romance, science fiction and fantasy, spies, teen humor, underground comix, war, Westerns, and every other genre or subject you can name.

This book is my journey through seven decades of comic books.

Today, in the true Golden Age of Comics, readers can enjoy both the new groundbreaking material now being published and, thanks to affordable reprints, the classics of the past. There are comics exploring the limits of imagination, as well as the triumphs and the tragedies of our everyday lives. There are comics created by men and women from all over the country, from Europe, from Japan, and more. There are comics for every reader and every taste.

And I love them all.

Decade by decade, this book will introduce you to some of the best comic books ever published and the amazing writers and artists who created them. I won't include every milestone or even the best of the best. I'll most likely omit some of your favorites due to that pesky limit inherent in our title. I will cheat our title at every opportunity, often counting collections, runs of issues, and story arcs as if they were merely single issues. But, by the time you reach the afterword, you will have an impressive list of comic books you must, or, at the very least, *should* read.

We pause for a brief informational note:

Many of the comic books included in the thousand featured here were anthology titles containing more than one story and often with different creative teams for each story. Due to space limitations, I generally focus on just one story in any given issue. Those same limitations are why I also list just one or two writers or artists per issue, even though many more individuals contributed to these issues. And what great issues they are …

You'll see Superman from his debut as a sarcastic champion of the people, thumbing his nose at authority, to his current standing as a respected citizen of the world. You'll see the tragic moment when Peter Parker and a generation of readers learned that "with great power, there must also come great responsibility" and also the moment when Peter and his Aunt May had a pivotal conversation about his greatest secret.

Beyond the super-heroes, you'll meet such classic characters as Archie and his Riverdale High friends, Uncle Scrooge McDuck, Little Lulu, Sgt. Rock, the kid cowboys of *Boys' Ranch*, Herbie Popnecker, and more. You'll also meet such lesser-known but still beloved characters as the Bone cousins, a human flying saucer, Cutter and Skywise from *Elfquest*, Howard the Duck, Konga, and the Presto Kid.

As your personal Yoda, I'll be instructing you in the artistry and the history of the comics. I'll tell you of the spunky "tween" who became the heroine of the distant planet Smoo … of a middle-aged writer and his wife and their "cancer year" … of the World War II officer who hid from the Germans by posing as one of their own soldiers … and many others.

You'll walk the deserted streets of a neighborhood ruled by an unseen monster. You'll find out why two women cry "We Both Loved Tony!" You'll be right there, when Soviet premier Nikita Khrushchev comes face-to-face with American teenagers. You'll even find out about the only comic book that ever gave me nightmares: an issue of a Catholic-oriented title distributed in parochial schools when I was 10 years old.

Oh, the places we'll go, the remarkable characters we'll meet, the laughs and the thrills we'll share, including my pick for the greatest comic book ever!

Fire up the Batmobile. This is gonna be one sweet ride.

Fire up the Batmobile. This is gonna be one sweet ride.

***TONY ISABELLA** has been a comics writer and columnist for more than 35 years. He got his start working for Stan Lee at Marvel Comics as a writer and editor. At DC Comics, he created Black Lightning, the company's first headline African-American hero. He has written hundreds of stories and articles for dozens of publishers. He's a contributing editor and the lead reviewer for* Comics Buyer's Guide, *where he has reviewed more comic books and more different* kinds *of comic books than anyone else in the magazine's history.*

Just for giggles, he anointed himself "America's most beloved comics writer and columnist." The joke caught on and has continued to this very day. Just remember to keep that lofty title in quotes and no one will get hurt.

HOW TO USE THIS BOOK

It has been suggested I provide an instructional guide to using this book. Now, me, I figure if you're smart enough to buy this book, you're smart enough to use it. However, in case someone smarter than you has given you this book, here are some simple rules for deriving maximum benefit from this book.

1. Buy this book.
2. Read this book.
3. Enjoy this book.
4. Tell all your friends and relatives to buy this book so they, too, can read and enjoy it.
5. Repeat as necessary. Warning: High sales on this book could lead to a sequel.

There is a chance these instructions are not what my publishers were thinking when they made their request. With your indulgence, I'll add this handy guide to the entries …

We start with a picture of a comic-book cover. That is followed by the title of the comic book. That is followed by writer and artist credits when we know them. When we don't know them, we list them as "uncredited."

We include the name of the publisher of each comic book as well as the indicia date of publication. The indicia is that block of copy found at the bottom of a comic book's inside front cover or opening page. The copy you never read. When available, we then give you the actual copyright information as it appeared in the original comic books. When possible, we also credit the source of the cover images we scanned. Whew!

Finally, you get a few scintillating lines of erudite commentary on each of the one thousand comic books discussed in this book. They will give you hours of reading pleasure, all because you were smart enough to buy this book.

Identification of the comic-book covers shown in this volume is taken, wherever possible, from the copyright information that appeared on the material as it originally appeared. When it is not possible, copyright information has been culled from reference materials and is indicated by the identification "©*" in the appropriate passage. In many cases, ownership has changed or copyright renewed; in no case does F+W Media claim ownership of the copyright to the material shown.

"THIS IS A JOB FOR SUPERMAN!"

CHAPTER ONE

Superman changed the American comic book from a novelty item into an industry. There were comic books before Superman and some of them even looked like *Action Comics* #1 (Jun 38), the issue in which The Man of Steel made his first appearance. And there were comic books way *before* Superman, though most didn't look much like *Action Comics* #1. Yet it remains my firm conviction that it was the son of Jor-L who took what could easily have been a passing fad and made it a permanent part of our national scene.

There are those who will strongly disagree with my assessment of Superman's preeminence in the history of the American comic book. I'm not without sympathy for their viewpoint and their regard for the cave paintings at Lascaux, France, Emperor Trajan's Column in Rome, the Bayeux Tapestry with its rollicking account of the Norman Invasion of England, and other decidedly less cumbersome American publications from the overlapping Pioneer (1500s-1828) and Victorian (1646-1900s) Ages of comic books. However, I suspect my sympathy mostly stems from the hope that tossing around such impressive examples as Trajan's Column will score us some sales with the stuffy academic crowd. Which, as you should be rapidly learning, is not exactly my natural audience.

All kidding aside, there's exciting, remarkable research being done on pre-Superman comic books. The people doing it should write their own books. I'd buy them.

The first comic books that looked like *Action Comics* #1 were composed of reprints of the popular (and even not-so-popular) comic strips found in the newspapers of the era. Those comic books sold so well that their publishers ran out of newspaper comics strips to reprint and began to commission new material that *looked* like comic-strip reprints. But there was something about comic books that demanded an evolution of the art form.

Superman was a bridge between comic strips and the true comic books. The last son of Krypton was created by Cleveland teenagers Jerry Siegel and Joe Shuster in 1933. The high-school buddies, who teamed on their school paper and various science-fiction fanzines, tried for years without success to sell Superman as a newspaper comic strip. But, in 1935, they broke into comic books with sales to Major Malcolm Wheeler-Nicholson's *New Fun Comics* and quickly began to develop exciting storytelling techniques that fit the new medium far better than the usual strip reprints and imitations.

In 1938, when editor Vin Sullivan was looking for features for *Action Comics* #1, editor and cartoonist Sheldon Mayer showed him the Superman strip, which Mayer had rescued from the publisher's rejection pile. Sullivan figured Superman was worth a shot and, after Siegel and Shuster cut and pasted the first several weeks of their strip into comic-book pages, he ran The Man of Steel as the lead feature of that pivotal comic book.

Superman appeared on the cover of that landmark issue, swiftly becoming the first superstar of the fledgling comic-book industry.

The Man of Steel's fame and subsequent fortune led to the creation of hundreds of other costumed champions with powers and abilities far beyond those of ordinary men and women. To a large extent, the super-hero genre Superman launched has driven the American comic-book industry ever since ... for better and for worse.

A Superman comic strip began running in newspapers across the country on January 6, 1939. Siegel and Shuster had achieved their original goal of newspaper syndication for their creation.

Superman was and is an American story.

Superman was and is an American story.

His international acclaim notwithstanding, Superman was and is an American story. He is the not-so-strange visitor from another planet, an immigrant come to a land of immigrants from a land only spatially more distant than Europe or Asia. He embraced our ways and became a valued member of our society. His story is the story of our great-grandparents, grandparents, and parents, only with a lot more mad scientists and rampaging robots.

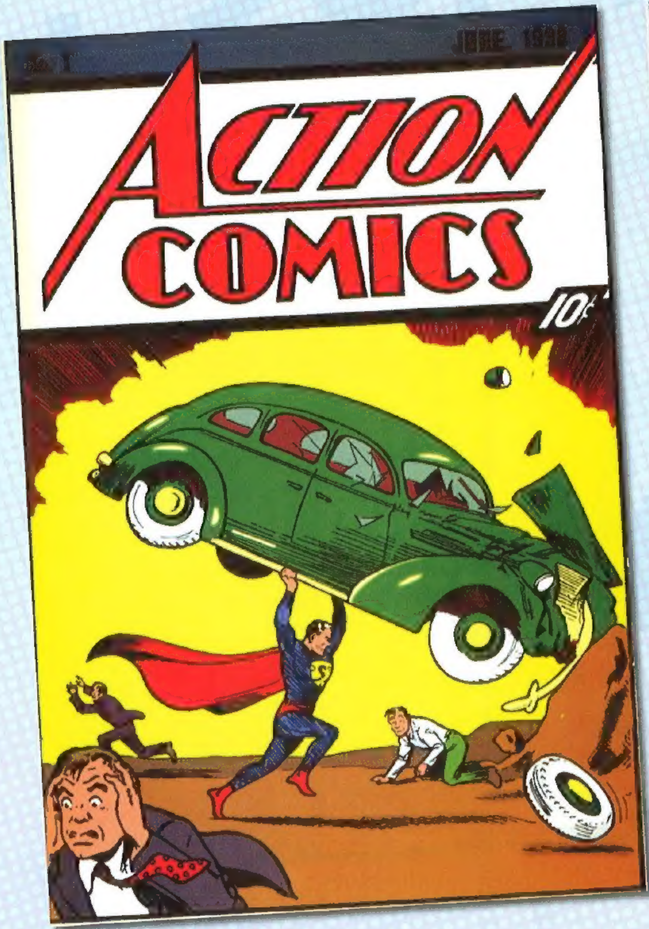
In *The Great Comic Book Heroes,* cartoonist and author Jules Feiffer put forth a theory that Superman's success derived from the wish-fulfillment desires of readers: that, beneath their cheap Clark Kent suits, they, too, might be possessed of amazing strength and the will to accomplish great things. Now, beneath my cheap Clark Kent suit, all you will find is a short, hairy, somewhat overweight Italian-American writer, but I readily buy into Feiffer's concept with an added notion of my own. The Superman of Siegel and Shuster's earliest stories is very much the champion who looks out for the little guy. He challenges authority and power with greater authority and power. He'll even manhandle the mayor of a great metropolitan city, if that's what it takes to get the job done. He stands up to bullies of every kind: common criminals, super-villains, avaricious businessmen, dishonest politicians, and warmongering dictators.

With his assured sense of right and wrong and his great heart, Superman stood up for all us Clark Kents. And, with that frequent, somewhat cocky grin on his face, he made it look like the most fun a man or a superman could have.

You'll see a lot of Superman comic books in this book. Part of that can be attributed to my hometown pride in the character and his creators. Most of it can be attributed to this:

Superman has earned his lofty place in this book. He put the American comic-book industry on overdrive and set the standard for super-heroes around the world.

Here are some of his earliest appearances …



Action Comics #1

Writer: Jerry Siegel
Artist: Joe Shuster
DC (June 1938 © 1938 Detective Comics, Inc.)

Superman saves an innocent woman from execution, slaps around a wife-beater, rescues Lois Lane from hoodlums, and then kidnaps a lobbyist trying to involve the United States in a South American war. Not bad for his first day on the job. (Note: **Action Comics** *was an anthology title; credits here and elsewhere in this chapter are only for the Superman story.)*

A sleazy newspaper editor, working with blackmailers, kidnaps and drugs a senator. Then they photograph him at a roadhouse with a lady of dubious morals. Superman stops the presses — literally — and chases the blackmailers out of town.

THE FIGHTING FORTIES

CHAPTER TWO

Superman and his fellow super-heroes were the driving force of the first comics industry boom. Their adventures were loved by the kids and by the older brothers of those kids who, as members of our armed forces, needed cheap and highly portable entertainment that could be stuck in a backpack or a back pocket. Yes, friends, you are allowed to cringe at the thought of such comics treasures being rolled up or folded in half. Don't blame our soldiers and sailors. Back then, they had somewhat more pressing concerns than the future value of their entertainment.

However, from the start, the comics industry diversified. In this pivotal decade, publishers launched titles in multiple genres, just as their pulp-magazine ancestors had done: crime, horror, war, romance, science fiction, jungle thrills, air adventures, Westerns, and more. There were comics featuring cartoon characters and movie stars, precocious kids and swinging teenagers, and every species of funny animal you could imagine. There were even comic books meant to be educational and uplifting for young readers. Even in these early days of the industry, there were critics who saw comic books as a blight upon our youth.

Not all these different kinds of comic books hit their stride until late in the decade. The super-heroes faded when our men came home from war. They had new lives to build and put aside the comic books of their youth. Those who continued reading comics, men and women alike, wanted more sophisticated entertainment. By the end of the 1940s, the colorful super-heroes were barely a blip on the newsstands.

Let's take a walk through that formative decade …

Archie's Pal Jughead #1

Writers: uncredited
Artists: uncredited
Archie (1949 ©* 1949 M.L.J. Magazines, Inc., image courtesy of Heritage Comic Auctions)

Jughead is the first of Archie's friends to get his own title. His character is still being formed here — he's on the football team in one story, not on it in another — but his aversion to girls has already been firmly established.

THE FEARFUL FIFTIES

CHAPTER THREE

World War II was over. The boys who went to war had come back as men, ready to pursue careers and start families. Most of them put aside the comic books that had gone to war with them.

The comics writers and artists who had gone to war were also back, their ranks augmented by newcomers to the industry. Some of those new artists learned the basics of their craft via the G.I. Bill of 1944, which provided college and vocational training for returning veterans.

The end of the war likewise brought an end to wartime restrictions of resources. There was paper for plenty of comics, magazines, and paperbacks — maybe *too many* comics, magazines, and paperbacks, all competing for space on the nation's newsstands. The decade started out strong for the comic-book industry, but it was soon assailed by difficulties beyond overproduction.

Critics of comic books had emerged almost simultaneously with the industry's initial success. The critics got a whole lot louder in the 1950s, blaming the comics for juvenile delinquency and all manner of societal ills. Churches and schools held comic-book burnings.

Laws restricting the sale of comics were passed on local and state levels. There were even congressional hearings, hearings horribly biased in favor of the critics. In effect, the industry was put on trial before a succession of hanging judges.

The distribution end of the industry had its problems, as well. The distributors couldn't handle so many comics effectively, so issues sometimes never left the warehouses. Magazines and paperbacks were more profitable, anyway.

During the decade, several distributors went out of business or merged with other outfits. Many comics publishers could not survive the mercurial nature of their distribution systems. Publishers who had been major players in the industry in the 1940s were gone by the middle of the 1950s.

Adding to industry woes was the emergence of television as the major source of entertainment for most Americans. Those early sets weren't cheap, but, once they were purchased, they provided families with hours of free entertainment.

Bad business decisions, distribution snags, overproduction, public vilification, and now television. The comics industry didn't know what hit it. It would survive, but much diminished from its great prosperity of the previous decade.

Still, as is the case in every one of the industry's seven decades, there were lots of great comics published during the 1950s. Carl Barks, whom fans of the era knew only as "The Good Duck Artist," was doing some of the best work of his career on *Donald Duck* and *Uncle Scrooge* during this decade.

Bill Gaines, son of the late Max Gaines, had revitalized his father's company. He and editors Al Feldstein and Harvey Kurtzman produced exceptional comics in multiple genres: horror, war, crime, science fiction, and humor — the last category represented by the downright revolutionary *Mad*. With mixed results, some comics publishers tried to duplicate E.C.'s success in those genres, some tried to blaze new trails, and others turned to cartoons, movies, and television to license properties and personalities for their comic books.

Innovation and imitation were the watchwords of the comics of the 1950s. As we shall see …

10¢
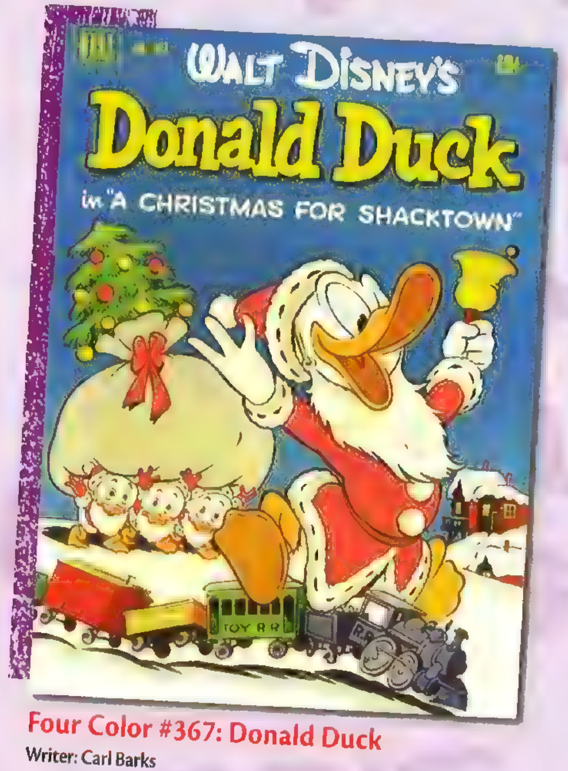
DEC No. 17
TOWER of DEATH

Venus #17

Writer: Bill Everett
Artist: Bill Everett
Marvel (December 1951 © 1951 Leading Magazine Corp., image courtesy of Heritage Comic Auctions)

She began her career as a super-hero, but Venus adapted to changing times, shifting her title to romance, horror, and science fiction. But no one brought more gusto and sensuality to her adventures than Sub-Mariner creator Bill Everett.



WALT DISNEY'S
Donald Duck
in "A CHRISTMAS FOR SHACKTOWN"
TOY R.R.

Four Color #367: Donald Duck

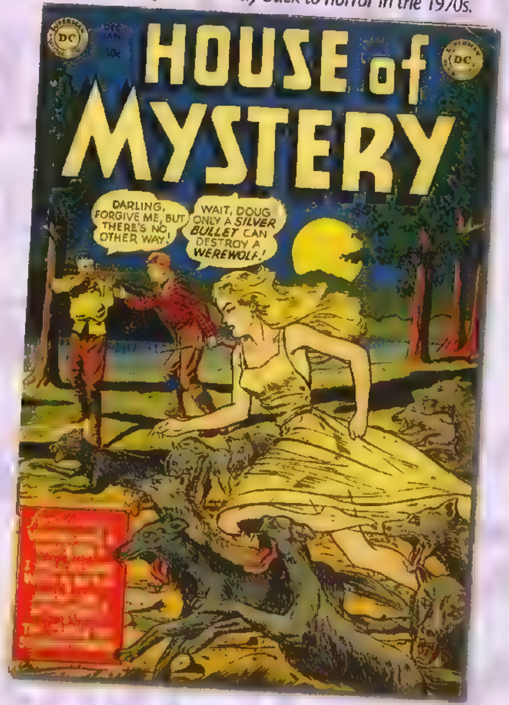
Writer: Carl Barks
Artist: Carl Barks
Dell (January 1952 © 1951 Walt Disney Productions)

The best Christmas tale ever created for comics. Donald's nephews want to make a memorable holiday for poor kids, while Uncle Scrooge faces the loss of the fortune he's spent his life building. It's a clever, funny, and heartwarming tale.

House of Mystery #1

Writers: uncredited
Artists: Curt Swan, Bob Brown
DC (December 1951-January 1952 © 1951 National Comics Publications, Inc., image courtesy of Heritage Comic Auctions)

Never as horrific as its contemporary rivals, this anthology title shifted from the supernatural to science fiction after the outcry against those rivals. After playing host to super-heroes in the 1960s, it found its way back to horror in the 1970s.



HOUSE of MYSTERY
DARLING, FORGIVE ME, BUT THERE'S NO OTHER WAY!
WAIT, DOUG ONLY A SILVER BULLET CAN DESTROY A WEREWOLF!

Thun'da #1

Writer: Gardner Fox
Artist: Frank Frazetta
Magazine Enterprises (January 1952 © 1952 Sussex Publishing Company, Inc., image courtesy of Heritage Comic Auctions)

Created by legendary fantasy painter Frank Frazetta, Thun'da is an American who crashes in a lost valley of dinosaurs ruled by the requisite beautiful princess. It's one of the few comic books with Frazetta art from cover to cover.

Black Knight #1

Writer: Stan Lee
Artist: Joe Maneely
Marvel (May 1955 © 1955 Margood Publishing Corp., image courtesy of Heritage Comic Auctions)

Sir Percy seemed no more than a foppish fool but he was secretly The Black Knight, King Arthur's bravest and most powerful warrior. Armed with a mystic sword forged by Merlin, he fought for Camelot through five exquisitely drawn issues.

My Greatest Adventure #3

Writers: uncredited
Artists: John Prentice, uncredited
DC (May-June 1955 ©* 1955 National Comics Publications, Inc., image courtesy of Heritage Comic Auctions)

This anthology title specialized in such first-person adventure stories as "I Found Captain Kidd's Treasure!" It soon switched to more fantastic thrillers: "I Was a Cop from Outer Space!" and "We Fought the Giant of Island X!"

Sugar and Spike #1

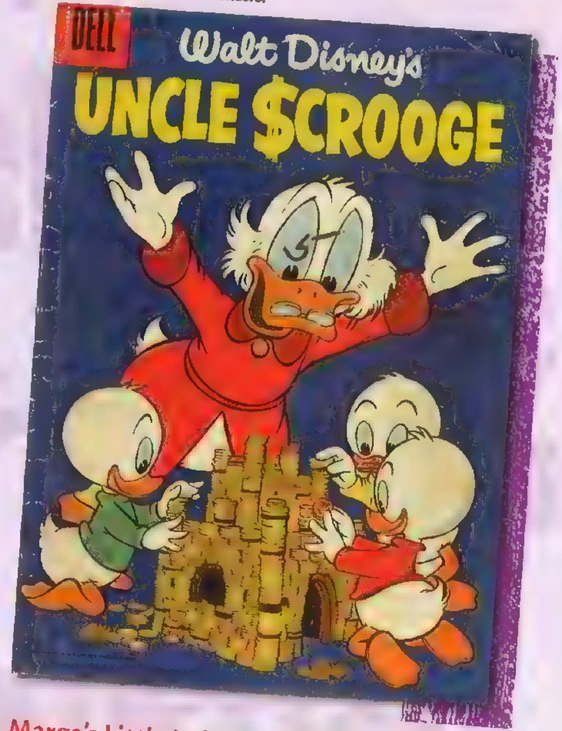
Writer: Sheldon Mayer
Artist: Sheldon Mayer
DC (April-May 1956 © 1956 National Comics Publications, Inc.)

Toddlers Sugar Plumm and Cecil "Spike" Wilson can talk with each other and to other infants. Their attempts to figure out the adult world around them are unfailingly hilarious, making this comic book Mayer's greatest masterpiece.

Uncle Scrooge #13

Writer: Carl Barks
Artist: Carl Barks
Dell (March-May 1956 © 1956 Walt Disney Productions)

When earthquakes threaten Scrooge's money bin, Donald, the boys, and he investigate and learn the quakes are the result of a sporting competition between underground dwellers known as Terries and Fermies. "Land Beneath the Ground" is a Barks classic.

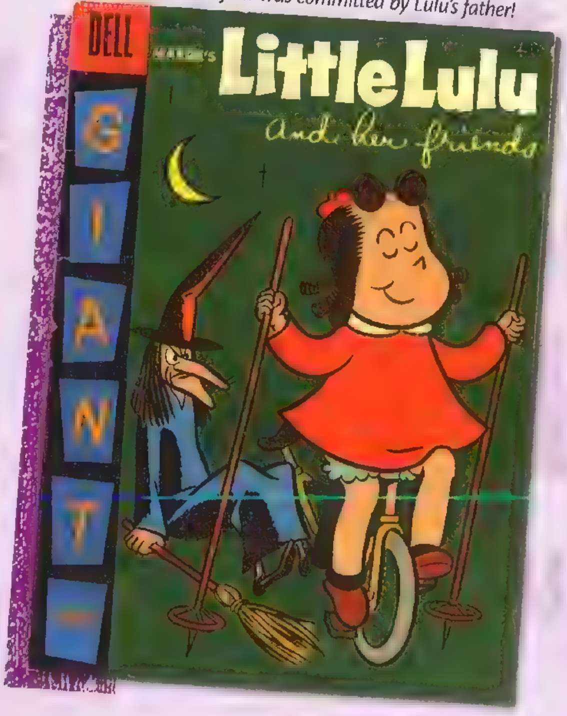


DELL
Walt Disney's
UNCLE $CROOGE

Marge's Little Lulu and Her Friends #4

Writer: John Stanley
Artist: John Stanley, Irving Tripp
Dell (1956 © 1956 Marjorie Henderson Buell)

This 100-page spectacular is filled with Lulu getting the better of Tubby and the boys, Lulu telling stories to Alvin as she babysits him, and master detective Tubby proving, once again, that the crime du jour was committed by Lulu's father!



DELL
Marge's

The Secret of the Unicorn

Writer: Hergé, Danielle Gorlin (translator)
Artist: Hergé
Golden Press (1959 © 1947 Editions Casterman, Paris and Tournai, text © 1959 Golden Press, Inc.)

The "Tintin" tales of Hergé (Georges Remi) span 24 albums of exciting adventures, exotic locales, dastardly villains, and such wonderful supporting characters as the oft-volatile Captain Haddock. Hergé's art in these albums is breathtakingly beautiful.

...exciting adventures, exotic locales, dastardly villains...

THE SWINGING SIXTIES

CHAPTER FOUR

The golden age of comics is 12.

I don't know who first coined that adage, but it fit me like a glove. I was born in December 1951, and it was in the summer of 1963 that my interest in comic books became a passion. I was still an avid baseball fan, had developed a liking for monster movies and science-fiction novels, and was starting to notice that the girls who went to school with me were getting cuter by the day, but the comic books were my special thing.

Let me tell you what the comic-book world of the 1960s looked like to me.

National Periodical Publications, better known as DC Comics, was the biggest star in my comic-book universe. It had Superman, Batman, and a wide range of other titles. When I had a few extra coins in my pocket, or could swing a trade, I'd get its science-fiction, war, and Western comics — and even such licensed comics as *The Many Loves of Dobie Gillis* and *The Adventures of Jerry Lewis.* DC got more of my allowance than any other publisher.

Marvel Comics wasn't on my radar at the start of the decade, but the comics created by Stan Lee, Jack Kirby, Steve Ditko, Dick Ayers, Don Heck, and others would be the ones that cemented my love of the art form.

> The golden age of comics is 12.

Dell was easily as big as DC, but, aside from the occasional movie adaptation, I rarely read its comic books. When Western Publishing, which actually held Dell's most valuable movie and TV licenses, split from Dell to form Gold Key Comics, I started buying some of its adventure titles. However, it wouldn't be until the 1970s that I would begin to appreciate the genius of such creators as Carl Barks and John Stanley.

Funny animals? Those were for kids. Just like comics *about* kids, though I read and enjoyed the Dennis the Menace comic books published by Fawcett and, when no one was looking, the Casper the Friendly Ghost titles from Harvey Comics.

Archie Comics had a couple of super-hero titles I read whenever they fell into my hands, as well as the offbeat *Madhouse* and *Tales Calculated to Drive You Bats,* but my interest in Archie, Jughead, Betty, Veronica, and the rest of the Riverdale High kids was a good decade away.

Every two weeks during the school year, I'd get a new issue of *Treasure Chest,* a Catholic comic book published by George A. Pflaum of Dayton, Ohio, and sold through such Catholic grade schools as my own Sts. Philip and James. It was in *Treasure Chest* that I first saw the work of such terrific comic-book artists as Frank Borth, Joe Sinnott, and Reed Crandall.

Various relatives occasionally gave me various issues of *Classics Illustrated.* The only one I ever *bought* was an adaptation of *The War of the Worlds* by H.G. Wells, the purchase inspired by my seeing the 1953 movie at one of my school's weekly movie showings. The showings were also where I first viewed such lifelong favorites as *Gorgo, Konga,* and *Invaders from Mars.*

American Comics Group published a handful of titles that featured non-series science-fiction and supernatural thrillers. As clever as those stories were, I didn't buy any ACG comics until I discovered the remarkable *Herbie*.

Charlton Comics were somewhat more prevalent, but I didn't buy its comics, either — not until it began publishing ongoing *Gorgo* and *Konga* titles. The best of those monstrously entertaining comic books were drawn by Steve Ditko, soon to be known as the co-creator of The Amazing Spider-Man.

The comics world of the 1960s was a relatively tame place at the decade's start, but it wouldn't stay that way long. Stan Lee and Jack Kirby's *Fantastic Four* would change the industry forever.

Classic E.C. horror and science-fiction comics of the previous decade would be reprinted in mass-market paperbacks and introduce the new generation of readers to wonders that originally saw print in *Tales from the Crypt* and *Weird Science*. Indeed, the artistry of E.C. would inspire publisher Jim Warren's *Creepy,* a black-and-white magazine featuring many of E.C.'s finest artists.

With the success of DC's *Justice League of America* and such 1940s revivals as *The Flash* and *Green Lantern,* with the greater success of Marvel's *Fantastic Four* and *Amazing Spider-Man,* an exciting new age of super-heroes was upon us. And, by the end of the 1960s, our comics world would grow to include new publishers, new writers, new artists, and bold new concepts.

If the 1940s had been the Golden Age of Comics, the 1960s were the Silver Age. Here are some of the comics that made the decade so groundbreaking and so much fun …

Challengers of the Unknown #11

Writer: Ed Herron (tentative)
Artist: Bob Brown
DC (January 1960 © 1959 National Periodical Publications, Inc., image courtesy of Heritage Comic Auctions)

The Challengers boldly go to another dimension to liberate a world from creatures who plan to conquer Earth. The cover, with its Jack Adler wash tones and color, is eye-catching, and the story finale is one of the most thrilling in comics history.

THE GREATEST COMIC BOOK OF ALL TIME!

Fantastic Four Annual #1

Writer: Stan Lee
Artists: Jack Kirby, Dick Ayers
Marvel (Summer 1963 © 1963 Canam Publisher Sales Corp.)

Fantastic Four Annual #1 changed my life.

I was not quite 12 years old. My parents were taking us — my sister and brothers — to Oneonta, New York, a small city of roughly 14,000 people, some of them related to my father. It was boredom incarnate, and the only way I managed to get through it was by using my meager vacation savings to buy a comic book or two at every rest stop. It was — thank God — a time when there were comic books at every rest stop.

My parents were annoyed by my purchases. In Oneonta, at the cigar shop owned by my dad's uncle, I made a beeline for the comics. One of my parents — I've clearly repressed the memory of which — told me that whatever I bought was going to be the last comic book I bought on this trip. Defiantly, I bought **Fantastic Four Annual #1***, which cost a quarter. It had 72 big pages, and I planned to savor each and every one of them.*

The squabbling between The Human Torch and The Thing was familiar to me...

I don't remember exactly when I first read that annual during the trip. There were hardly any lights in the cabin, so it had to have been the next morning. Odds are I first read the issue sitting on an old chair on the cabin porch. I would read it a dozen more times before we got home.

There was scarcely an open area on the cover. If Kirby and Ayers left any space unadorned with their dramatic illustrations, then Lee filled it with his excited descriptions of the wonders waiting within this annual. And wonders there were.

"Sub-Mariner versus the Human Race" was the longest comic-book story I had ever read. In its 37 pages, there was action and drama aplenty. The squabbling between The Human Torch and The Thing was familiar to me; they were brothers. Having started to notice girls, I was alarmed and intrigued by the passion shown by such characters as Dorma and Namor over loves denied to them. I was thrilled by the vast scope of the story: the centuries-spanning history of Namor's people and the invasion of New York City by the Atlanteans. I was stunned by the courage of Sue Storm, the deadly price she seemed likely to pay for it, and Namor's willingness to sacrifice all to save her. By the time Namor returned to his now-deserted kingdom, abandoned by his own people, I was mentally exhausted.

How could a comic-book story be that good?

The second half of the annual issue wasn't as mind-blowing as the lead but it was still amazing. I didn't know who Spider-Man was but I got a kick out of the six-page "The Fantastic Four Meet Spider-Man" by Lee, Kirby, and Steve Ditko … and intrigued by the idea that it was an expanded version of their original meeting. I think that's when it hit me: **There were real people making comic books, they could tell the stories any way they liked, and making comic books and telling stories was an actual job.**

The feature pages were also a thrill. Seeing the "Gallery of The Fantastic Four's Most Famous Foes" gave me a sense of history. And it wasn't as intimidating as the history of Superman and Batman and their fellows, which stretched back all the way to when my dad was my age. I wanted to know more about these villains.

INSIDE THE PAGES OF THIS, THE WORLD'S GREATEST COMIC MAGAZINE!
SPIDER-MAN WAITS WITHIN THESE PAGES!!
Also: "THE ORIGIN OF THE FANTASTIC FOUR!"
THE MOST REQUESTED SAGA EVER PRINTED!
VILLAINS!

There was a two-page section giving personal information about the individual members of The Fantastic Four. That really made the heroes come alive for me.

However, as much as I loved the annual's Sub-Mariner story and its special features, it was the reprinted "Origin of the Fantastic Four" that truly changed my life. Because it wasn't nearly as good as the Sub-Mariner story. It was clearly done by the same people, but they had grown a whole lot better in just a couple of years. This Lee and Kirby were — presumably — adults, but they were still improving on their skills. That was as big an eye-opener as any of the issue's fictional thrills.

If making comic books was a job, then people were hired to do it. If those people could get better at their jobs as they worked at them, then maybe even a kid like me — a kid who loved to write — could learn how to make comic books and get good enough at it that someone would give me a job making comic books. All of a sudden, I knew what I wanted to do when I grew up.

I wanted to make comic books.

I grew up to do just that. I think some of the comic books I made were really good and most of them were pretty good. The ones that weren't pretty good, well, I gave them my best possible effort at the time I made them. I never phoned it in and I never didn't care. I'll never be on anyone's hall of fame list, but, all things considered, the comic books I did represent a body of work of which I'm generally proud.

Fantastic Four Annual #1 changed my life.

THE HUMAN TORCH TRAPPED BY SPIDER-MAN'S FATAL FOE... THE UNCANNY SANDMAN!
A MARVEL MASTERPIECE OF FANTASY!
THE TORCH WILL HAVE TO SAVE HIMSELF WITHOUT THE HELP OF SPIDER-MAN! BUT I WONDER... CAN HE DO IT?

Strange Tales #115

Writer: Stan Lee
Artist: Dick Ayers
Marvel (December 1963 © Vista Publications, Inc.)

The Human Torch battling The Sandman, one of Spider-Man's most dangerous foes, was a pretty big deal in 1963. But what really put this issue on the map was its second story. Co-created by Ditko, Stephen Strange is an arrogant surgeon. When his hands are damaged in an auto accident, he turns to magic for a cure and finds new purpose for his life, as told in the hitherto-unrevealed "Origin of Dr. Strange."

Action Comics #309

Writer: Edmond Hamilton
Artists: Curt Swan, George Klein
DC (February 1964 © 1963 National Periodical Publications, Inc.)

This tale of Lois and Lana trying to expose Clark Kent as Superman during a live TV broadcast honoring The Man of Steel is remembered for featuring President John F. Kennedy. The issue went on sale one month after Kennedy's assassination.

How do you follow Steranko? Try "One Hungers" by Neal Adams, a personal favorite about a gelatinous creature in a scary old house! This issue also had stories by Roy Thomas and Don Heck — and Gary Friedrich and John Buscema.

THE SURPRISING SEVENTIES

CHAPTER FIVE

Since the 1960s were my personal "Golden Age of Comics," it follows naturally that the 1970s were my "Silver Age." To confuse you even further, many fans and industry professionals refer to the 1970s as the "Bronze Age of Comics."

Eye of the beholder, my friends. Eye of the beholder.

I started out the decade dropping out of Cleveland's John Carroll University after less than one year. I was eager to pursue a career in writing, though working in comics seemed like a distant dream at the time. I wrote for lots of comics fanzines, using them to teach myself how to write comic-book scripts. I began corresponding with industry professionals and unsuccessfully pitched a few plots and stories to them.

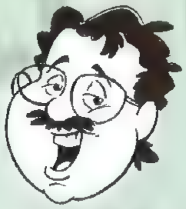
I spent a few years in the employ of *The Plain Dealer*, a Cleveland newspaper. It was good money for a single guy. I was able to get my own apartment, attend comics conventions in New York and San Diego, and buy pretty much every new comic book being published.

Among the new comics I bought were *underground comix*. There was a headshop two blocks from my apartment. I didn't use drugs and so had no need for rolling papers and other drug paraphernalia, but the place had an outstanding selection of books by Robert Crumb and other counter-culture cartoonists. I mention these comics because I think we need a disclaimer.

Given the generally family-friendly nature of the volume, I won't go into specifics of the contents of the underground comix included herein. But these comix are important because they influenced the art form on several levels. They allowed creators to retain rights to their own work as a standard operating procedure. They basically created the model the direct market — and we'll talk about that in a bit — would use. They inspired even mainstream creators to expand the possibilities of comics. The underground comix were important, and that's why they have a place in this book.

The 1970s were an exciting decade for fans and professionals. Comic-book publishers were increasing their production, which allowed young artists and writers to find employment in the field at a rate greater than at any time since the 1940s. I was one of those young writers, and you'll even find some of my comics in this book. Which — sigh — means we need another disclaimer of sorts.

*Despite my clearly healthy ego, any Isabella-written comics in this tome were suggested by my pals and readers in comicdom. As a sort of warning when these comics appear, they will be marked with one of these smiling "Tony heads" that are used in my **Comics Buyer's Guide** reviews. Depending on whether or not you like my comics writing, you can consider them a recommendation or a warning. Your call.*



The 1970s were when the traditional methods of comics distribution became increasingly insufficient for publishers and readers alike, leading to the birth of hundreds of comic-book stores throughout the country and the creation of a direct-market distribution system to serve those stores. Comics shops had to buy their comic books on a non-returnable basis but they got better service and much bigger discounts than they could get from regional magazine distributors.

The shops became *so* vital to the comics industry that the industry started producing titles that would be available exclusively in the comic shops … and the very presence of these shops would led to a great many new publishers entering the field in the 1980s and the 1990s.

Comics creators were becoming as much a selling point with comics buyers as the characters who appeared in the comics they wrote and drew. That led to better financial rewards and working conditions from most of the publishers.

Comics creators were being influenced by work from Great Britain, Europe, and Japan. Even in advance of these comics crossing the seas and being sold in America, their influence would begin to be seen in American comic books.

My comics career started in the 1970s. I lived in New York for the better part of four years, then moved back to my native Cleveland and continued to write for Marvel, DC, and other publishers. By the decade's end, I was still writing comics and also writing columns and cartoons for *Comics Buyer's Guide*. I had also become the owner and operator of a comic-book store in downtown Cleveland, assuring myself of a continuous supply of comic books. There was a lesson to be learned from all this — and, if I hadn't been so darn busy wearing so many hats, I might have learned it.

The 1970s were an exciting decade for comics. Here are some of the reasons …

Writer: Steve Skeates
Artist: Jim Aparo
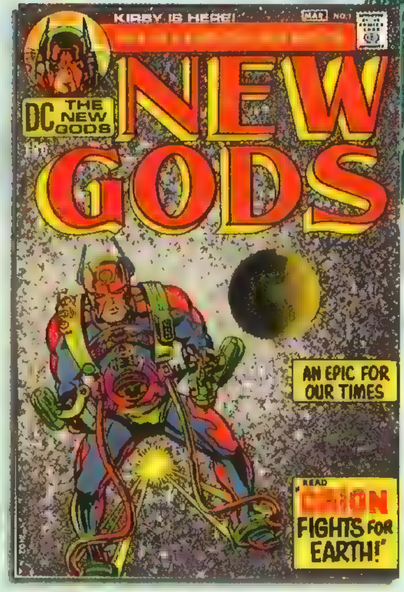
DC (March-April 1971 © 1971 National Periodical Publications, Inc.)

Many of DC's super-heroes had fallen on hard times, but Aquaman's first series went out on a high note with a sharp tale dealing with such matters as vigilantism and unrestricted technology's threat to the environment.

...many of DC's super-heroes had fallen on hard times....

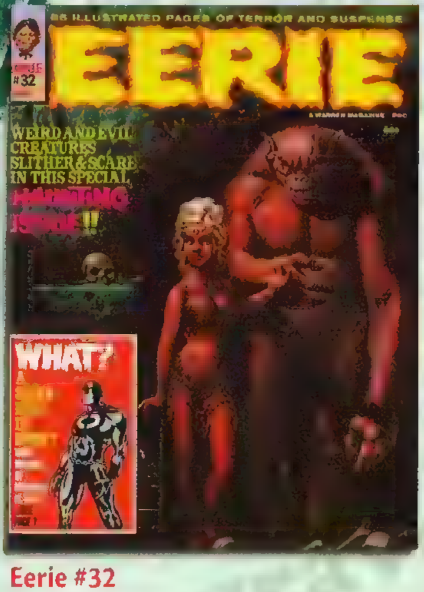


KIRBY IS HERE!
MAR. NO. 1
DC THE NEW GODS
NEW GODS
AN EPIC FOR OUR TIMES
READ ORION FIGHTS FOR EARTH!"

The New Gods #1

Writer: Jack Kirby
Artists: Jack Kirby, Vince Colletta
DC (February-March 1971 © 1972 National Periodical Publications, Inc.)

Orion, a child of Apokolips raised on New Genesis, fights against the despotic Darkseid. This was the cornerstone of Kirby's "Fourth World" saga, and its characters and concepts continue to shape today's DC Universe.

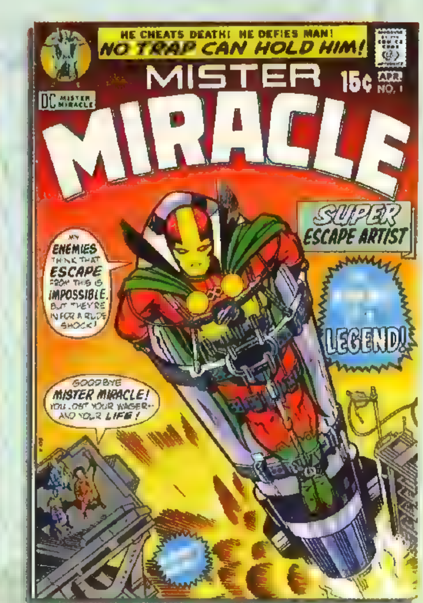


66 ILLUSTRATED PAGES OF TERROR AND SUSPENSE
ISSUE #32
EERIE
WEIRD AND EVIL CREATURES SLITHER & SCARE IN THIS SPECIAL HAUNTING ISSUE!!
WHAT?

Eerie #32

Writer: Steve Skeates
Artist: Tom Sutton
Warren (March 1971 © 1970 Warren Publishing Co.)

"Superhero" is Skeates' hilariously subversive take on a renowned caped crusader. Other contributors to this issue included Gardner Fox, Frank Bolle, Gerry Conway, Richard Corben, Jack Sparling, Don Glut, Mike Royer, and Bill Dubay.



HE CHEATS DEATH! HE DEFIES MAN!

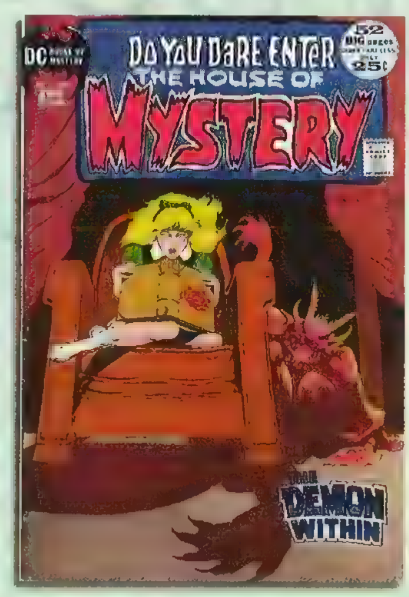
IMPURE THOUGHTS
NO!

Binky Brown Meets the Holy Virgin Mary

Writer: Justin Green
Artist: Justin Green
Last Gasp (March 1972 © 1972 Justin Considine Green)

Through his comics alter ego, Green examines his upbringing in the Roman Catholic Church in bold and humorous fashion. This comic book has been called sacrilegious but it's also been praised as must reading for neurotics of every faith.



DC
DO YOU DARE ENTER THE HOUSE OF MYSTERY
52 BIG PAGES
25¢
THE DEMON WITHIN

House of Mystery #201

Writers: Joe Orlando, John Albano
Artist: Jim Aparo
DC (April 1972 © 1972 National Periodical Publications, Inc.)

A young boy with magical powers regularly embarrasses and frightens his parents, who take extreme measures to restore normalcy to their family. This jaw-dropping short story is on a par with the very best of E.C.'s horror comics.

The New Gods #8

Writer: Jack Kirby
Artists: Jack Kirby, Mike Royer
DC (April-May 1972 © 1972 National Periodical Publications, Inc.)

"Terrible" Turpin, a tough Metropolis cop, takes a stand against the "gods" waging war in his city. For all the cosmic elements of his saga, Kirby never lost sight of the courage and determination of the humans caught up in that war.

Writer: Steve Gerber
Artists: Val Mayerik, Sal Trapani
Marvel (January 1974 © 1973 Marvel Comics Group, image courtesy of Heritage Comic Auctions)

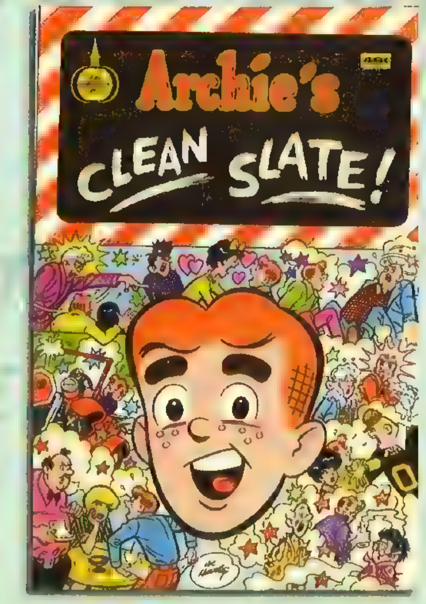
The title character's origin and the timing of its first appearance were eerily and coincidentally similar to those of DC's Swamp Thing, but, as the series continued, Gerber would push the envelope of what mainstream comics could be.

> ...eerily and coincidentally similar to those of DC's Swamp Thing...

Archie's Clean Slate

Writer: Al Hartley
Artist: Al Hartley
Spire (1973 © 1973 Fleming H. Revell Company)

Due to Hartley's association with Archie Comics, he obtained permission to use the company's characters in his Christian comics. Archie and his pals express their faith in 19 issues, including **Archie's One Way** *and* **Jughead's Soul Food.**



Archie's
CLEAN SLATE!

Mr. A #1

Writer: Steve Ditko
Artist: Steve Ditko
Comic Art Publishers (1973 © 1973 Steve Ditko)

Mr. A is the ultimate expression of Ditko's objectivist philosophy in the form of an uncompromising vigilante. Several Mr. A stories ran in fanzines, and two of them — "Right to Kill!" and "When Is a Man to Be Judged Evil?" were reprinted here.

Captain America #175

Writer: Steve Englehart
Artists: Sal Buscema, Vince Colletta
Marvel (July 1974 © 1974 Marvel Comics Group)

Captain America follows a criminal conspiracy to the White House. The shocking events of the conclusion of this multi-issue storyline shook the hero's faith in his country. He abandoned his traditional garb and adopted the identity of Nomad.

Tomb of Dracula #25

Writer: Marv Wolfman
Artists: Gene Colan, Tom Palmer
Marvel (October 1974 © 1974 Marvel Comics Group)

In a title known for great supporting characters, Hannibal King was my favorite. Slain by a vampire, the hard-boiled detective refused to feed on living humans. His undead nature was not revealed until the end of this first appearance.

Ghost Rider #9

Writer: Tony Isabella
Artists: Jim Mooney, Sal Trapani
Marvel (December 1974 © 1974 Marvel Comics Group)

I'd written myself into a "Satan is going to claim the hero's soul" corner, when Steve Gerber suggested I have God save Johnny Blaze. It worked. This and subsequent appearances of "The Friend" are among the proudest moments of my career.

Marvel (December 1979 © 1979 Parker Brothers. All other material © 1979 Marvel Comics Group)

As a toy, ROM the Space Knight was a failure. But Mantlo created an exiting scenario of heroic cyborgs fighting the evil Dire Wraiths on our own planet. The series ran 75 issues and long outlasted the toy. It's my favorite Mantlo series.

THE ENERGETIC EIGHTIES

CHAPTER SIX

The 1970s, especially the second half of that surprising decade, were clearly a transitional period for American comics. The changes might have been a tad tentative, but the creators and the industry built on them, refined them, and took comic books in exciting new directions.

New writers and artists continued to come into the field, and there were new publishers to welcome them. Chief among these publishers were Comico, Dark Horse, Eclipse, First, and Pacific, though only Dark Horse survives and thrives to this day.

Several existing publishers fell by the wayside. By the middle of the decade, Charlton, Gold Key, and Warren would publish their last comics. Harvey struggled in the 1990s, publishing its last issue of Richie Rich in 1994.

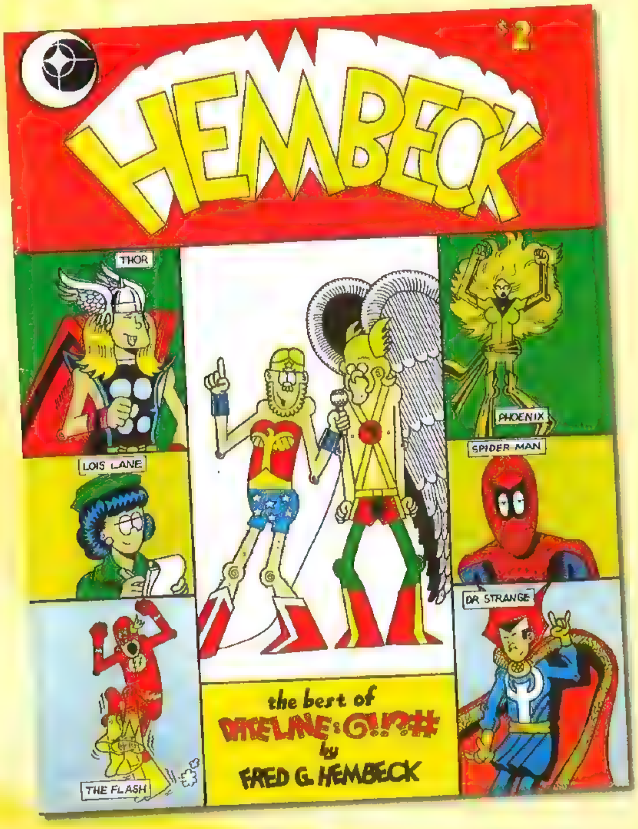
Comics continued to be sold on newsstands and other traditional venues, but the direct-market distribution system was quickly becoming the industry standard. The direct-market leaders were Capital City Distribution and Diamond Comic Distributors, with several smaller outfits also supplying comic books and related items to the growing network of comics specialty stores.

Comics creators continued their gains. They were as big a selling point as the characters they wrote and drew, especially in the fan-oriented direct market. Their page rates and their benefits grew, including royalty payments based on sales and reprints of their work. Some creators became millionaires. Most didn't fare as well but were still better off than their predecessors. On the downside, some new publishers would default on payments to creators, and some publishers would continue to practice the old business models for dealings with creators whenever they figured they could get away with it.

> ...the direct-market distribution system was quickly becoming the industry standard.

Creators were still being influenced by comics from Great Britain, Europe, and Japan. In the 1980s, those comics started coming to the United States in their original form, in reprints designed for the American market, and, in the case of Japanese comics, in English-language translations.

Comics aficionados, I give you the 1980s …



Hembeck: The Best of Dateline: @!!?#

Writer: Fred Hembeck
Artist: Fred Hembeck
FantaCo (December 1980 © 1979 Fred G. Hembeck)

Hembeck has done countless strips spoofing his favorite comic books and with himself as a featured character. This collection includes both new material and reprints of earlier material. His work would later appear in DC and Marvel comic books.

Action Comics #510-512

Writer: Cary Bates
Artist: Curt Swan, Frank Chiaramonte
DC (August-October 1980 © 1980 DC Comics Inc.)

Luthor reforms — or seems to — in this terrific three-issue story. Bates crafted a brilliantly convincing scenario that I wish hadn't been undone in its finale. What a wasted opportunity for shaking up the Superman titles!

What If? #24

Writer: Tony Isabella
Artists: Gil Kane, Frank Giacoia
Marvel (December 1980 © 1980 Marvel Comics Group)

This title showed how Marvel Universe events, in parallel worlds, might have happened differently. This issue is one of my personal favorites; readers liked it so much they wanted to see the story continue in its own title.

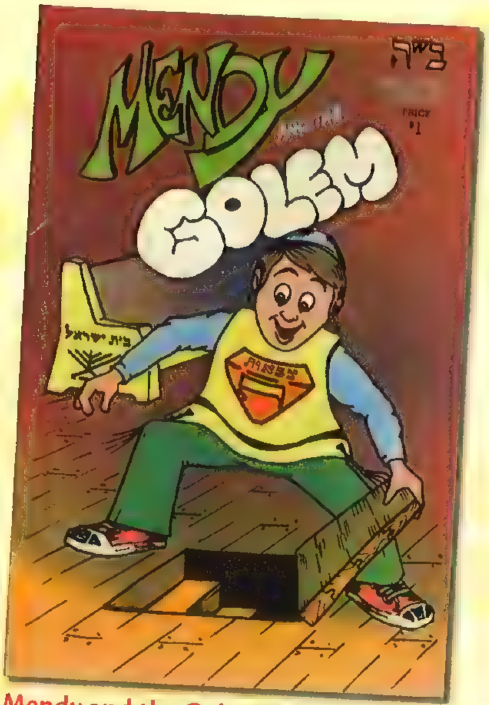
HIGH SOCIETY

Cerebus #26

Writer: Dave Sim
Artist: Dave Sim
Aardvark-Vanaheim (May 1981 © 1981 Dave Sim, image courtesy of Heritage Comic Auctions)

The aardvark enters the world of parliamentary politics in this first part of a 25-issue story. With this masterful satiric drama, Sim firmly established himself as one of the most original comics creators of our time.



MENDY
and the
GOLEM
PRICE
#1

Mendy and the Golem #1

Writer: Leibel Estrin
Artist: Dovid Sears
Mendy Enterprises (1981 © 1981 Mendy Enterprises)

The self-pronounced "world's only kosher comic book" featured the comical adventures of an Orthodox Jewish boy and the Golem he found in his rabbi father's synagogue. After its original 19 issues, the comic briefly returned in 2003.

Fantastic Four #236

Writer: John Byrne
Artist: John Byrne
Marvel (November 1981 © 1981 Marvel Comics Group)

In this classic issue, The Fantastic Four are caught in Doom's most diabolic trap ever. Byrne's run on the title is rightly celebrated as one of the best in its history. I rank it second only to that by Stan Lee and Jack Kirby.

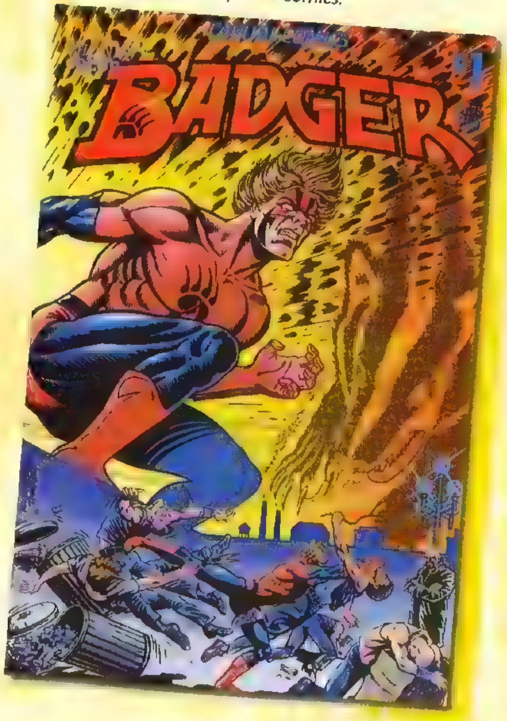
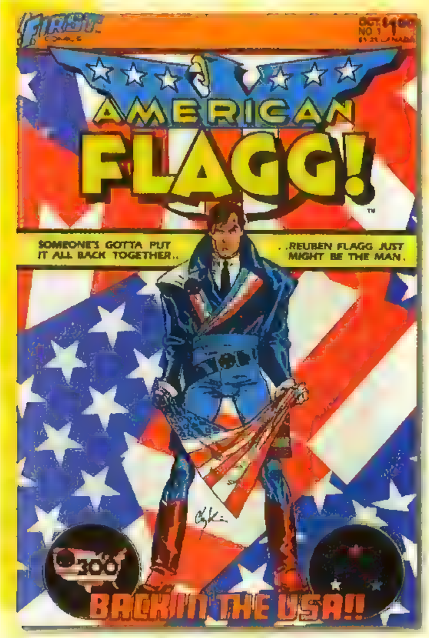
$1.60

The Badger #1

Writer: Mike Baron
Artist: Jeffrey Butler
Capital Comics (September 1983 © 1983 Capital Publications, Inc.)

This sometimes-dark comedy stars a Vietnam veteran with multiple personalities, of which The Badger is the most dominant. It mixes the super-hero genre with fantasy and martial arts. As was the case with Nexus, *it was later published by First Comics.*



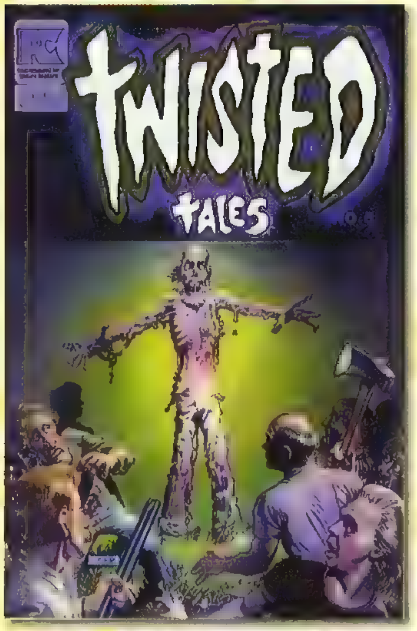


FIRST COMICS
AMERICAN FLAGG!
SOMEONE'S GOTTA PUT IT ALL BACK TOGETHER...
...REUBEN FLAGG JUST MIGHT BE THE MAN.
BACK IN THE USA!!

American Flagg! #1

Writer: Howard Chaykin
Artist: Howard Chaykin
First (October 1983 © 1983 First Comics, Inc. and Howard Chaykin, Inc.)

TV actor Reuben Flagg is drafted to become a cop in the corporate-dominated USA of 2030. Chaykin combined satire, science fiction, sex, slick art, acerbic wit, and a fascinating supporting cast to create this raucously revolutionary series.

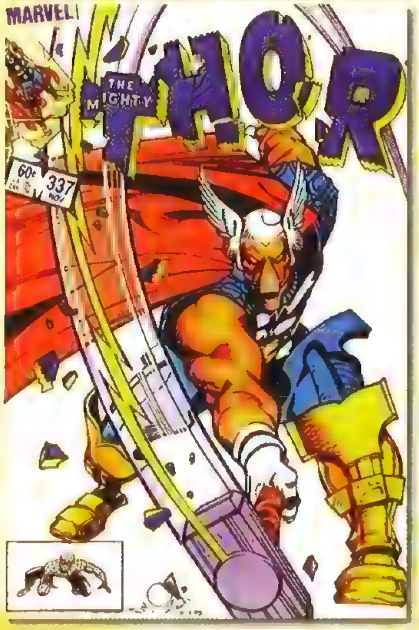


PC
Twisted Tales

Twisted Tales #5

Writer: Bruce Jones
Artist: Rand Holmes
Pacific (October 1983 © 1983 Bruce Jones Associates)

"Banjo Lessons" may be the most controversial horror story ever to appear in comics. Its elements of gore, extreme violence, racism, and such are so unsettling that, to this day, I don't know if it's a classic or an abomination.

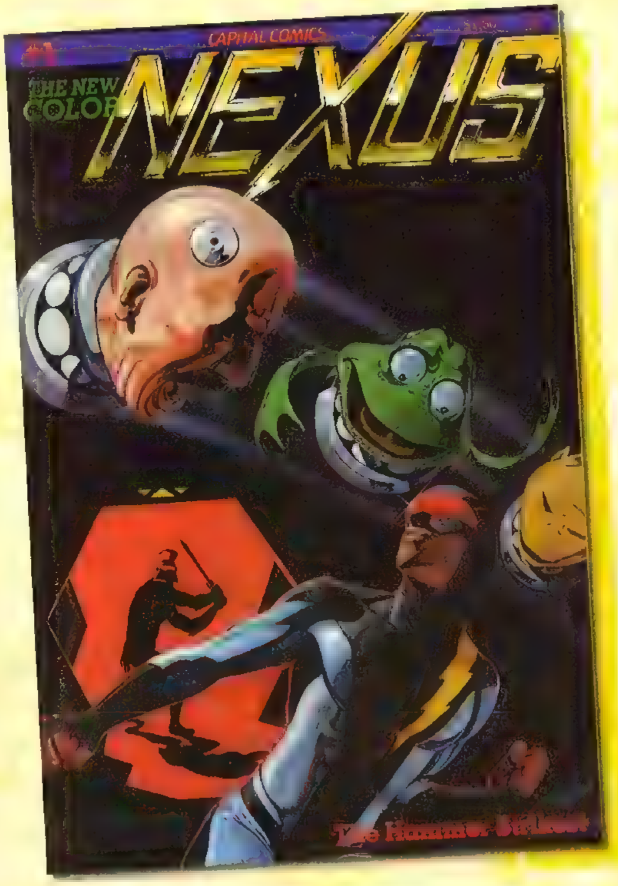


MARVEL
THE MIGHTY THOR
60¢ 337 NOV

Thor #337

Writer: Walt Simonson
Artist: Walt Simonson
Marvel (November 1983 © 1983 Marvel Entertainment Group, Inc.)

With the introduction of Beta Ray Bill, an alien worthy to hold the hammer of Thor, Simonson's justly praised run in this title got off to a great start. Simonson would write and draw the series through #367 and write it through #382.

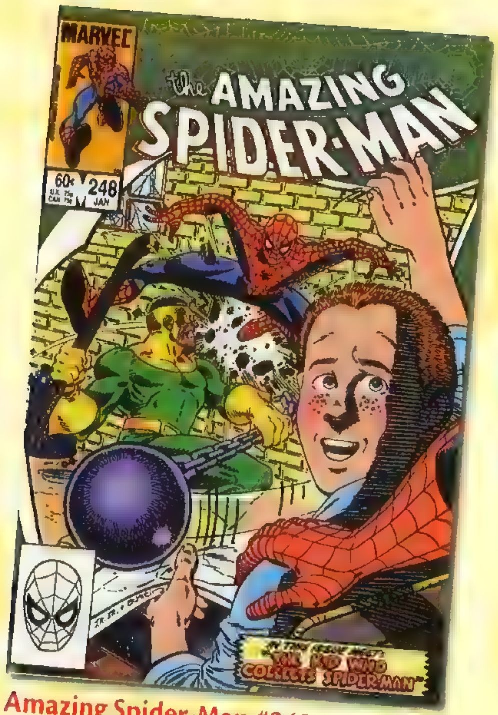


CAPITAL COMICS
THE NEW COLOR NEXUS
The Hammer Strikes!

Nexus #1

Writer: Mike Baron
Artist: Steve Rude
Capital Comics (1983 © 1983 Capital Publications, Inc.)

Nexus was a man granted extraordinary powers by an alien entity in exchange for assassinating mass murderers. Baron and Rude combined the super-hero and science-fiction genres with human drama and moral quandaries. A classic of the 1980s.



MARVEL

Zot! #28-36

Writers: Scott McCloud, Ivy Ratafia
Artist: Scott McCloud
Eclipse (September 1989-July 1991 © 1989, ©1990, © 1991 Scott McCloud)

Zot is stranded on our world. The stories in this sequence are more character-oriented and down-to-earth than those in previous issues. One consists of Zot and girlfriend talking about sex, while another focuses on a character's lesbianism.

Zot is stranded on our world.

THE NOISY NINETIES

CHAPTER SEVEN

Be careful what you wish for.

Those six words describe the comics industry of the 1990s as well as any. At the decade's start, *Maus* was receiving critical acclaim outside of comicdom, and such titles as *Batman: The Dark Knight Returns* and *Watchmen* were getting decent outside-the-industry press, as well. The previous decade had ended with the successful *Batman* film starring Michael Keaton as The Caped Crusader and Jack Nicholson as The Joker.

Comic books were on the public radar in a manner not seen since the anti-comics outcry of the 1950s — only, this time, the coverage was largely positive. Especially when the media reported on the large profits being made from the sale of back-issue comics.

The fortuitous confluence of DC's "The Death of Superman" storyline with a slow news day put comic-book shops on the map, as thousands of civilians flocked to buy the "rare" issue they foolishly thought would put their kids through college. There were multiple printings of the issue, with variant covers as identification and a boost to perceived "collectibility."

> Be careful what you wish for.

The comic-book boom was on. New publishers. New sales gimmicks that usually involved either variant covers (die-cut, metallic, and even press-on figures) or storylines that stretched, willy-nilly, from one title to another. Collect them all!

Collectibles speculators, both professional and amateur, saw money to be made from comics. Several new price guides hit the market, some of them published by folks who owned comics retail operations and who, thus, stood to gain from high prices "commanded" by recent back issues. This conflict of interest didn't seem to faze the new speculators. Comics were a sure thing, right?

New comics publishers were releasing some terrific material, though most of it was in the super-hero genre. Valiant had rights to the Gold Key characters of the 1960s and, alongside new characters, re-imagined *Doctor Solar, Magnus Robot Fighter,* and *Turok, Son of Stone* for a new generation of readers.

Published by DC, Milestone released a line of high-quality comics featuring more diverse heroes (African-American, Latina, gay, *etc.*) than had previously been seen from an individual publisher in the industry.

Several of Marvel's most popular young artists, unhappy with their working conditions, editorial constraints, and share of the profit pie, left the company to form Image Comics. Ironically, the success of the new organization might not have been possible without the fame and large royalties its members' association with Marvel had brought them.

Topps, the country's leading maker of collectible sports and non-sports trading cards, got into the comic-book business, as well, with adaptations of *Bram Stoker's Dracula, The X-Files,* and *Xena Warrior Princess* — and several titles created by writer-artist Jack Kirby but written and drawn by others.

Comics sales were high, and creator paychecks were getting bigger.

Then, the speculator-driven boom went bust.

Sales dropped faster than the stock market in 2008. Publishers went out of business, often owing money to creators. Comics shops closed their doors. Comics creators who, just months earlier, had had all the work they could handle, found themselves effectively unemployed.

Marvel Comics cut back on its staff, canceled one title after another, and, in 1997, declared bankruptcy. It continued to publish comics while recovering from its financial crisis.

DC Comics cut fewer staffers, canceled as many titles, but never hit bottom as hard as Marvel had. Many credit the smart management of current President and Publisher Paul Levitz for DC's weathering that particular storm.

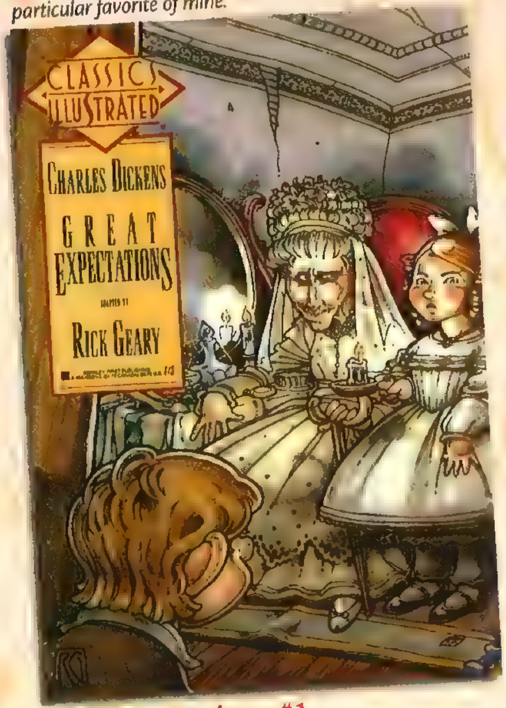
Even comics distribution took a hit. By the end of the decade, only one major direct-marker distributor — Diamond Comic Distributors — was left standing: not the best circumstance for an industry that had always thrived on competition.

The 1990s. The Boom. The Bust. Here are some of the best and most intriguing comics of that decade …

Classics Illustrated #2: Great Expectations

Writer: Rick Geary
Artist: Rick Geary
First (February 1990 © 1990 The Berkeley Publishing Group and First Publishing, Inc.)

Two decades after the end of the original **Classics Illustrated** *run from Gilberton, a new series was launched with some of the industry's top creators on board. Geary's adaptation of this challenging Dickens novel is a particular favorite of mine.*

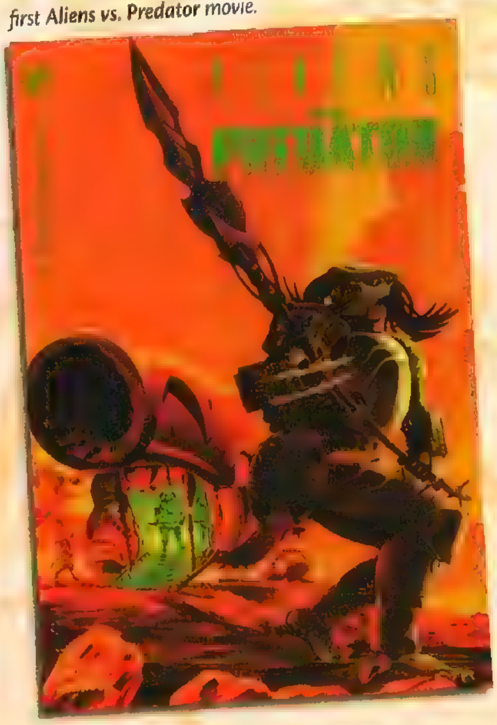


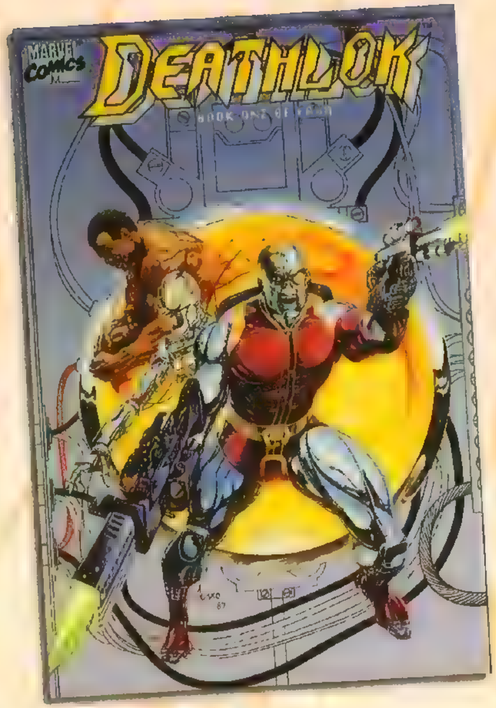
CLASSICS ILLUSTRATED
CHARLES DICKENS
GREAT EXPECTATIONS
RICK GEARY

Aliens vs. Predator #1

Writer: Randy Stradley
Artists: Phill Norwood, Karl Story
Dark Horse (June 1990 © 1990 Twentieth Century Fox Film Corporation)

Dark Horse capitalized on the continuing success of its **Aliens** *comics by combining the franchise with* **Predator**, *another popular horror and science-fiction film series. It would take Hollywood until 2004 to release its first* **Aliens vs. Predator** *movie.*



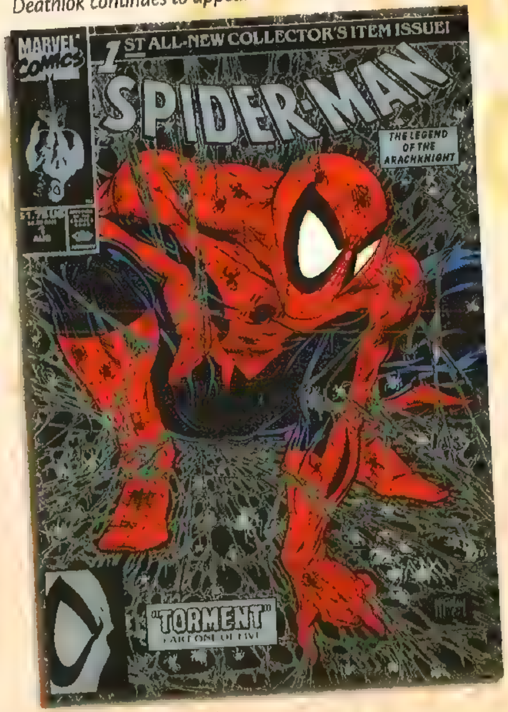


MARVEL COMICS
DEATHLOK

Deathlok #1-4

Writers: Dwayne McDuffie, Gregory Wright
Artists: Jackson Guice, Scott Williams
Marvel (July-October 1990 © 1990 Marvel Entertainment Group, Inc.)

McDuffie and Wright re-imagined this obscure 1970s cyborg hero for a classy mini-series that mixed high-tech adventure with compelling human drama. A subsequent ongoing series ran 34 issues; its version of Deathlok continues to appear in other Marvel comics.

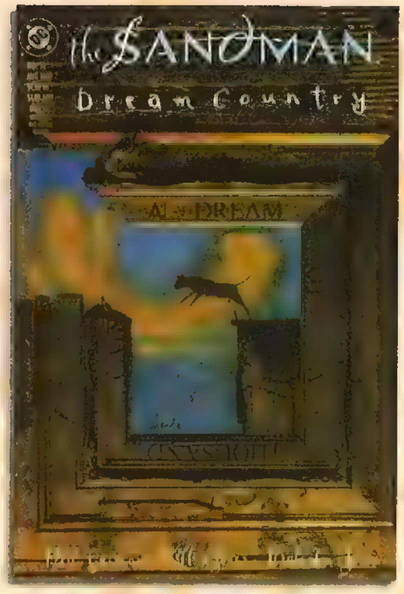


MARVEL COMICS
1ST ALL-NEW COLLECTOR'S ITEM ISSUE!
SPIDER-MAN
THE LEGEND OF THE ARACHNKNIGHT
"TORMENT"
PART ONE OF FIVE

Spider-Man #1

Writer: Todd McFarlane
Artist: Todd McFarlane
Marvel (August 1990, © 1990 Marvel Entertainment Group, Inc.)

Given the chance to launch a new Spider-Man title, superstar artist McFarlane delivered phenomenal sales. As had happened the year before with DC's Batman: Legends of the Dark Knight, four initial versions were released, and other printings followed. The event had much to do with starting the decade's speculation craze.

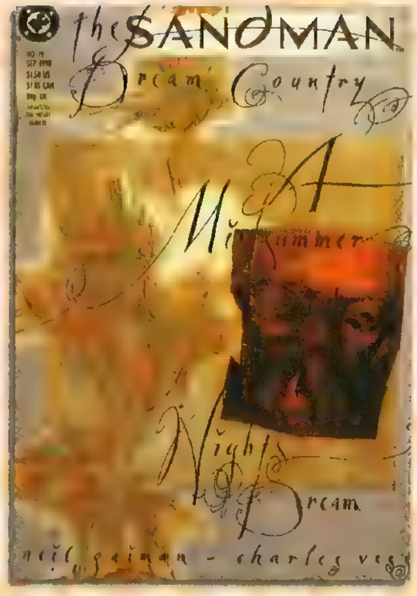


the SANDMAN
Dream Country
A DREAM

The Sandman #18

Writer: Neil Gaiman
Artists: Kelley Jones, Malcolm Jones III
DC (August 1990 © 1990 DC Comics, Inc.)

An unusual story even for this title, "A Dream of a Thousand Cats" has a cat for its focal character. The issue notes the universality of dreams and a central theme of the series: that dreams are shaped by their dreamers.

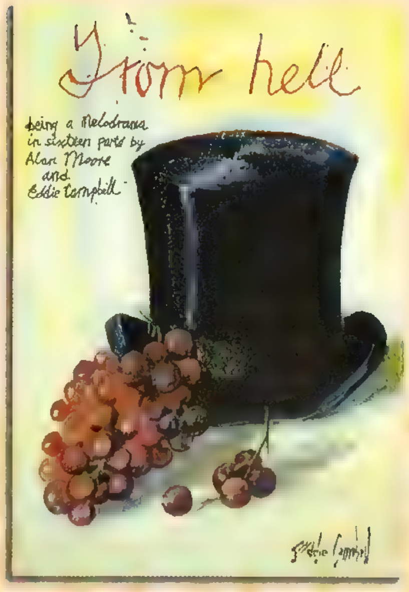


the SANDMAN
Dream Country
A Midsummer Night's Dream
neil gaiman - charles vess

The Sandman #19

Writer: Neil Gaiman
Artist: Charles Vess
DC (September 1990 © 1990 DC Comics, Inc.)

*Almost every issue of **Sandman** could be justifiably included in this book, but none more than "A Midsummer Night's Dream," which reveals that it was Morpheus who commissioned the Shakespeare play. This story won the 1991 World Fantasy Award.*



From hell
being a Melodrama in sixteen parts by Alan Moore and Eddie Campbell

From Hell #1

Writer: Alan Moore
Artist: Eddie Campbell
Mad Love Publishing (March 1991 © 1991 Alan Moore and Eddie Campbell)

This chilling look at the Jack the Ripper murders was meticulously researched with art so detailed I felt as if I were living in those grim times. Whether or not you agree with Moore's theory of the killings, this is an unforgettable story.

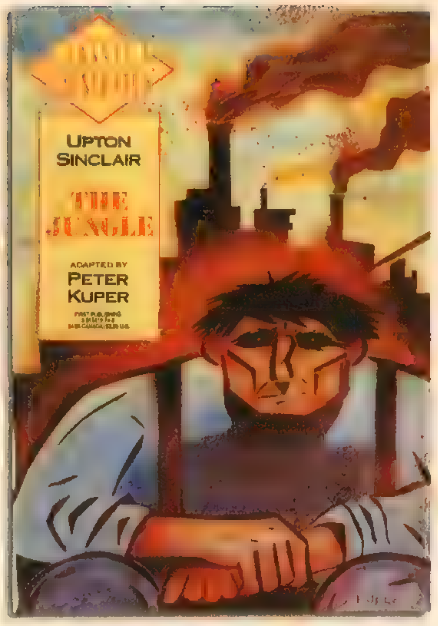
...flashback tale reveals that adamantium was bonded to Wolverine's bones...

Marvel Comics Presents #72

Writer: Barry Windsor-Smith
Artist: Barry Windsor-Smith
Marvel (March 1991 © 1991 Marvel Entertainment Group, Inc.)

Serialized over 13 issues of this anthology title, Windsor-Smith's stunning flashback tale reveals that adamantium was bonded to Wolverine's bones in a Canadian government project to turn people into living weapons.

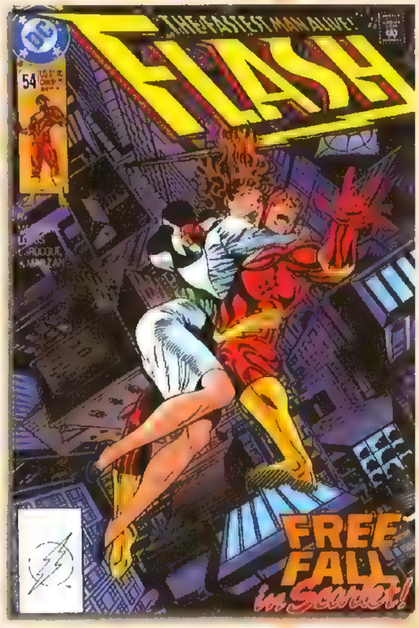


Upton Sinclair
The Jungle
Adapted by
Peter Kuper

Classics Illustrated #27: The Jungle

Writer: Peter Kuper
Artist: Peter Kuper
First (June 1991 © 1991 First Publishing, Inc.)

A brilliant adaptation by the versatile Kuper of the Upton Sinclair novel about corruption in the American meatpacking industry in the early 20th century. Kuper has drawn covers for Time *magazine and "Spy vs. Spy" for* Mad*.*

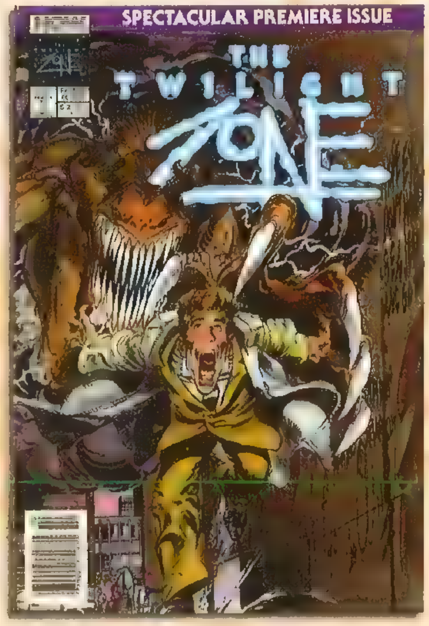


The Fastest Man Alive!
Flash
54
Free Fall in Scarlet!

Flash #54

Writer: William Messner-Loebs
Artists: Greg LaRocque, Jose Marzan Jr.
DC (September 1991 © 1991 DC Comics Inc.)

A stewardess is sucked out of an airplane, and The Flash (who can't fly, by the way) leaps after her. Done in one issue, "Nobody Dies" is a glorious affirmation of why optimistic super-hero comics still have something to say to us.



Spectacular Premiere Issue
The Twilight Zone

The Twilight Zone Premiere #1

Writer: Harlan Ellison
Artist: Neal Adams
Now (October 1991 © 1991 CBS Entertainment, Inc.)

A con man sells his soul to the devil, then enlists a slick mobster to help regain said soul. Adapted from the screenplay for a 1989 episode of **The Twilight Zone** *that starred Anthony Franciosa, it's the high point of this publisher's brief existence.*

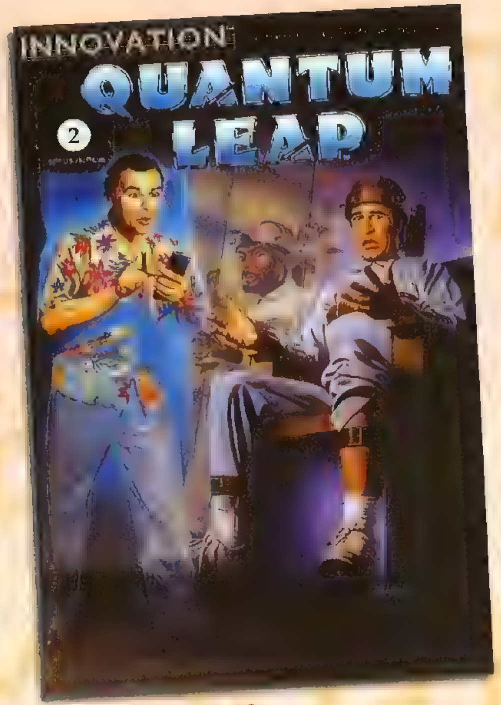
$2.95
No. 1
Bone
by Jeff Smith

Bone #1

Writer: Jeff Smith
Artist: Jeff Smith
Cartoon Books (July 1991 © 1991 Jeff Smith)

In this epic fantasy, three cousins have exciting adventures in a mysterious valley filled with terrors and wonders. Its 55 issues have been compiled into a magnificent 1,332-page volume, befitting one of the greatest graphic novels of all time.

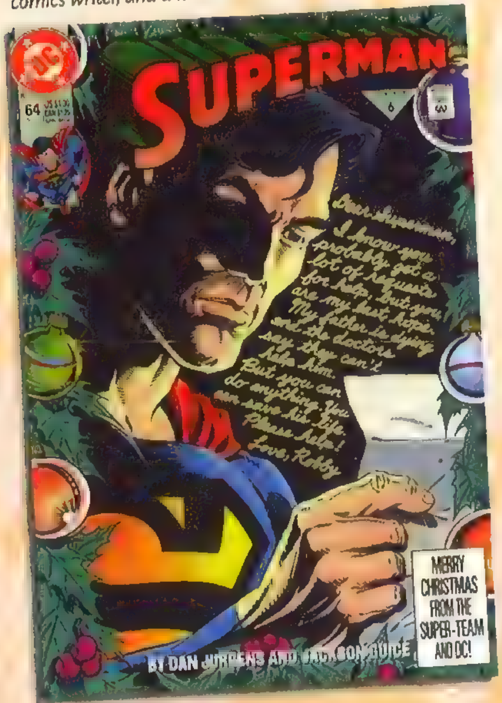


INNOVATION
QUANTUM LEAP
2

Quantum Leap #2

Writer: Bob Ingersoll
Artist: Rob Davis
Innovation (December 1991 © 1991 Universal City Studios, Inc. Other editorial material TM & © 1991 Innovative Corp.)

Based on the TV series, **Quantum Leap** *featured a time-lost scientist who leaps into the lives of others. In this story, he's a death-row convict who must somehow prevent a crime on the outside. The writer is an attorney, a comics writer, and a novelist.*



SUPERMAN
64
Dear Superman,
I know you probably get a lot of requests for help, but you are my last hope. My father is dying and the doctors say they can't help him.
But you can do anything. You can save his life.
Please help!
Love, Robby
MERRY CHRISTMAS FROM THE SUPER-TEAM AND DC!
BY DAN JURGENS AND JACKSON GUICE

Superman #64

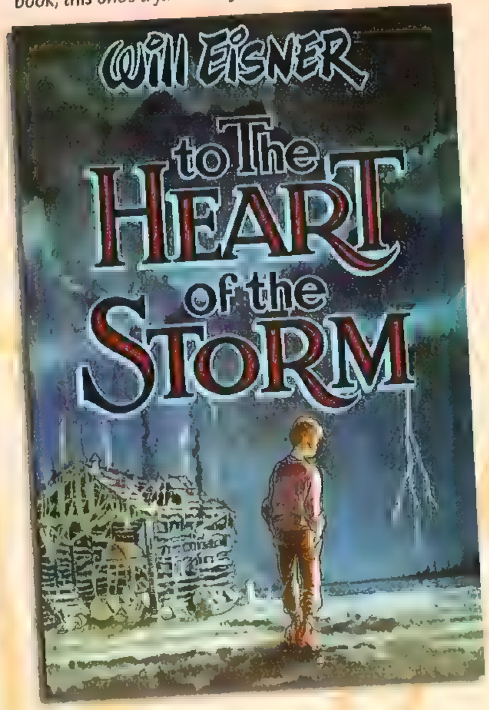
Writer: Dan Jurgens
Artist: Jackson Guide
DC (February 1992 © 1991 DC Comics Inc.)

Superman and Lois read his mail; then, the big guy flies off to make Christmas dreams come true for some of the folks who wrote him. An utterly heartwarming super-hero story then, and I'd like to see many more like it today.

To the Heart of the Storm

Writer: Will Eisner
Artist: Will Eisner
Kitchen Sink (1991 © 1991 Will Eisner)

A thinly disguised autobiographical graphic novel examines an era when America was heading toward war while struggling with its own ethnic, racial, and religious demons. Many Eisner works could be in this book; this one's a favorite of mine.

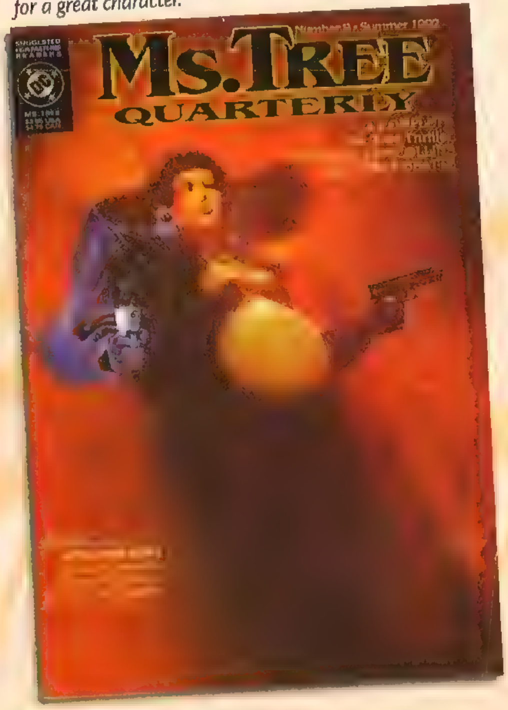


Will Eisner
to The HEART of the STORM

Ms. Tree Quarterly #8

Writer: Max Allan Collins
Artist: Terry Beatty
DC (Summer 1992 © 1992 Max Allan Collins and Terry Beatty)

After a long run at small publishers, Ms. Tree moved to DC Comics for eight double-sized issues. This final issue has a very pregnant Michael wrapping up old business before the birth of her baby. It was an excellent sign-off for a great character.



MS. TREE
QUARTERLY

The Demon #26-29

Writer: Dwayne McDuffie
Artists: Val Semeiks, Bob Smith
DC (August-November 1992 © 1992 DC Comics, Inc.)

In this hilariously satiric four-issue arc, Etrigan the Demon becomes involved in the 1992 presidential election. Stop snickering. It's not as if we haven't done worse! Depending on your political bent, these issues could explain a lot.

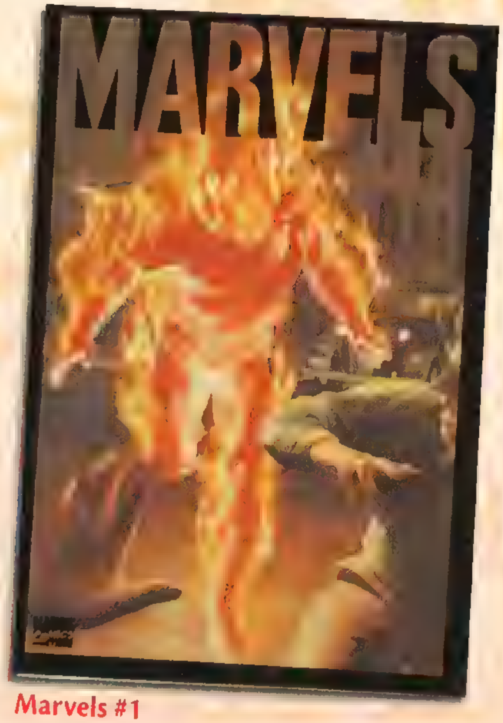
Satan's Six #4

Writer: Tony Isabella
Artists: John Cleary, Armando Gil
Topps (July 1993 © 1993 Jack Kirby; Wolff and Byrd © Batton Lash; Jason © 1993 New Line Cinema Corp; all other material © 1993 Topps Comics, Inc.)

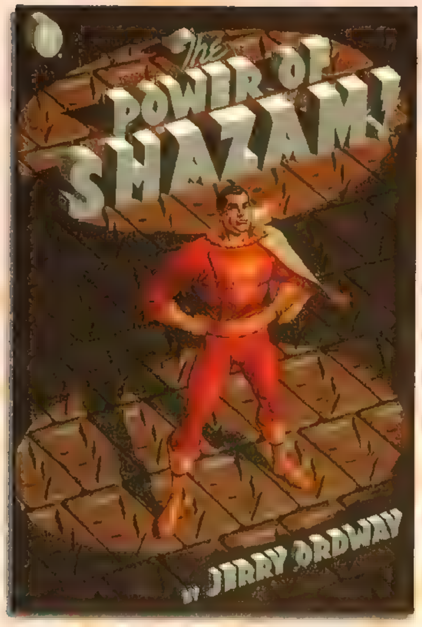
Created by the legendary Jack Kirby and developed by not-legendary me into an action-comedy, Satan's Six *was about lost souls trying to earn their place in Hell. They weren't very bright, they weren't really evil, but they sure were fun to write.*



Marvels #1

Writer: Kurt Busiek
Artist: Alex Ross
Marvel (January 1994 © 1993 Marvel Entertainment Group, Inc.)

Depicted through Ross' dramatic painted art, we see super-heroes and villains as seen by news photographer Phil Sheldon. The four-issue series poignantly presents an Everyman's perspective of the fantastic Marvel Universe.

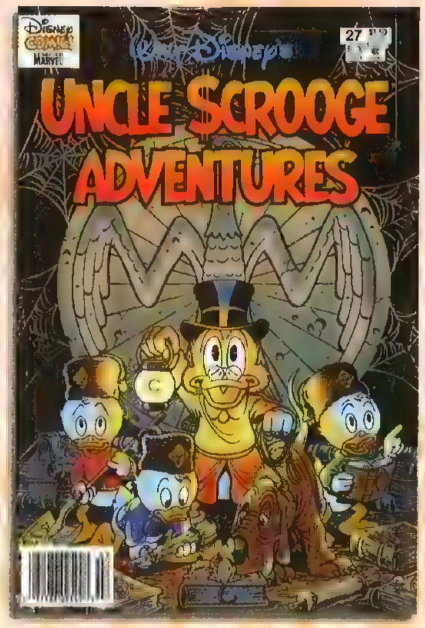


The POWER OF SHAZAM!
by JERRY ORDWAY

The Power of Shazam!

Writer: Jerry Ordway
Artist: Jerry Ordway
DC (January 1994 © 1994 DC Comics)

This hardcover graphic novel revamped Captain Marvel for the 1990s. Though not the lighthearted entertainment of the Golden Age, it was an exciting, heroic portrayal of the classic comics character with art as powerful as its story.

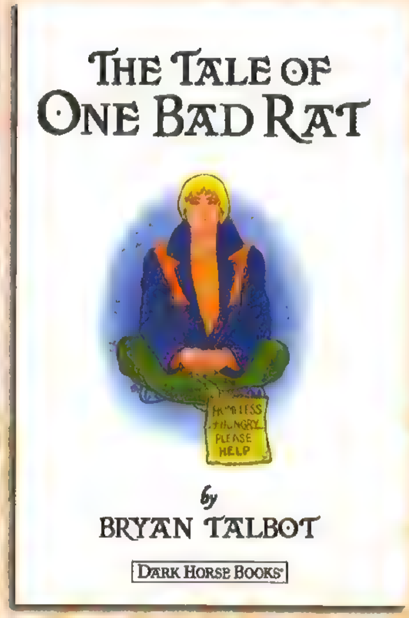


Walt Disney's
UNCLE SCROOGE ADVENTURES
27

Walt Disney's Uncle Scrooge Adventures #27

Writer: Don Rosa
Artist: Don Rosa
Gladstone (July 1994 © 1994 The Walt Disney Company)

Spanning the ages and the world, "Guardians of the Lost Library" is a rousing adventure centering on Scrooge's quest for knowledge and profit with a star turn for the Junior Woodchucks, the organization of which Huey, Dewey, and Louie are members.

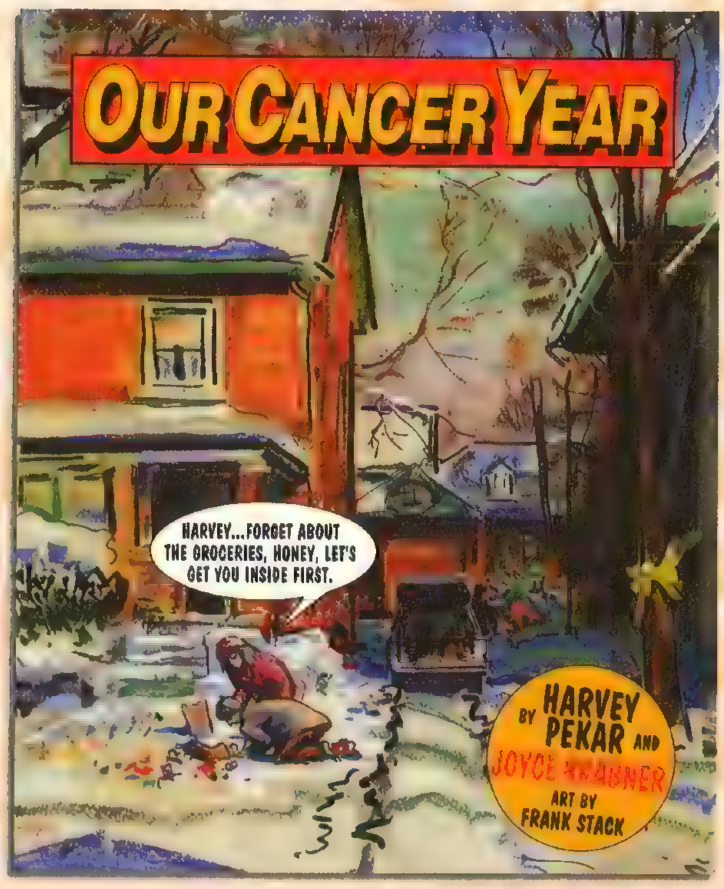


THE TALE OF ONE BAD RAT
HOMELESS HUNGRY PLEASE HELP
by BRYAN TALBOT
DARK HORSE BOOKS

The Tale of One Bad Rat #1

Writer: Bryan Talbot
Artist: Bryan Talbot
Dark Horse (October 1994 © Bryan Talbot)

Originally published as a four-issue mini-series, Talbot's quietly powerful graphic novel follows the journey of Helen Potter, a child-abuse victim and teenage runaway. The children's books of writer-artist Beatrix Potter play a key role in Helen's story.



OUR CANCER YEAR
HARVEY...FORGET ABOUT THE GROCERIES, HONEY, LET'S GET YOU INSIDE FIRST.
BY HARVEY PEKAR AND JOYCE BRABNER
ART BY FRANK STACK

> ...his battle against cancer as shared by his wife...

Our Cancer Year

Writers: Joyce Brabner, Harvey Pekar
Artist: Frank Stack
Publisher (October 1994 © 1994 Joyce Brabner and Harvey Pekar)

Pekar's first book-length comic book is an account of his battle against cancer as shared by his wife, Joyce. Their struggle is framed by the year's events, which include Desert Storm. It's an incredible work, one of the best graphic novels of any year.

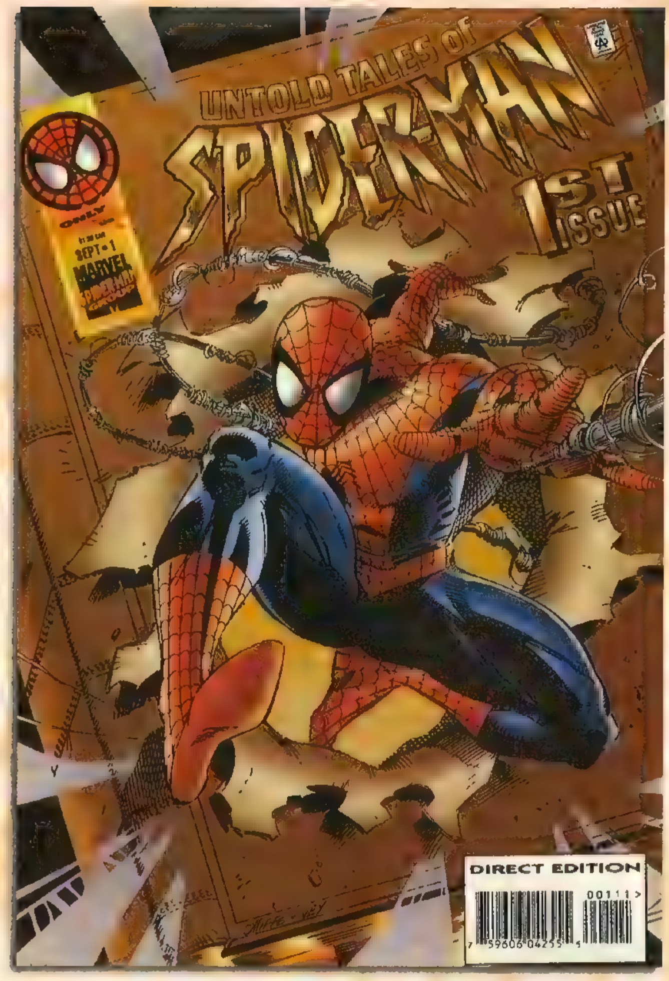
KURT BUSIEK'S
ASTRO CITY
image
BUSIEK • ANDERSON • ROSS

Kurt Busiek's Astro City #1

Writer: Kurt Busiek
Artist: Brent Anderson
Image (August 1995 © 1995 Juke Box Productions)

Astro City features a variety of characters, both human and super-human, in stories told from many perspectives and addressing many genre themes. Brilliantly written, beautifully drawn, it's one of the best super-hero comics of all time.

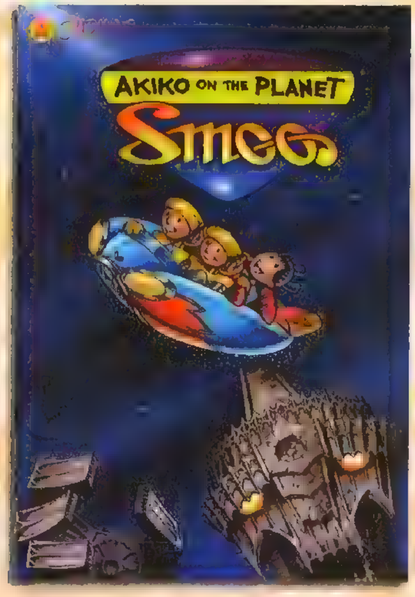


Untold Tales of Spider-Man #1

Writer: Kurt Busiek
Artists: Pat Olliffe, Al Vey
Marvel (September 1995 © 1995 Marvel Entertainment Group, Inc.)

This 25-issue series presented new Spider-Man stories set in the early years of his career and taking place between his previously published adventures. Despite its low 99¢ price tag, this title never achieved the commercial success it deserved.

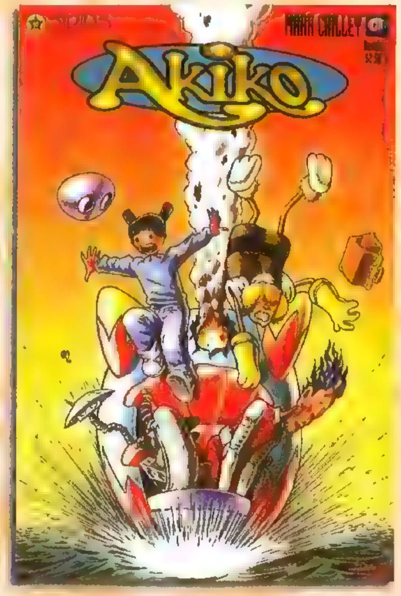
...this title never achieved the commercial success it deserved.



Akiko on the Planet Smoo #1

Writer: Mark Crilley
Artist: Mark Crilley
Sirius (December 1995 © 1995 Mark Crilley)

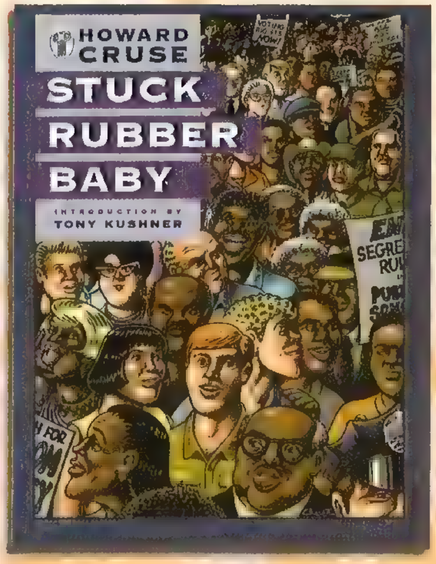
A 10-year old girl is whisked away to a distant world to rescue its kidnapped prince. Filled with exciting action, great characters, science-fiction wonderment, and laugh-out-loud humor, it's a terrific comic book for kids of all ages.



Akiko #1

Writer: Mark Crilley
Artist: Mark Crilley
Sirius (March 1996 © 1995 Mark Crilley)

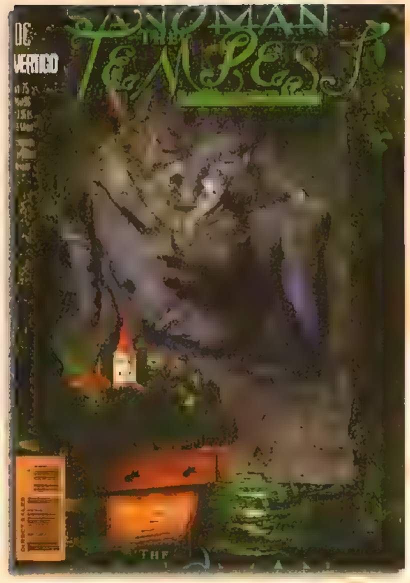
The ongoing series kicked off with "The Menace of Alia Rellapor," an 18-issue epic. As each issue came out, I would read it with/to my son Eddie and daughter Kelly. Those times may be favorites in a lifetime of loving comic books.



Stuck Rubber Baby

Writer: Howard Cruse
Artist: Howard Cruse
DC/Paradox (1995 © 1995 Howard Cruse)

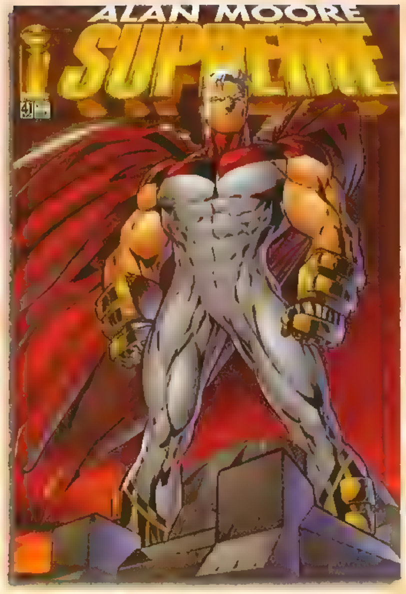
Set in Alabama, this outstanding coming-of-age graphic novel tells of a young white man from a working-class background who struggles to accept his homosexuality while rejecting the racism around him. One of the most moving comics of all.



The Sandman #75

Writer: Neil Gaiman
Artist: Charles Vess
DC/Vertigo (March 1996 © 1996 DC Comics)

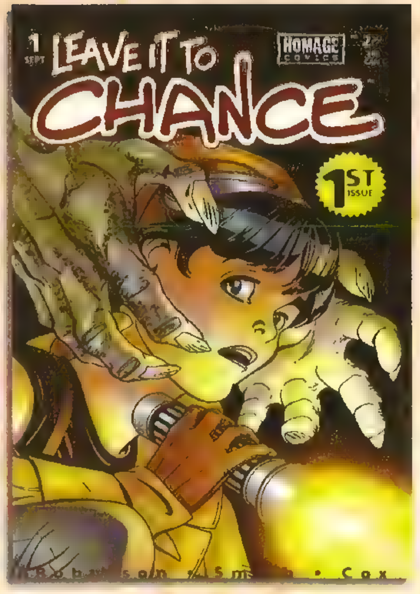
Once more with Shakespeare. For the finale of the ongoing series, Gaiman channels ***The Tempest*** *in a story that examines Morpheus/Dream intimately and echoes the play's themes of change, endings, and new beginnings. It's a curtain call that left me breathless.*



Supreme #41

Writer: Alan Moore
Artists: Joe Bennett, Norm Rapmund
Image (August 1996 © 1996 Rob Liefeld, Inc.)

It started out as a cheesy "Superman" knock-off, but, for the 12 issues written by Moore, ***Supreme*** *became a glorious, imaginative celebration of the "white hat" heroes with which Moore and readers of my generation had grown up.*

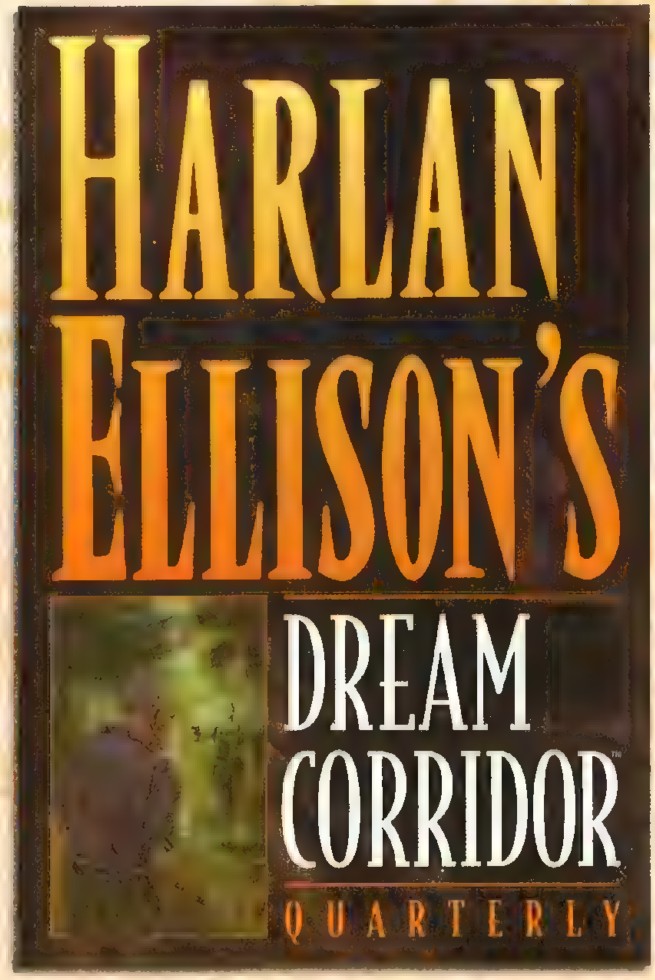


Leave It to Chance #1

Writer: James Robinson
Artist: Paul Smith
Image/Homage (October 1996 © 1996 James Robinson and Paul Smith)

1996 was a good year for adventurous girls. Chance Falconer, the daughter of a famous paranormal investigator and owner of a pet dragon, appeared in 13 wonderful issues over a four-year-span. The title has won several industry awards.

An anthology featuring Ellison as its host...



Harlan Ellison's Dream Corridor Quarterly #1

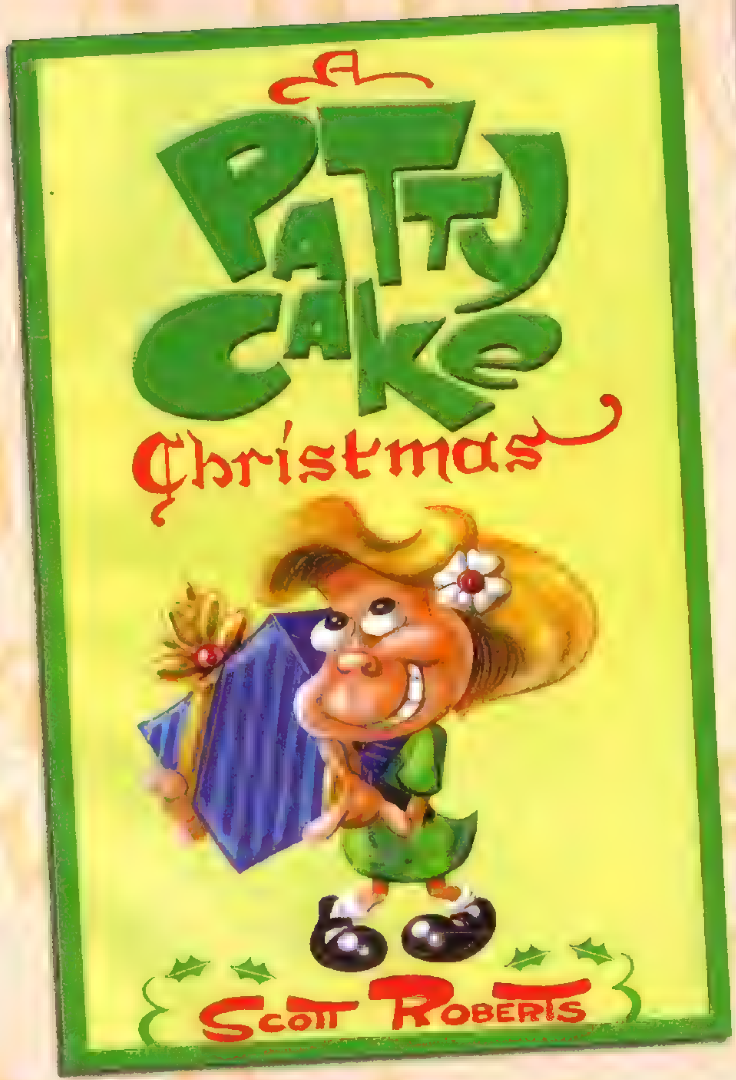
Road to Perdition

Writer: Max Allan Collins
Artist: Richard Piers Rayner
DC/Paradox/Pocket Books (1998 Script © 1998 Max Allan Collins. Art © 1998 Richard Piers Rayner)

This sensational graphic novel is the American counterpart to **Lone Wolf and Cub** *with a Depression-era hitman and his young son seeking revenge on the mob that betrayed them. It was made into a 2002 film starring Tom Hanks and Paul Newman.*

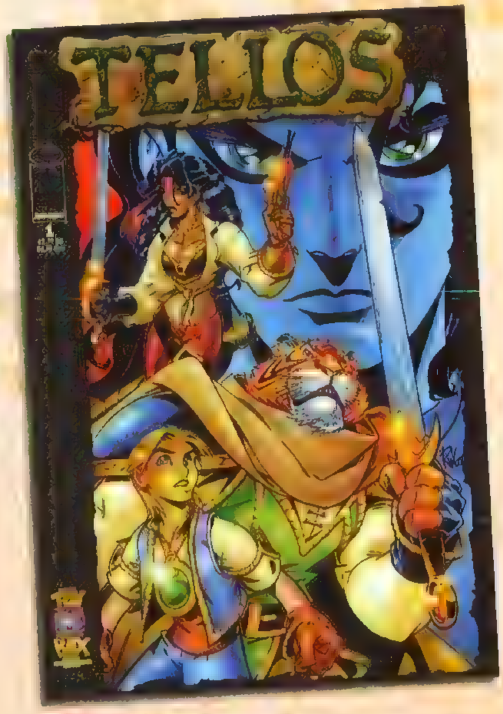


A
PATTY CAKE
Christmas
SCOTT ROBERTS

A Patty Cake Christmas

Writer: Scott Roberts
Artist: Scott Roberts
Permanent Press (1999 © 1996, 1999 Scott Roberts)

Originally published in 1996, this extended version is a Christmas classic, eliciting laughs and tears as it examines that vast chasm between what kids want and what they get. In the "comics about kids" genre, **Patty Cake** *is among the best.*



Tellos #1

Writer: Todd Dezago
Artists: Mike Wieringo, Nathan Massengill
Image (May 1999 © 1999 Todd Dezago and Mike Wieringo)

An imaginative fantasy series starring a young boy, his half-tiger companion, and a supporting cast that includes a genie, a dragon, a pirate fox, and others. Though only 13 issues were published, it remains a much-loved comic book.

THE NEW MILLENNIUM

CHAPTER EIGHT

The comic-book industry entered the new millennium bruised but not beaten. After all, the heroes in our stories often fought their way back from defeat. Why couldn't the industry do the same?

Marvel came back the strongest, buoyed by the tremendous success of its X-Men and Spider-Man movie franchises and decent returns on a score of other animated features, cartoons, and films. Nor did it neglect the comic books that fed this success: starting a new line of "Ultimate" recreations of its most popular titles; bringing in top comics talent to revitalize its core characters; hiring such high-profile screenwriters as Kevin Smith and J. Michael Straczynski to write *Daredevil, Amazing Spider-Man* and others; and committing to company-wide storylines that would have lasting consequences for the Marvel Universe.

DC had good days in Hollywood, as well. *Smallville*, a TV series that centered on Clark Kent before he donned his familiar tights and cape, has done well for several years, as have cartoons featuring Batman, The Justice League, and The Teen Titans. Most importantly, the Batman movie franchise was successfully relaunched with *Batman Begins* and set records with *The Dark Knight*. On the comics front, DC continued to publish a stunning array of titles for all ages and in nearly every conceivable genre.

Other publishers survived and even flourished. Dark Horse had some of the most valuable licenses in comics: *Star Wars, Aliens, Buffy the Vampire Slayer*. Image began to rival DC for variety, publishing mostly titles owned by its creators. Fantagraphics continued to be the leading publisher of alternative comics while also bringing classic comics collections and informative comics histories to the market. New publishers entered the field, and some of them — Boom! Studios, Devil's Due, and IDW — became strong players in the field.

Some existing publishers continued to add to the growing variety in the field, while others, both old and new, became casualties of the increased competition or their own poor business plans.

Marvel, DC, and most of the major publishers ramped up their trade-paperback and hardcover publishing programs. You could find impressive "graphic novels" sections in most chain and independent bookstores.

The biggest bookstore competition for American comics publishers came from Japan, with hundreds of translated-to-English *manga* series being sold to young and overwhelmingly female readers in convenient paperback formats. However large the "graphic novel" section in most bookstores, the "manga" section was usually two or three times as large by mid-decade.

Hollywood continued to consider the comics industry as its personal research and development department. Hundreds of comics properties were optioned for movies, cartoons, and television in recent years with more announced on a nigh-weekly basis.

One could argue, as I do, that this decade is the *genuine* "Golden Age of Comics." There are lots of great comics in lots of different genres. There are terrific reprints of classic and not-so-classic comics. There are comics coming to America from Britain, Europe, Japan, and around the world. There are books and magazines devoted to the history of comics and the creators of those comics. There are nigh-countless cartoons, movies and TV shows based on comics, including more *anime* from Japan than you could shake a samurai at. There are action figures, high-end sculptures, role-playing games, trading cards, and so many other wondrous comics-related items that not even Scrooge McDuck could build a vault big enough to hold them all. Diamond Comic Distributors' *Previews* catalog generally weighs in at 400 pages every month. I can't think of a better time to be a comics fan.

Welcome to the new millennium …

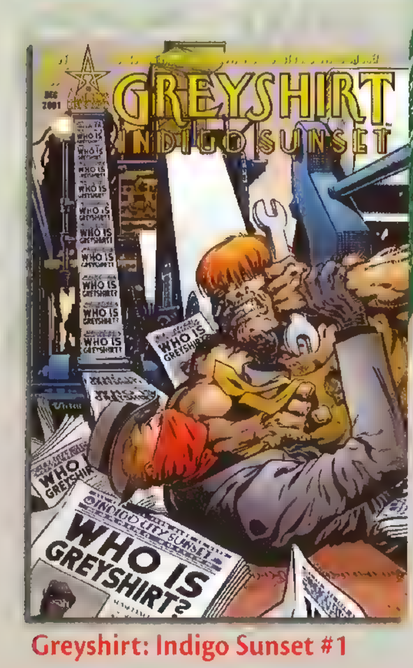
Stan Lee's
BATMAN
Stan Lee and Joe Kubert creating Batman

Just Imagine Stan Lee with Joe Kubert Creating Batman

Writer: Stan Lee
Artist: Joe Kubert
DC (September 2001 © 2001 DC Comics)

Marvel's Stan Lee re-imagined DC's heroes in 12 one-shots. Based on a concept by Michael Uslan, the specials were drawn by some of the best artists in comics: John Buscema, Jim Lee, Dave Gibbons, Walter Simonson, John Cassaday, and others. This one, of course, is drawn by Joe Kubert.

> ...the specials were drawn by some of the best artists in comics.

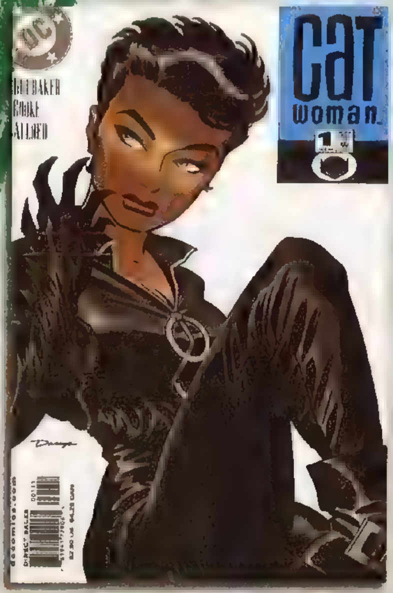


GREYSHIRT
INDIGO SUNSET
WHO IS GREYSHIRT?

Greyshirt: Indigo Sunset #1

Writer: Rick Veitch
Artist: Rick Veitch
DC/America's Best Comics (December 2001 © 2001 America's Best Comics, LLC.)

Co-created by Alan Moore, this character is partly a take on Will Eisner's Spirit and partly a pastiche of comics and pulp costumed detectives in general. This six-issue series explores Greyshirt's origins and the world in which he operates.



DC
BRUBAKER
COOKE
ALLRED
CAT woman
1

Catwoman #1-4

Writer: Ed Brubaker
Artists: Darwyn Cooke, Mike Allred
DC (January-April, 2002 © 2002 DC Comics)

Catwoman sorts out her place in the world and her relationship with Batman while tracking whoever is killing Gotham City prostitutes. Her actions and her reactions always ring true in one of the best portrayals of the character ever.

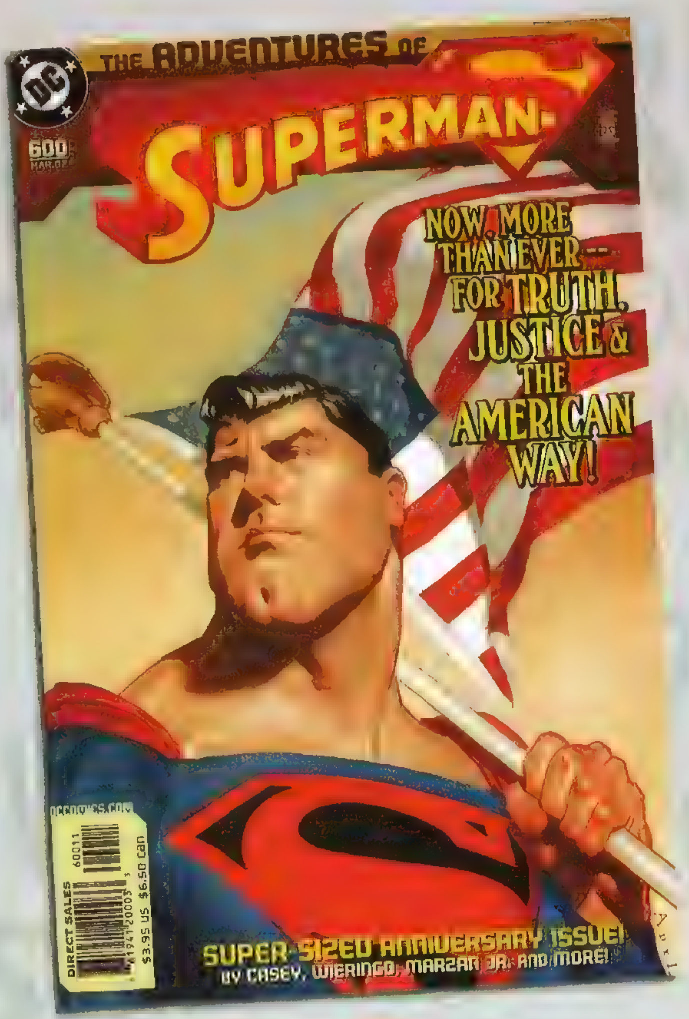
HANNA

The Amazing Spider-Man Vol. 2 #38

Writer: J. Michael Straczynski
Artists: John Romita, Jr., Scott Hanna
Marvel (February 2002 © 2002 Marvel Characters, Inc.)

May Parker has learned her nephew Peter is Spider-Man. What follows in this issue is "The Conversation," a landmark story redefining the characters and their abiding love and respect for one another. This was a Spider-Man I could believe in.

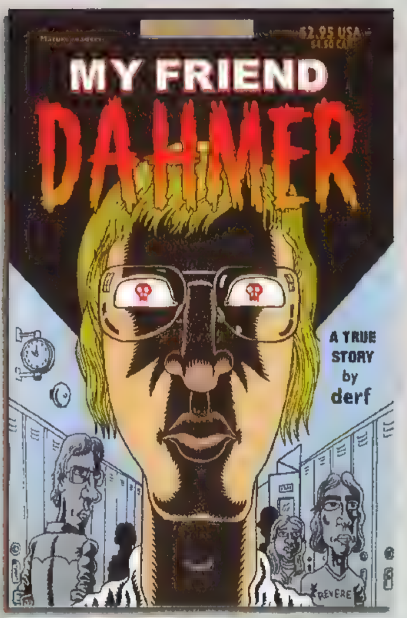


THE ADVENTURES OF
SUPERMAN
600
NOW, MORE THAN EVER— FOR TRUTH, JUSTICE & THE AMERICAN WAY!
SUPER-SIZED ANNIVERSARY ISSUE!
BY CASEY, WIERINGO, MARZAN JR. AND MORE!

Adventures of Superman #600

Writer: Joe Casey
Artists: Mike Wieringo, Jose Marzan Jr.
DC (March 2002 © 2002 DC Comics)

This anniversary issue, set during the period when Lex Luthor was president, contrasts the respective ideologies of Superman and his foe, gives wonderful moments to the supporting cast, and delivers both an exciting story and a satisfying ending.



MY FRIEND
DAHMER
A TRUE STORY by derf

Young Jeffrey Dahmer

Writer: Derf
Artist: Derf
SLG Publishing (March 2002 © John Backderf)

Cartoonist John Backderf lived in a farm town south of Cleveland and attended high school with serial-killer-to-be Jeffrey Dahmer. This amazing "I-knew-him-when" comic book recounts the events of those years in a non-sensationalistic, but still chilling, manner.

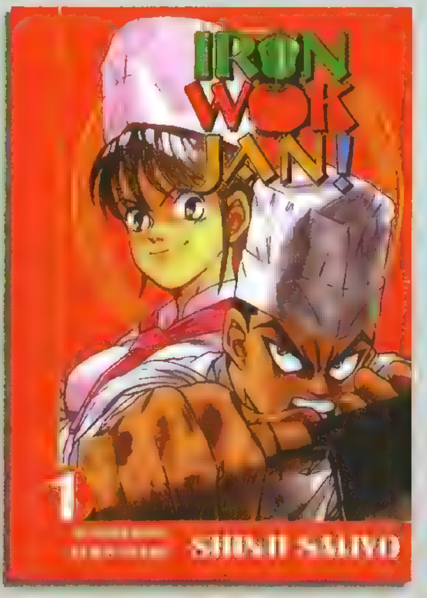
Bongo Comics Presents Radioactive Man #6

Writer: Batton Lash
Artists: Dan DeCarlo, Bob Smith
Bongo (October 2002 © 2002 Bongo Entertainment, Inc. The Simpsons © Twentieth Century Fox Film Corporation)

Bart Simpson's favorite super-hero stars in this wonderful homage to the Gold Key comics of the 1960s. This issue is numbered #106 on the cover and dated November 1963 and is one of several issues saluting the comic books of the past.



IRON WOK JAN!
1
SHINJI SAIJYO

Iron Wok Jan Volume 1

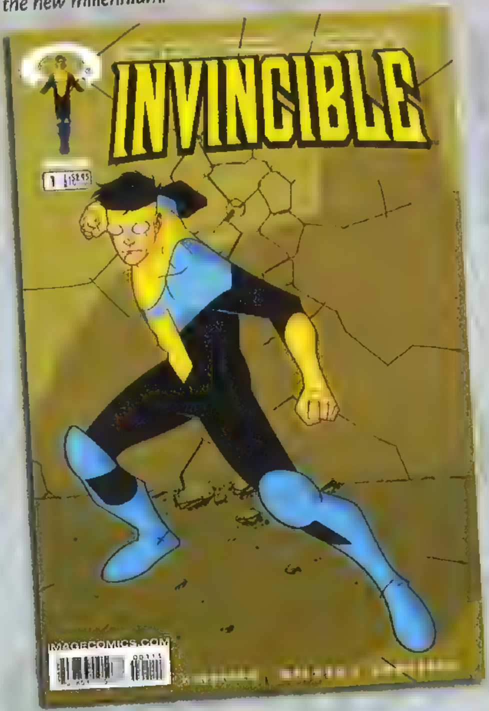
Writer: Shinji Saijyo
Artist: Shinji Saijyo
ComicsOne (December 2002 Tetsunabe no Jan! 1 © 1995 Shinji Saijyo. English translation 2002 © ComicsOne, Corp.)

A tale of two chefs: Jan Akiyama, grandson of a legendary master, and Kiriko Gobancho, granddaughter of the owner of the restaurant where they work. It's a delectable mix of characterization, exotic recipes, and good old-fashioned soap-opera intrigue.

Invincible #1

Writer: Robert Kirkman
Artist: Cory Walker
Image (January 2003 © 2003 Robert Kirkman and Cory Walker)

What if Superman had a son? That's where this fresh take on classic super-hero themes starts, but there are shocking surprises to go with the cool new characters, exciting action, and compelling human drama. A great super-hero for the new millennium.



INVINCIBLE
IMAGECOMICS.COM

Batgirl Year One #1

Writer: Scott Beatty, Chuck Dixon
Artists: Marcos Martin, Alvaro Lopez
DC (February 2003 © 2003 DC Comics)

First of nine issues. While not all (or many) DC retcons have been creatively successful, this blast from the past seamlessly merges the classic with the contemporary and tells a whopping good story along the way.

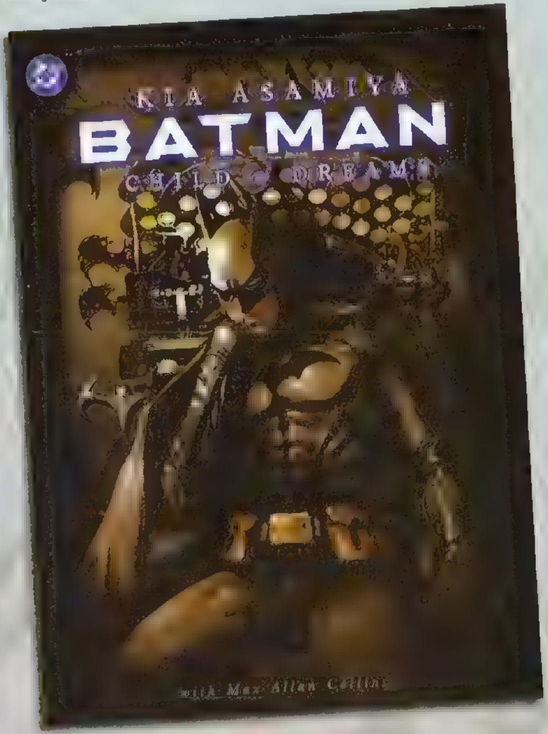
TRUTH
RED WHITE & BLACK
ROBERT MORALES
THE FUTURE
PART 1 OF VI

Truth: Red, White, and Black #1

Writer: Robert Morales
Artist: Kyle Baker
Marvel (January 2003 © Marvel Characters, Inc.)

In this controversial seven-issue series, African-American soldiers are subjects in an effort to re-create the super-serum that created Captain America. It echoes the contemptible Tuskegee Experiments conducted by the Public Health Service from 1942 to 1972.

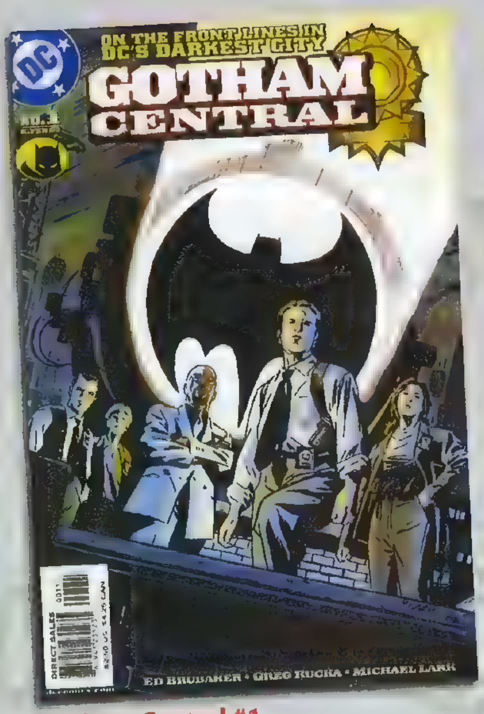


KIA ASAMIYA
BATMAN
CHILD OF DREAMS
with Max Allan Collins

Batman: Child of Dreams

Writers: Kia Asamiya, Max Allan Collins
Artists: Kia Asamiya, Dan Nakrosis
DC (February 2003 © 2003 DC Comics)

If you could be anyone, who would you be? That's the core question asked of virtually every character in this thrilling graphic novel that takes Batman to Tokyo to stop the spread of a deadly new drug that allows users to shapeshift into anyone.

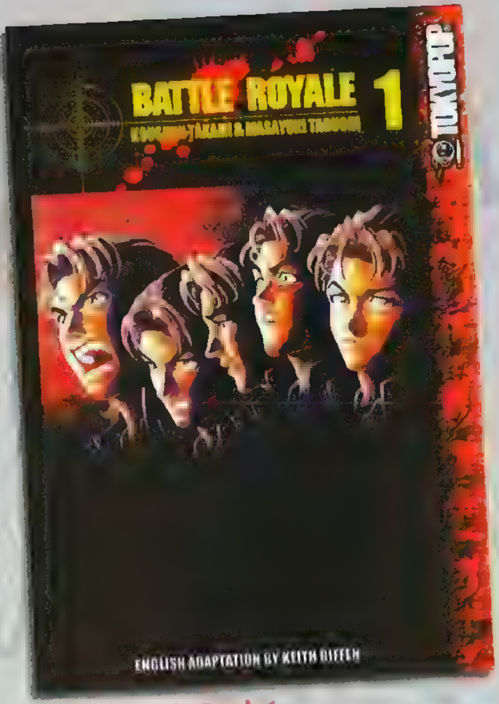


DC
ON THE FRONT LINES IN DC'S DARKEST CITY
GOTHAM CENTRAL
ED BRUBAKER · GREG RUCKA · MICHAEL LARK

Gotham Central #1

Writers: Ed Brubaker, Greg Rucka
Artist: Michael Lark
DC (Early February 2003 © 2003 DC Comics)

An outstanding police procedural set in Gotham City in and around Batman's activities, but with few appearances by The Dark Knight. It was critically acclaimed but suffered from poor sales. It ran 40 issues before cancellation.

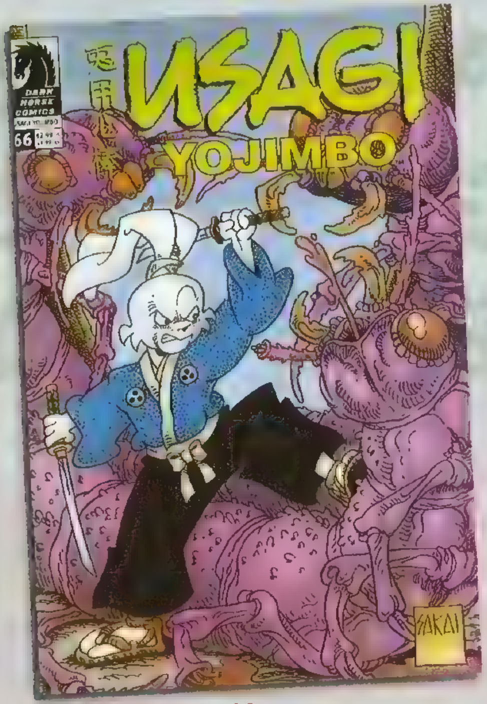


BATTLE ROYALE 1
KOUSHUN TAKAMI & MASAYUKI TAGUCHI
TOKYOPOP
ENGLISH ADAPTATION BY KEITH GIFFEN

Battle Royale Book 1

Writer: Koushun Takami
Artist: Masayuki Taguchi
Toykopop (May 2003 © 2000 Koushun Takami/Masayuki Taguchi English text © 2003 Tokyopop Inc.)

Reality TV turns monstrous, as 42 high-school students are kidnapped to an island where they must kill or be killed because there can only be one survivor. I think this may be the scariest comic, manga or otherwise, I've ever read.



DARK HORSE COMICS
66
USAGI YOJIMBO
SAKAI

Usagi Yojimbo #66

Writer: Stan Sakai
Artist: Stan Sakai
Dark Horse (May 2003 © 2003 Stan Sakai)

One of my all-time favorite comics characters stars in this three-issue homage to the giant monsters of Japanese movies, as a fiendish artist uses the blood of children to make the paint that brings his terrifying drawings to life.

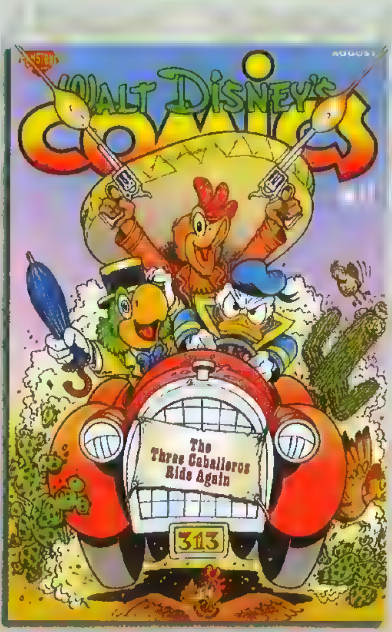
RUNAWAYS
DIRECT EDITION
VAUGHAN
ALPHONA
NEWBOLD

Runaways #1

Writer: Brian K. Vaughan
Artists: Adrian Alphona, Craig Yeung
Marvel (July 2003 © 2003 Marvel Characters, Inc.)

This series has one of the best concepts in comics: "At some point in their lives, all young people think their parents are evil ... but what if they really are?" Hence the running away and the start of a terrific new twist on super-hero comics.

> ...all young people think their parents are evil...

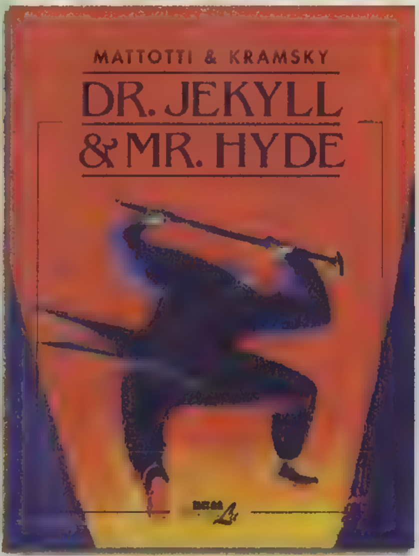


Walt Disney's Comics
The Three Caballeros Ride Again
313

Walt Disney's Comics and Stories #635-637

Writer: Don Rosa
Artist: Don Rosa
Gemstone (July-September 2003 © 2003 Disney Enterprises, Inc.)

In this three-issue sequel to Disney's 1944 animated film The Three Caballeros, Donald Duck's nephews attempt to lift their depressed uncle's spirits by reuniting him with his Latin American pals Jose Carioca and Panchito.

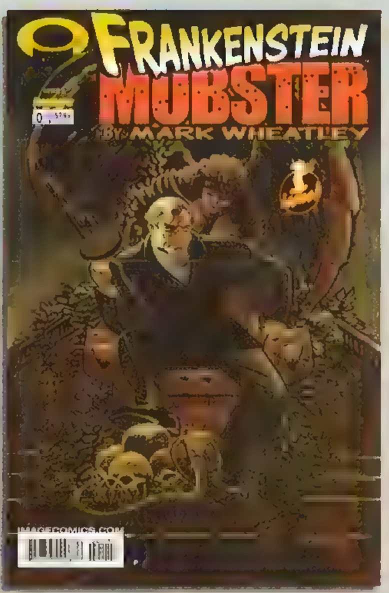


MATTOTTI & KRAMSKY
DR. JEKYLL & MR. HYDE
NBM

Dr. Jekyll & Mr. Hyde

Writer: Robert Louis Stevenson, Jerry Kramsky
Artist: Lorenzo Mattotti
NBM (September 2003 © 2002 Casterman © 2002 NBM for the English translation)

This near-psychedelic adaptation retains as much of the original prose as possible in its 64 pages. But what sells this version of the story is its dizzying depiction of the darkness that draws — and ultimately destroys — Henry Jekyll.



FRANKENSTEIN
MOBSTER
BY MARK WHEATLEY
IMAGECOMICS.COM

Frankenstein Mobster #0

Writer: Mark Wheatley
Artist: Mark Wheatley
Image (October 2003 © 2003 Mark Wheatley)

This prelude to the story of the late Terry Todd and his hard-as-nails daughter is more than a monsters-and-gangsters thriller. It's a relationship story, it's the story of an oppressed people, and it's a terrific monsters-and-gangsters thriller.

Marvel 1602 #1

Writer: Neil Gaiman
Artists: Andy Kubert
Marvel (November 2003 © 2003 Marvel Characters, Inc.)

Familiar heroes and villains are coming into being centuries before their proper time, putting the universe itself at dire risk. With many surprises, this eight-issue series is brilliantly written and boasts splendid visuals worthy of that brilliance.

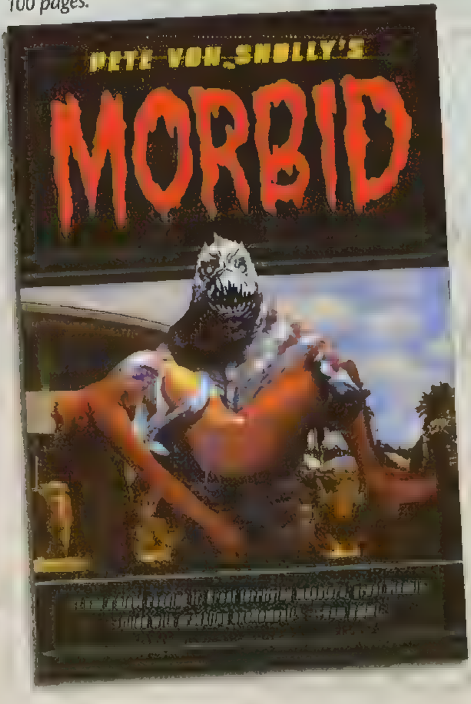
MARVEL MK

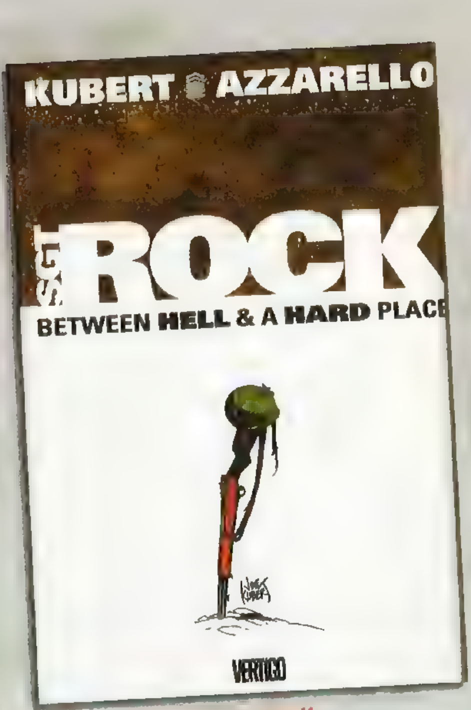
Pete Von Sholly's Morbid

Writer: Pete Von Sholly
Artist: Pete Von Sholly
Dark Horse (November 2003 © Pete Von Sholly)

Von Sholly brings "fumetti" into the new millennium with computer-generated effects and a wacky spin born of his love for "B" movies and Lovecraftian horror. This collection squeezes a dozen stories into its 100 pages.



PETE VON SHOLLY'S
MORBID

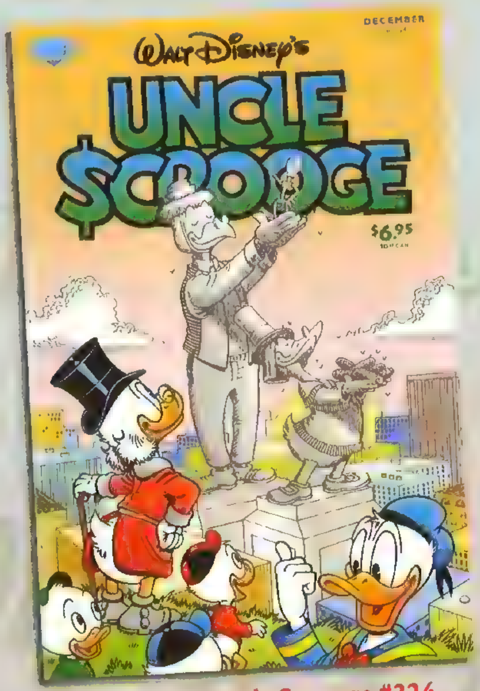


KUBERT AZZARELLO
SGT. ROCK
BETWEEN HELL & A HARD PLACE
VERTIGO

Sgt. Rock: Between Hell and a Hard Place

Writer: Brian Azzarello
Artist: Joe Kubert
DC/Vertigo (November 2003 © 2003 DC Comics)

Azzarello is true to the classic Rock and adds intriguing layers to the "Combat-Happy Joes of Easy Company" in a gritty graphic novel that asks tough questions about morality. The art has all the power of Kubert's previous Rock work — and then some.

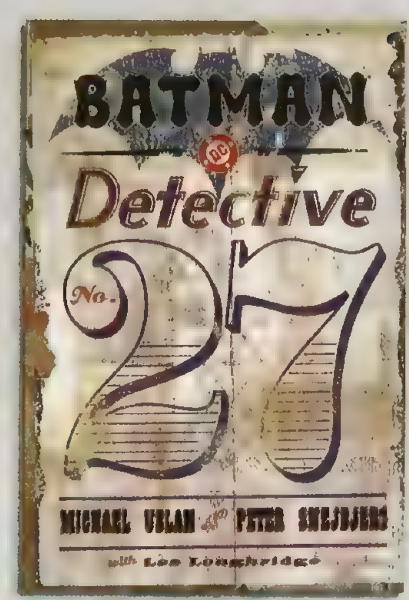


DECEMBER
Walt Disney's
UNCLE $CROOGE
$6.95

Walt Disney's Uncle Scrooge #324

Writer: Don Rosa
Artist: Don Rosa
Gemstone (November 2003 © 2003 Disney Enterprises, Inc.)

"Gyro's First Invention" reveals the master scientist was hired to save Scrooge's money from falling into the big hole under the money bin shown in "A Christmas for Shacktown." Which makes this story a sort of sequel to that classic tale.

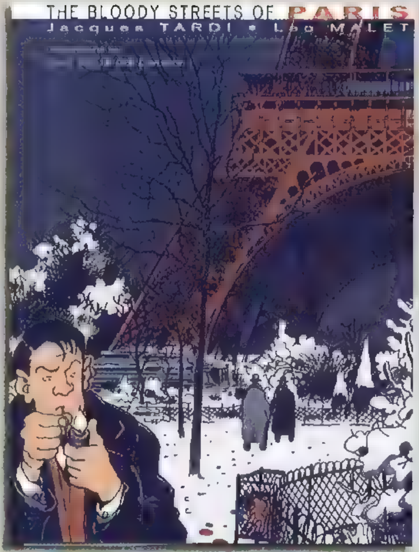


BATMAN
DC
Detective
No. 27
MICHAEL USLAN and PETER SNEJBJERG
with Lee Loughridge

Batman: Detective #27

Writer: Michael Uslan
Artist: Peter Snejbjerg
DC (December 2003 © 2003 DC Comics)

Set in 1939, this Elseworlds story stars a non-Batman Bruce Wayne who must defeat a 75-year-old plan to destroy Gotham. The mixing of historical figures with fictional characters adds an extra layer of delight to the tale.

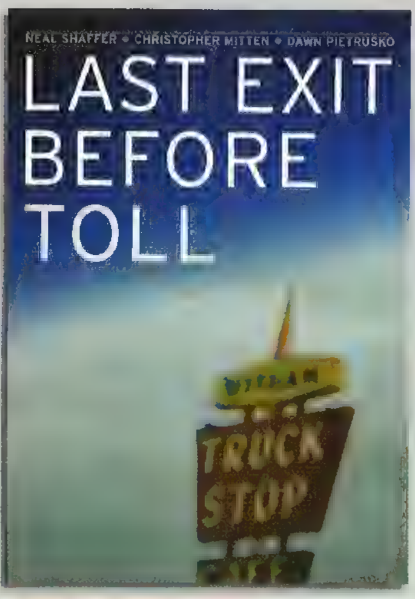


THE BLOODY STREETS OF PARIS
Jacques TARDI • Léo MALET

The Bloody Streets of Paris

Writers: Leo Malet, Jacques Tardi
Artist: Jacques Tardi
ibooks (December 2003 © 1996 and © 2002 Casterman)

A classic detective story set in the shadows of Nazi-held France, Tardi's adaptation of Malet's 1942 novel brought the characters to life while lacing the overall work with an overwhelmingly foreboding atmosphere. A page-turner from start to finish.



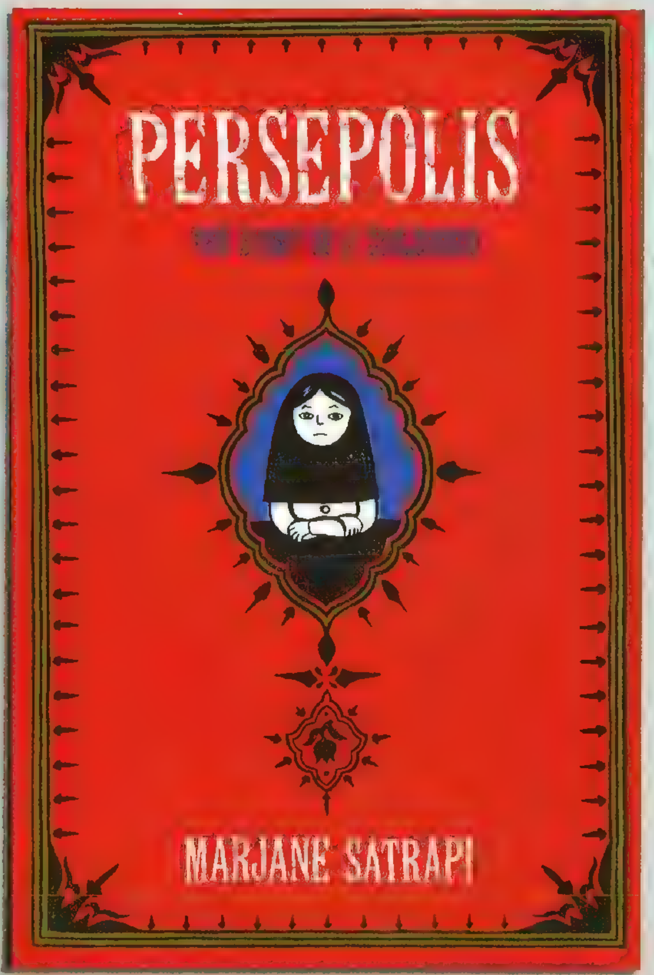
NEAL SHAFFER • CHRISTOPHER MITTEN • DAWN PIETRUSKO
LAST EXIT BEFORE TOLL
TRUCK STOP

Last Exit Before Toll

Writer: Neal Shaffer
Artists: Christopher Mitten, Dawn Pietrusko
Oni Press (2003 © 2003 Neal Shaffer)

He's got a good job and a loving family. But when Charles Pierce's car breaks down and leaves him stranded in a nameless rural town, he finds himself weighing the dissatisfaction of his current life with the possibilities of a new one.

> ...a stunning look at a culture alien to most Americans.



PERSEPOLIS
THE STORY OF A CHILDHOOD
MARJANE SATRAPI

Persepolis

Writer: Marjane Satrapi
Artist: Marjane Satrapi
Pantheon Books (2003 © 2003 L'Association, Paris, France)

Satrapi's internationally acclaimed autobiographical graphic novel relates her childhood in Iran during and after the revolution that drove the Shah from power. It offers a stunning look at a culture alien to most Americans.

COMMON GROUNDS

Yossel: April 19, 1943

Writer: Joe Kubert
Artist: Joe Kubert
ibooks (2003 © 2003 Joe Kubert)

In this black-and-white graphic novel, Kubert imagines what would have happened if his parents had remained in Poland and been there during the Holocaust. An almost-overwhelming work, it's one of only two comics that have ever brought tears to my eyes.

Kane Vol. 1: Greetings From New Eden

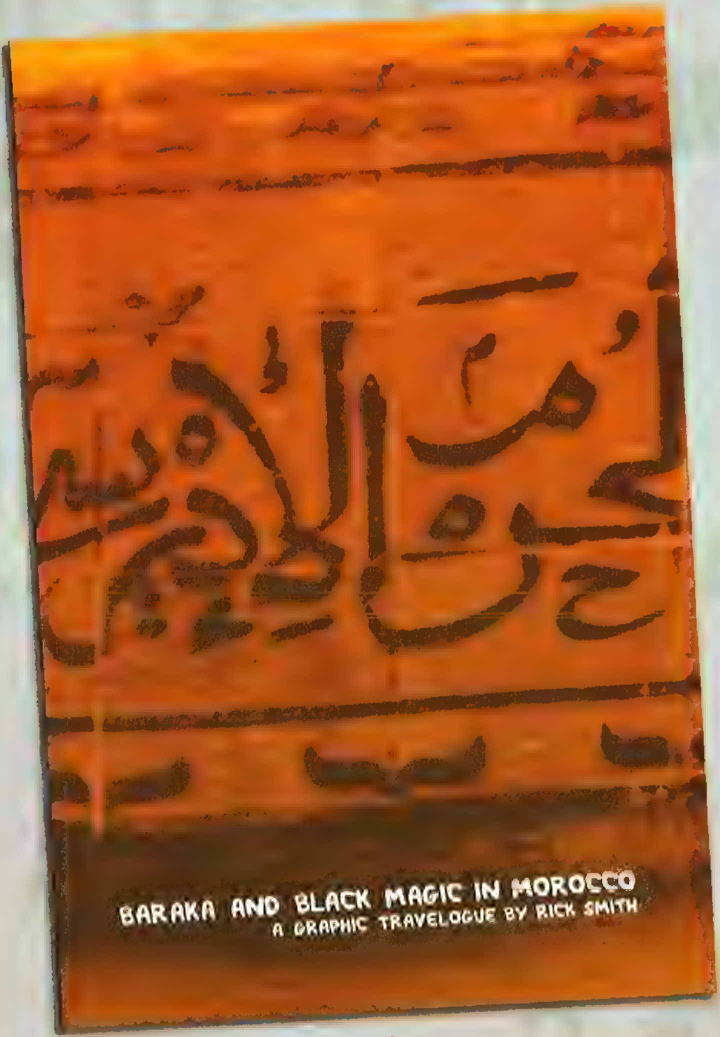
Writer: Paul Grist
Artist: Paul Grist
Image (January 2004 © 2004 Paul Grist)

Kane is a cop whose job is made more difficult by the corruption in his department. This trade paperback collects the first four issues of a sharp black-and-white mini-series that shows the influences of TV's **Hill Street Blues** *and* **NYPD Blue.**

Common Grounds #1

Writer: Troy Hickman
Artists: Dan Jurgens, Michael Avon Oeming
Image/Top Cow (February 2004 © 2004 Top Cow Productions Inc.)

It's a donut shop, but it's also a safe haven for super-heroes and super-villains. It's a social club, confessional, warm-and-gooey therapy for the metahuman soul ... and each story in this six-issue anthology is a small gem of great value.



BARAKA AND BLACK MAGIC IN MOROCCO
A GRAPHIC TRAVELOGUE BY RICK SMITH

Baraka and Black Magic in Morocco

Writer: Rick Smith
Artist: Rick Smith
Alternative Comics (March 2004 © 2003 Rick Smith)

This comics diary of Smith and his wife's October 2000 travels in Morocco mixes adventure with dread, the former urging them on and the latter reminding them how dangerous the Middle East has always been. It's an exceptional work.

$2.95 US / $3.75 CAN

Ultra #1-8

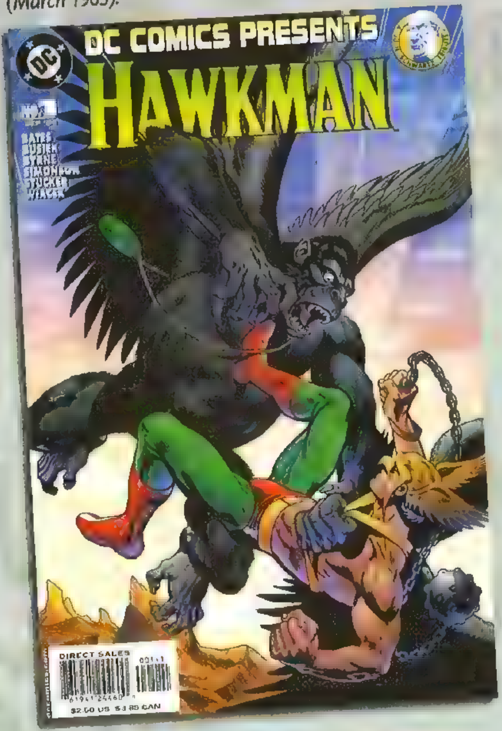
Writers: Joshua and Jonathan Luna
Artists: Joshua and Jonathan Luna
Image (August 2004 © 2004 Luna Brothers)

Heroines, Inc, a super-hero management company, represents Latina Pearl Penalosa. The eight-issue series focuses on her personal life but deals with the super-hero stuff, as well. It's a sharply written story with gorgeous art.

DC Comics Presents: Hawkman

Writers: Cary Bates, Kurt Busiek
Artists: John Byrne, Walt Simonson
DC (September 2004 © 2004 DC Comics)

*One of eight memorial tributes to Editor Julius Schwartz. To inspire his writers, the legendary editor would have them write stories around already-designed covers. The cover of this issue is based on that of **Hawkman** #6 (March 1965).*

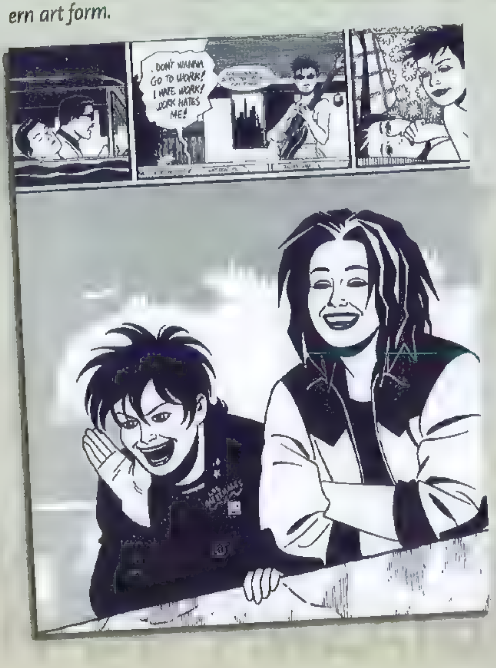


DC COMICS PRESENTS
HAWKMAN
BATES BUSIEK BYRNE SIMONSON

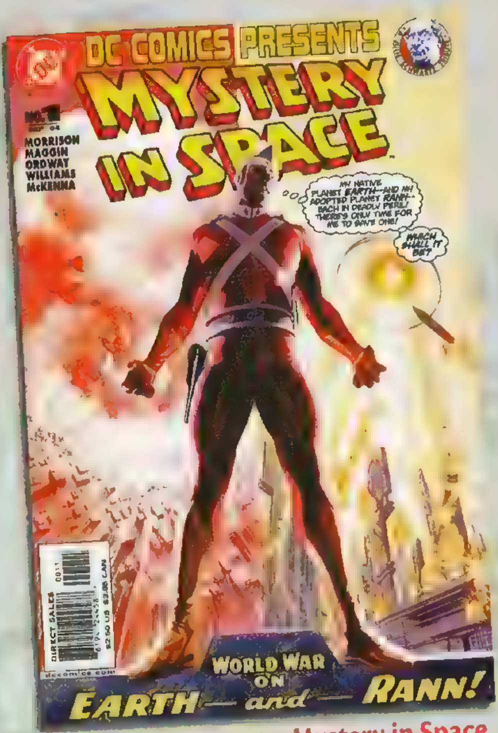
Locas: The Maggie and Hopey Stories

Writer: Jamie Hernandez
Artist: Jamie Hernandez
Fantagraphics Books (October 2004 © 2004 Fantagraphics Books, Jamie Hernandez)

We meet Maggie and Hopey as teen rockers and occasional lovers, watching them age and grow through life's adventures. This 712-page hardcover collects their **Love and Rockets** *stories, comics that helped defined the modern art form.*



DON'T WANNA GO TO WORK! I HATE WORK! WORK HATES ME!

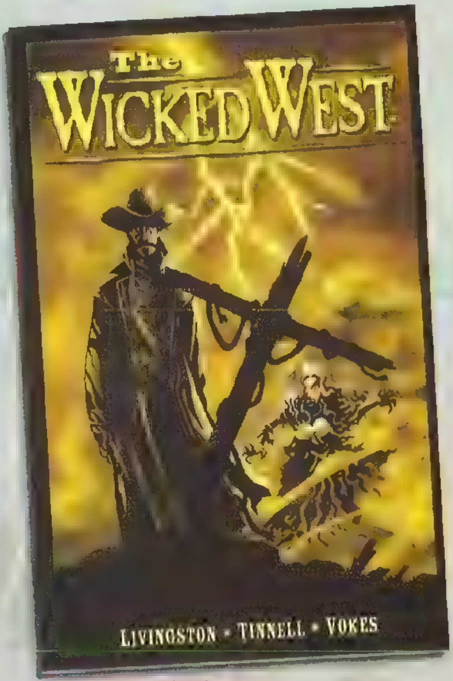


DC COMICS PRESENTS
MYSTERY IN SPACE
MORRISON MAGGIN ORDWAY WILLIAMS McKENNA
MY NATIVE PLANET EARTH—AND MY ADOPTED PLANET RANN—EACH IN DEADLY PERIL! THERE'S ONLY TIME FOR ME TO SAVE ONE!
WHICH SHALL IT BE?
WORLD WAR ON EARTH —and— RANN!

DC Comics Presents: Mystery in Space

Writers: Elliot S! Maggin, Grant Morrison
Artists: J.H. Williams III, Jerry Ordway
DC (September 2004 © 2004 DC Comics

The writers of this memorial one-shot live up to Editor Julius Schwartz's "Be Original" motto, with stories of power-hungry Earthmen coveting Rann's technology. The Alex Ross painting is based on the cover of **Mystery in Space** *#82 (March 1963).*

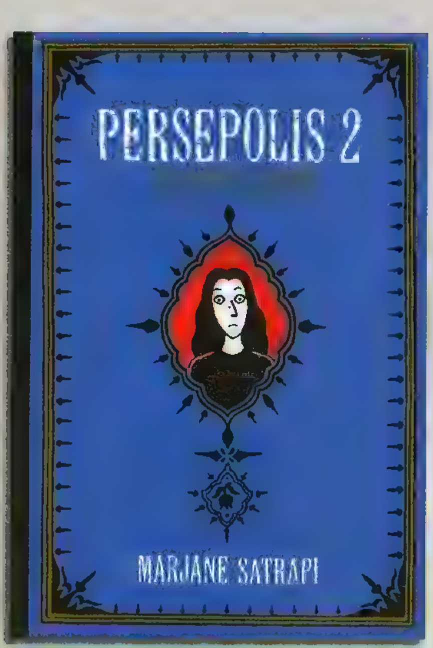


The WICKED WEST
LIVINGSTON • TINNELL • VOKES

The Wicked West

Writers: Todd Livingston, Robert Tinnell
Artist: Neil Vokes
Image (November 2004 © 2004 Todd Livingston, Robert Tinnell, and Neil Vokes)

This Old West chiller about a man with a past and a town oppressed by vampires would make a wonderful Saturday afternoon movie. It has the heady scent of real buttered popcorn, sticky candy, and Lord-knows-what crunching under your feet. I loved it!



PERSEPOLIS 2
MARJANE SATRAPI

Persepolis 2

Writer: Marjane Satrapi
Artist: Marjane Satrapi
Pantheon Books (2004 © 2002 and © 2003 L'Association, Paris, France; Translation © 2004 Anjali Singh)

This second graphic novel relates Satrapi's high-school years in Vienna and her return to Iran. As much a psychological history as it is an autobiography, it offers further oft-shocking insight into the lives of Iranian women.

Legion of Super-Heroes #1

Writer: Mark Waid
Artists: Barry Kitson, Mick Gray
DC (February 2005 © 2005 DC Comics)

The super-teens from the future have been rebooted and revamped on several occasions, but my favorite is this version: a world in which a youth movement rebels against the constraints of a society that has become hopelessly mired in its ways.

Black Panther #1-6

Writer: Reginald Hudlin
Artists: John Romita Jr., Klaus Janson
Marvel (April-September 2005 © 2005 Marvel Characters, Inc.)

Hudlin revises the history of the Panther and his native Wakanda as an unconquerable king and country who deal with the world on their own terms. The title is as controversial as it is exciting and one of the best comics of the decade.

MARVEL
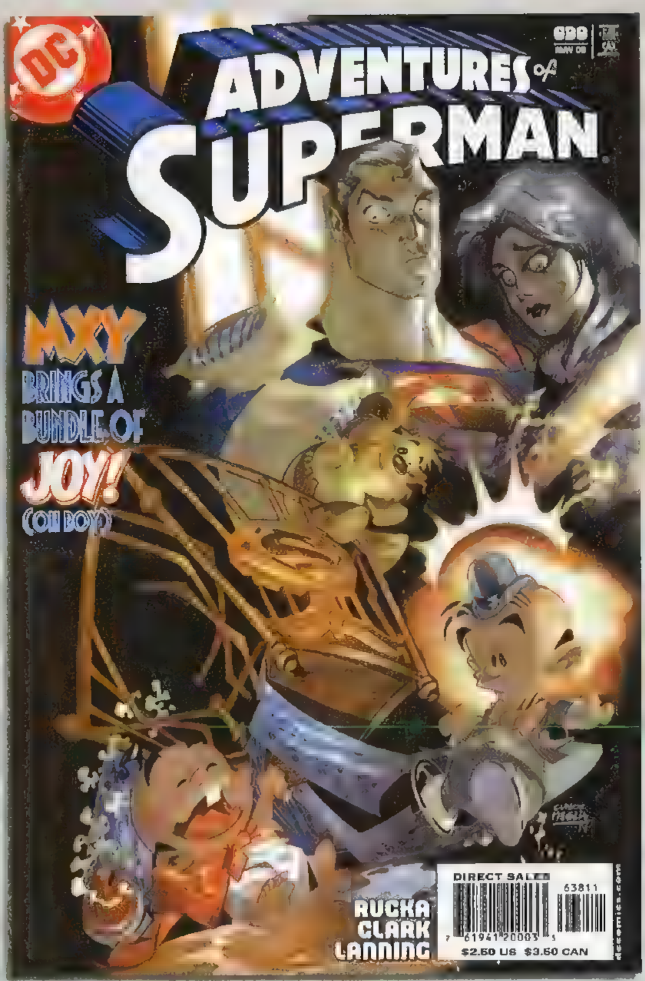
1
BLACK PANTHER
DIRECT EDITION

Daredevil: Redemption #1-6

Writer: David Hines
Artist: Michael Gaydos
Marvel (April-August 2005 © 2005 Marvel Characters, Inc.)

A legal thriller and murder mystery that will kick you in the guts. Matt Murdock travels to Alabama to defend an outcast teen accused of a savage murder. The script and art so evoke the human tragedy that it was sometimes painful to read these installments.



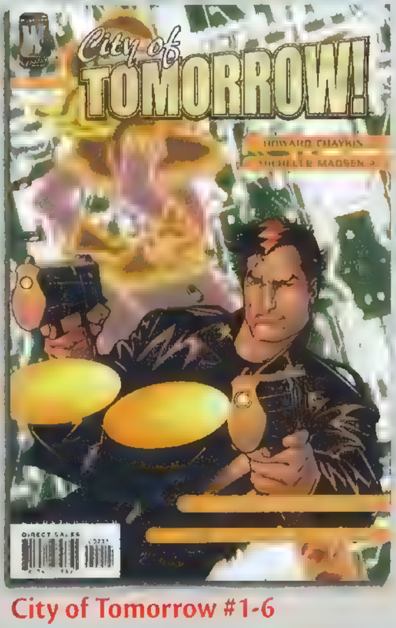
ADVENTURES of SUPERMAN
MXY BRINGS A BUNDLE OF JOY! (OH BOY!)
RUCKA CLARK LANNING

Adventures of Superman #638

Writer: Greg Rucka
Artists: Matthew Clark, Andy Lanning
DC (May 2005 © 2005 DC Comics)

In this heartwarming and magnificently wacky interlude, Mxyzptlk plays stork for Lois and Superman. He brings them a super-baby and skips merrily into the future to show them scenes of what could be their lives to come. A true feel-good comic.

...Mxyzptlk plays stork for Lois and Superman.

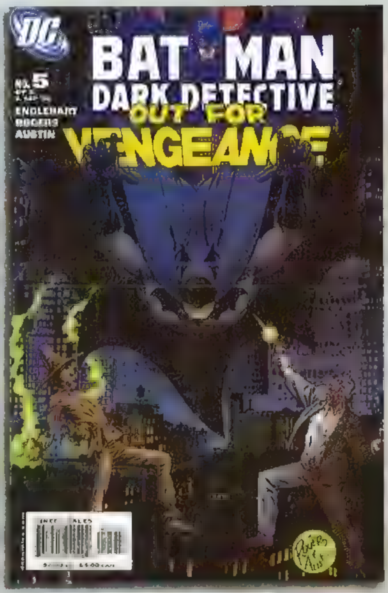


City of TOMORROW!
HOWARD CHAYKIN
MICHELLE MADSEN

City of Tomorrow #1-6

Writer: Howard Chaykin
Artist: Howard Chaykin
DC/Wildstorm (June-November 2005 © 2005 Howard Chaykin Inc.)

The city is a utopian community served by robots built to re-create a golden age of innocence that never existed. The "tomorrow" is a future America where terrorist attacks have allowed the government to amass and abuse great power. Sound familiar?

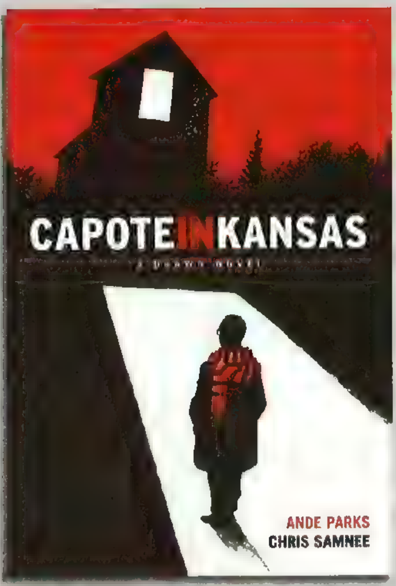


BATMAN DARK DETECTIVE
OUT FOR VENGEANCE
No. 5
ENGLEHART ROGERS AUSTIN

Batman: Dark Detective #1-6

Writer: Steve Englehart
Artists: Marshall Rogers, Terry Austin
DC (July-September 2005 © 2005 DC Comics)

The Joker runs for office with the slogan "Vote for me or I'll kill you!" A lost love reenters Bruce Wayne's life as the fiancée of an actual candidate. This six-issue series features the long-awaited reunion of a classic writer-artist team.

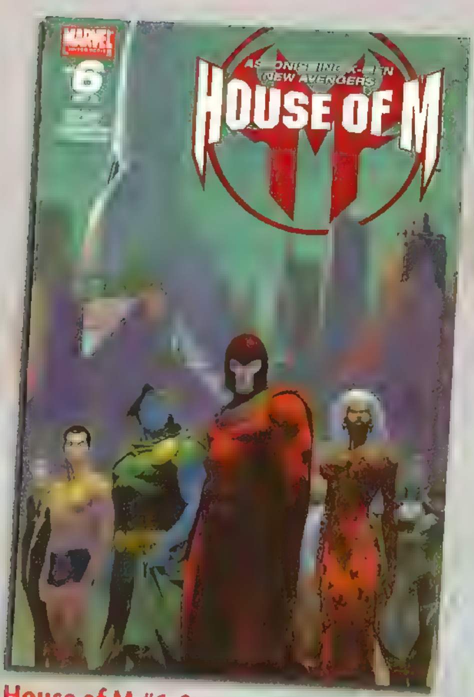


CAPOTE IN KANSAS
A DRAWN NOVEL
ANDE PARKS
CHRIS SAMNEE

Capote in Kansas

Writer: Ande Parks
Artist: Chris Samnee
Oni Press (July 2005 © 2005 Ande Parks)

Inspired by Capote's **In Cold Blood**, *this is a fictionalized account of his research into the 1959 murders of the Clutter family. With art that evokes the 1940s* **Crime Does Not Pay** *comics, it is one of the best graphic novels of 2005.*

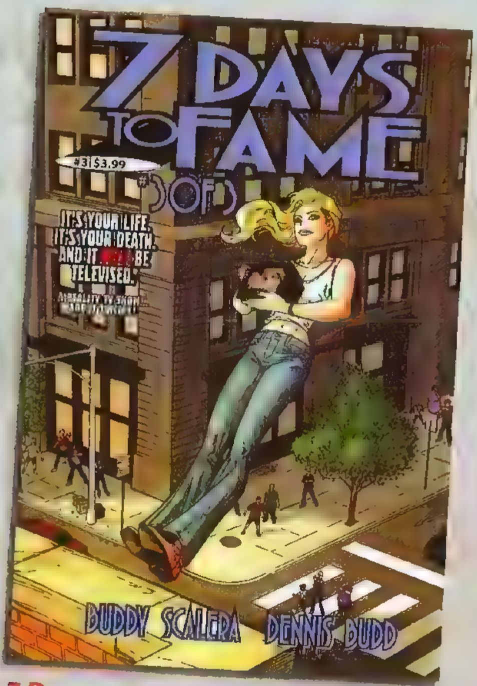


HOUSE OF M
ASTONISHING X-MEN NEW AVENGERS
6
MARVEL

House of M #1-8

Writer: Brian Michael Bendis
Artists: Olivier Coipel, Tim Townsend
Marvel (August-December 2005 © 2005 Marvel Characters, Inc.)

In this eight-issue series, the mentally unstable Scarlet Witch has altered reality. Mutants now rule the Earth and the ordinary humans around them. Crossing over into other titles, this Marvel Universe-wide event is full of surprises.



7 DAYS TO FAME
#3 $3.99
#3 OF 3
IT'S YOUR LIFE. IT'S YOUR DEATH. AND IT WILL BE TELEVISED.
BUDDY SCALERA
DENNIS BUDD

7 Days to Fame #1-3

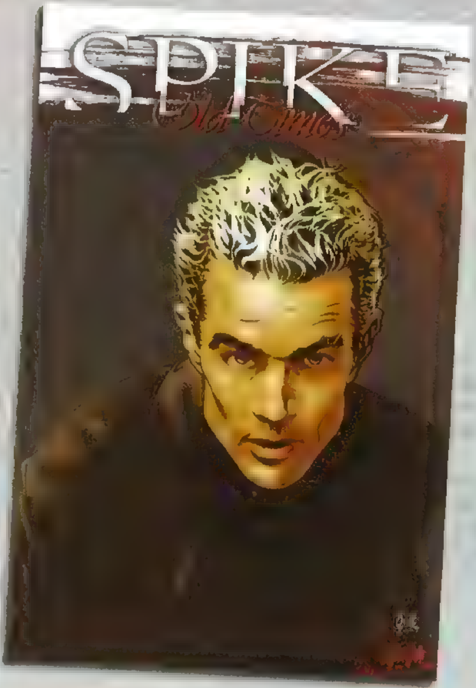
Writer: Buddy Scalera
Artists: Nick Diaz, Dennis Budd
After Hours Press (September-November 2005 © 2006 Buddy Scalera)

For six days, guests of a reality TV show talk about their lives, loves, and disappointments. What they do on the seventh day is what makes this provocative series horrific, riveting, and absolutely unforgettable.

Spike: Old Times

Writer: Peter David
Artists: Fernando Goni, Impact Studios
IDW Publishing (August 2005 © 2005 Twentieth Century Fox Film Corporation © 2005 Idea + Design Works, LLC)

*Set after the final season of TV's **Buffy the Vampire Slayer**, this one-shot features a grudge match between vampire-with-a-soul Spike and "justice demon" Halfrek. David's wicked sense of humor works well with these characters.*

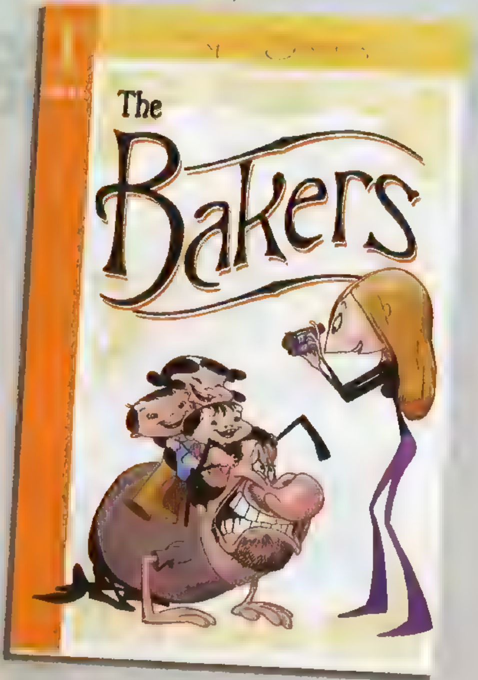


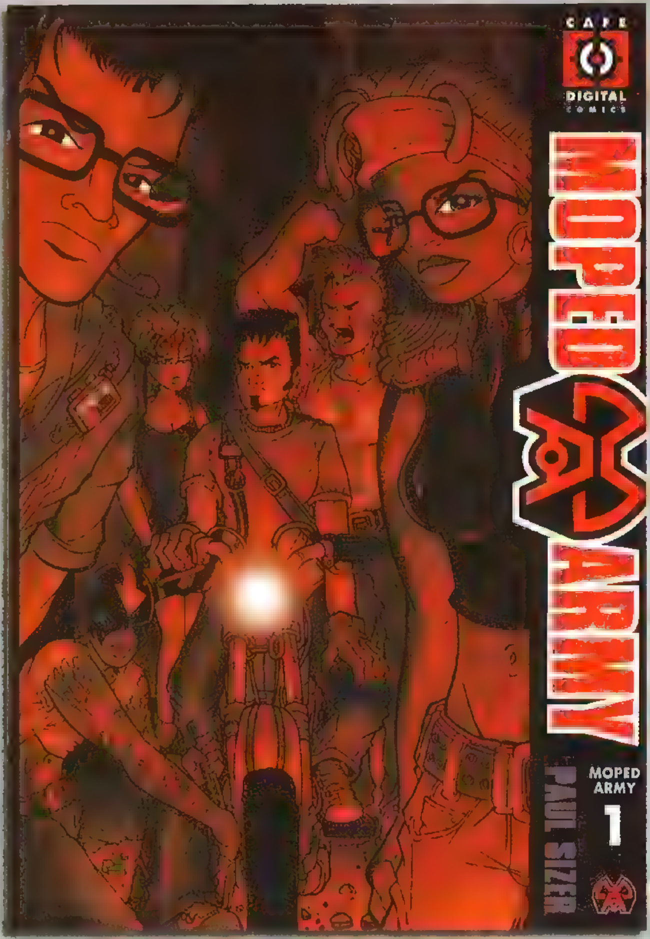
SPIKE
Old Times

The Bakers #1

Writer: Kyle Baker
Artist: Kyle Baker
Kyle Baker (September 2005 © 2005 Kyle Baker)

This mostly pantomime anthology of autobiographical, family-based humor features the epic 32-page "The Mall" and a quartet of equally hilarious shorter tales. All are funny, but "The Mall" should be a big-screen screwball comedy.





CAFÉ DIGITAL COMICS
MOPED ARMY
PAUL SIZER
MOPED ARMY 1

Moped Army

Writer: Paul Sizer
Artist: Paul Sizer
Café Digital Comics (September 2005 © Paul S. Sizer. The Moped Army name used with permission of the Moped Army, Daniel Robert Kastner and Simon King. All other media characters and moped models referenced in this book are © their respective owners.)

"They own the skies. We own the streets." In 2227, a young woman is torn between her above-ground world of shallow privilege and the "below" world where only she can determine her worth. Compelling characters and understated commentary on our own world.

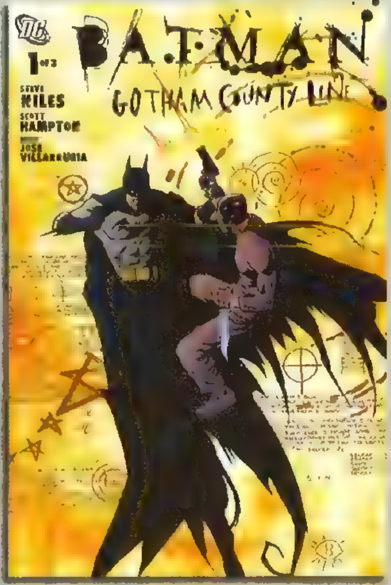
> "They own the skies.
> We own the streets."

WARREN ELLIS
BEN TEMPLESMITH
FELL
ISSUE 1

Fell #1

Writer: Warren Ellis
Artist: Ben Templesmith
Image (September 2005 © 2005 Warren Ellis and Ben Templesmith)

A brilliantly stark comic book about a homicide detective transferred to a blighted city "miles from anywhere." An experiment in producing cheaper-but-still-satisfying comics, each issue presented a self-contained 16-page story.



DC
BATMAN
1 of 3
STEVE NILES
SCOTT HAMPTON
JOSE VILLARRUBIA
GOTHAM COUNTY LINE

Batman: Gotham County Line #1-3

Writer: Steve Niles
Artist: Scott Hampton
DC (October-December 2005 © 2005 DC Comics)

Asked to help the county sheriff solve a series of gruesome serial murders, Batman finds himself in a horrific "world" that challenges his perceptions of what is real, even concerning his life and how he's chosen to live it. This one's a chiller.

BUJA'S DIARY
SEYEONG O

Buja's Diary

Writer: Seyeong O
Artist: Seyeong O
NBM Publishing (October 2005 © 2001 Seyeong O)

From Korea, a collection of 13 emotional, precisely crafted stories by one of that divided nation's greatest artists. O has a gift for effortlessly bringing the reader into his world, though the passage is often heartbreaking.

DEATH NOTE

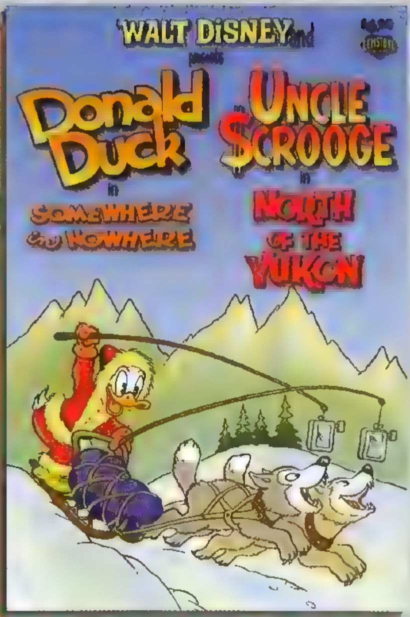
BROOKS
MENDOZA
HANNA
STEWART

Ultimate Spider-Man Annual #1

Writer: Brian Michael Bendis
Artist: Mark Brooks, Jaime Mendoza
Marvel (October 2005 © 2005 Marvel Characters, Inc.)

In one of the coolest twists in the Ultimate Universe, Peter Parker goes on a mall date with Kitty Pryde of The X-Men. They even fight a super-villain, albeit a pretty lame one. It's a cute, funny, and downright touching story.



WALT DISNEY'S
presents
Donald Duck
in
SOMEWHERE AND NOWHERE
and
UNCLE SCROOGE
in
NORTH OF THE YUKON
GEMSTONE

Walt Disney's Donald Duck and Uncle Scrooge

Writers: John Lustig, Carl Barks
Artists: Pat Block, Carl Barks
Gemstone (November 2005 © 2005 Disney Enterprises, Inc.)

From a concept by Barks, "Somewhere in Nowhere" has Donald trying to prove he can succeed without working for Scrooge. This special also features a classic Barks tale plus Block and Lustig articles on their collaboration with the legendary Barks.

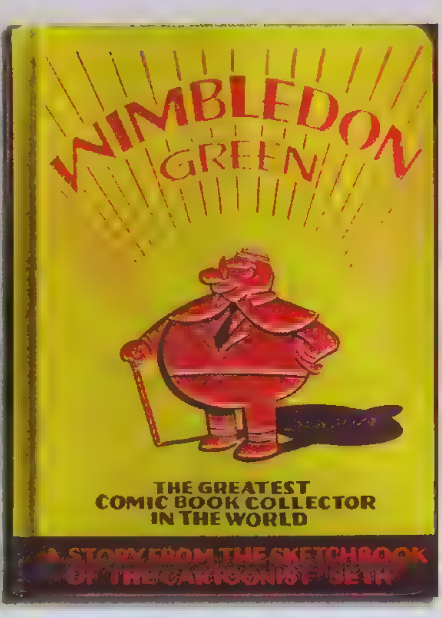
...nostalgic comedy
and super-hero
introspection.

Solo #7

Writer: Michael Allred, Lee Allred
Artist: Michael Allred
DC (December 2005 © 2005 DC Comics)

This title spotlighted different artists in each issue. In this one, Allred uses DC characters Hourman, Teen Titans, and Batman for nostalgic comedy and super-hero introspection, and his "Comic Book Clubhouse" is a delightful salute to the 1960s.

DC
MICHAEL ALLRED
S O L O

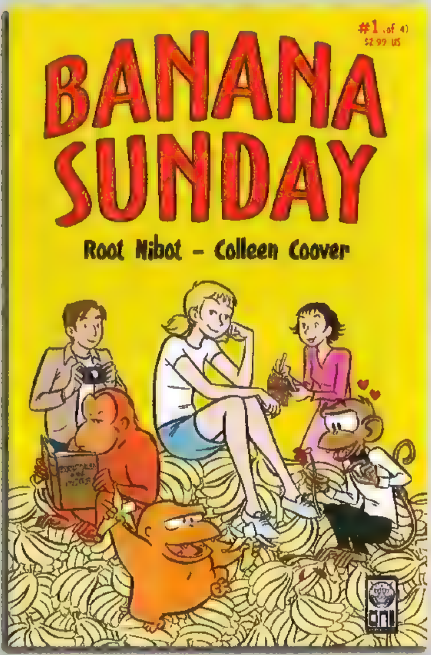


WIMBLEDON GREEN
THE GREATEST COMIC BOOK COLLECTOR IN THE WORLD
A STORY FROM THE SKETCHBOOK OF THE CARTOONIST SETH

Wimbledon Green: The Greatest Comic Book Collector in the World

Writer: Seth
Artist: Seth
Drawn & Quarterly (December 2005 © 2005 Seth)

Seth uses multiple storytelling formats in an almost scrapbook-like approach to his story of a mysterious comics collector held in awe by friends and enemies alike. It's a quirky but fascinating graphic novel and one cool-looking book.

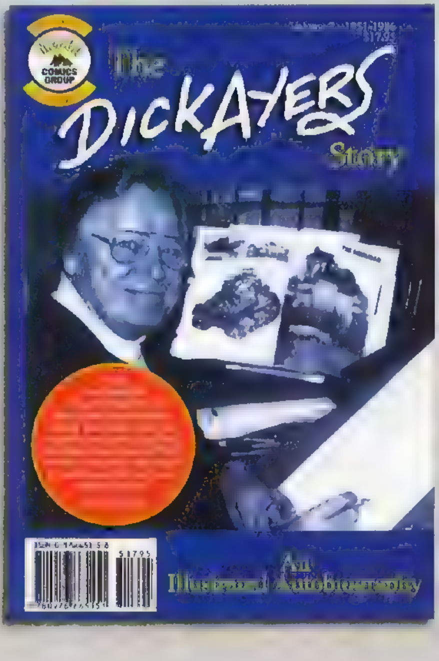


#1 of 4
$2.99 US
BANANA SUNDAY
Root Nibot – Colleen Coover
oni

Banana Sunday #1

Writer: Root Nibot
Artist: Colleen Coover
Oni Press (2005 © 2005 Paul Tobin & Colleen Coover)

Meet Kirby and the three accelerated monkeys who attend high school with her as part of an experiment. She's a believable teen, and the monkeys each have their own distinct personalities. The first of four enormously fun issues.

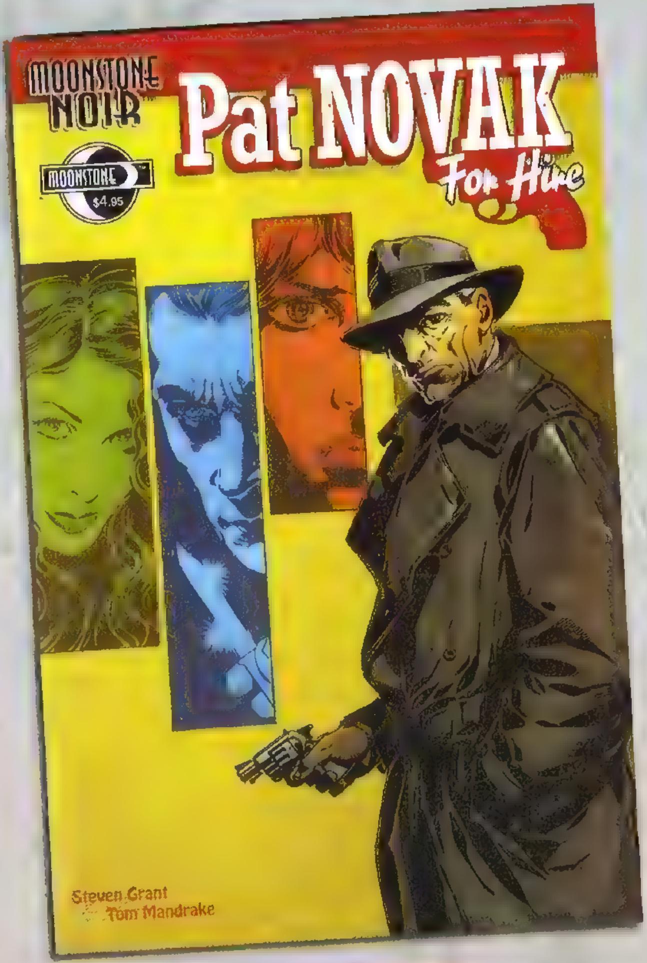


Mecca Comics Group
The Dick Ayers Story
An Illustrated Autobiography

The Dick Ayers Story: An Illustrated Autobiography #1-3

Writer: Dick Ayers
Artist: Dick Ayers
Mecca Comics Group (2005 © 2005 Dick Ayers)

The legendary artist relates the story of his life and long career in three absorbing graphic novels that offer a first-hand insight into what it was like to work in comics for more than four decades. File these issues under "historical treasures."

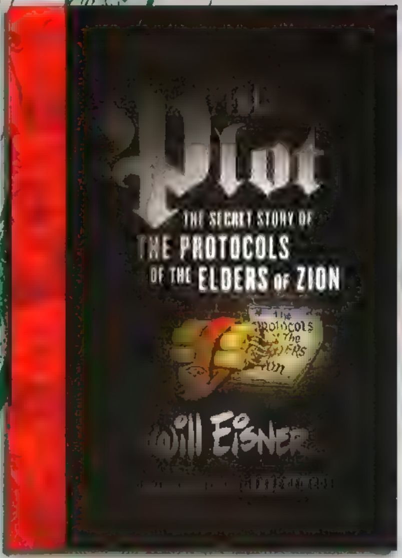


MOONSTONE NOIR
Pat NOVAK For Hire
MOONSTONE
$4.95
Steven Grant
Tom Mandrake

Moonstone Noir: Pat Novak for Hire

Writer: Steven Grant
Artist: Tom Mandrake
Moonstone Books (2005 © 2005 Moonstone Books)

An update of the detective whose radio adventures were broadcast in the 1940s in which an old case comes back to haunt the now-elderly Novak. This one-shot captures the dark humor of its premise and the grim-and-gritty vibe of classic hard-boiled fiction.

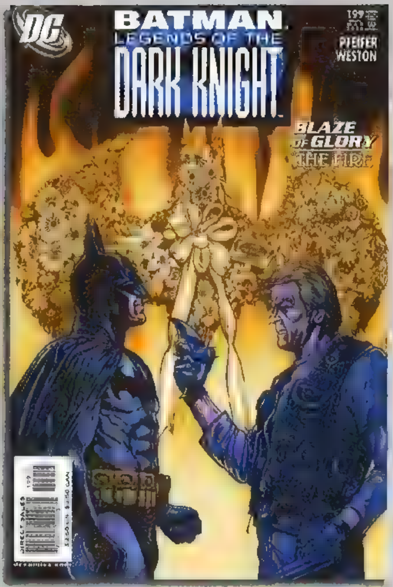


The Plot
The Secret Story of The Protocols of the Elders of Zion
Will Eisner

The Plot: The Secret Story of The Protocols of the Elders of Zion

Writer: Will Eisner
Artist: Will Eisner
W.W. Norton (2005 © 2005 The Estate of Will Eisner)

Eisner's final work is a masterful non-fiction graphic novel that challenges one of the most pernicious lies in history and does so on Eisner's terms, making full use of the medium in whose evolution he played such an important role.

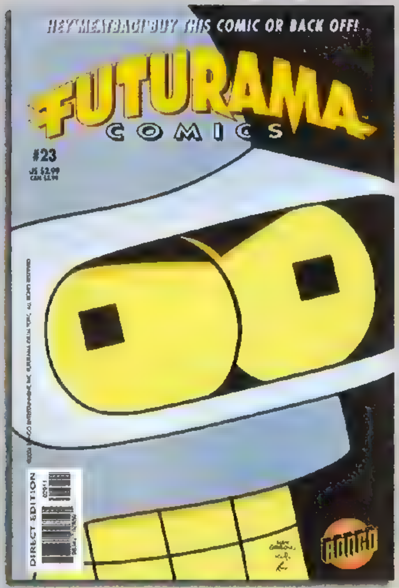


DC
BATMAN
LEGENDS OF THE DARK KNIGHT
199
PFEIFER
WESTON
BLAZE OF GLORY
THE FIRE

Batman: Legends of the Dark Knight #197-199

Writer: Will Pfeifer
Artist: Chris Weston
DC (January-March 2006 © 2006 DC Comics)

A suspenseful story about a criminal who served his entire sentence without escaping from prison and who now seeks revenge on Batman. What makes it more than just another vengeance tale is that the guy isn't even on Batman's radar.



HEY MEATBAG! BUY THIS COMIC OR BACK OFF!
FUTURAMA

GENERATION M
RATED T+

Generation M #1-5

Writer: Paul Jenkins
Artists: Ramon Bachs, John Lucas
Marvel (January-May 2006 © 2005-2006 Marvel Characters, Inc.)

Mutants who lost their powers struggle to build new lives while a serial killer of ex-mutants stalks them. Reporter Sally Floyd, a non-mutant coping with her own loss, tries to tell their stories with dignity and honesty. An outstanding series.

GRAY · PALMIOTTI · ROSS · KEITH
JONAH HEX
1

Jonah Hex #1

Writers: Justin Gray, Jimmy Palmiotti
Artist: Luke Ross
DC (January 2006 © 2006 DC Comics)

DC's classic Western hero returns in an ongoing series featuring mostly complete-in-one-issue tales. The series absolutely nails the look and feel of the character and never fails to deliver a great story. My favorite DC comic book of the new millennium.

MARVEL
Holiday Special

Marvel Holiday Special #1

Writers: Shaenon Garrity, Jeff Parker
Artists: Roger Langridge, Reilly Brown
Marvel (January 2006 © 2005 Marvel Characters, Inc.)

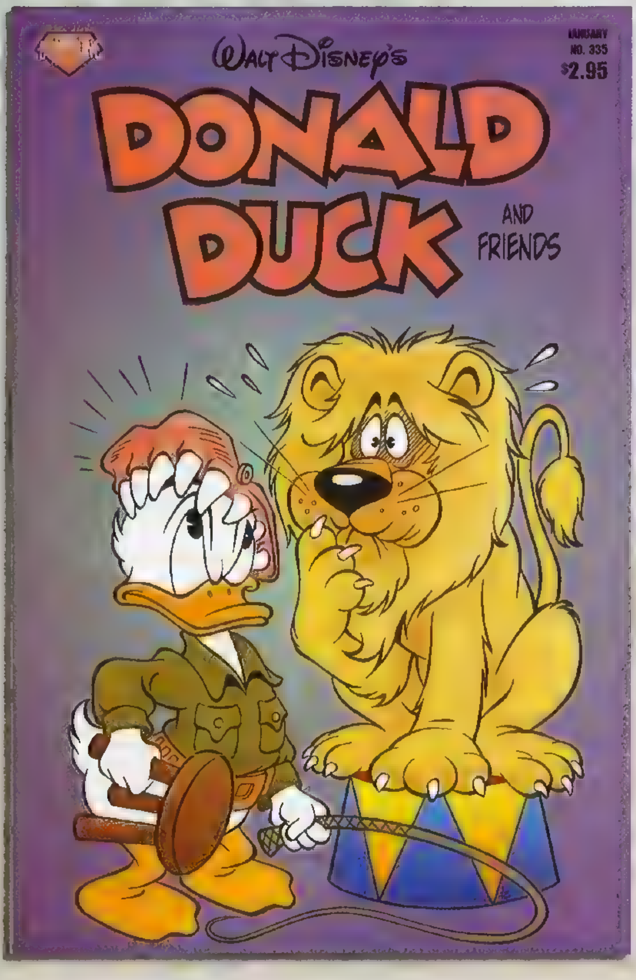
The Mole Man's subjects try to bring him cheer by kidnapping Santa Clauses. A robotic Santa tries to kill the heroes at Dr. Strange's party. "Christmas Day in Manhattan" has an almost Dickensian touch. A delightful anthology of heartwarming stories.

whither SHERMY?

Schizo #4

Writer: Ivan Brunetti
Artist: Ivan Brunetti
Fantagraphics (January 2006 © 2006 Ivan Brunetti)

In the brilliant "Whither Shermy?" Brunetti delivers a comic essay on **Peanuts***, Charles Schulz, and their relevance to modern readers. The anthology also features Brunetti's funny and sad reflections on his life and romances.*

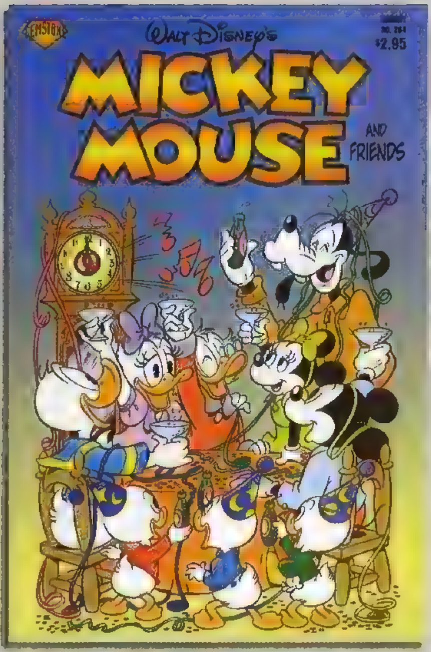


Walt Disney's Donald Duck and Friends #335

Writer: Pat McGreal, Carol McGreal
Artist: Victor Arrigada Rios
Gemstone (January 2006 © 2006 Disney Enterprises, Inc.)

"The Quacking" sends up a classic Stephen King novel with plenty of laughs and wacky suspense. Also: From 1946, "The Master Ice-Fisher" by Carl Barks casts Donald as the worst fisherman you can imagine. Sucks for him, hilarious for us.

> ...plenty of laughs and wacky suspense.



Walt Disney's
MICKEY MOUSE
AND FRIENDS
$2.95
GEMSTONE

Walt Disney's Mickey Mouse and Friends #284

Writers: Stefan Petrucha, Peter Hardfeldt
Artists: Cesar Ferioli, Peter Hardfeldt
Gemstone (January 2006 © 2006 Disney Enterprises, Inc.)

Mickey and Goofy travel to another dimension and meet sentient fish in dire straits. A terrific story with lots of derring-do, clever concepts, humorous mishaps, and fabulous art. A second story stars Goofy, Donald Duck, and Horace Horsecollar.

X-Factor #1

Writer: Peter David
Artist: Ryan Sook
Marvel (January 2006 © 2006 Marvel Characters, Inc.)

X-Factor Investigations is a detective agency run by Jamie Madrox with members of earlier teams. The agency's District X location adds a **noir** *vibe to the title, which often offers intriguing slants on critical events in the Marvel Universe.*

Mouse Guard #1

Writer: David Petersen
Artist: David Petersen
Archaia Studios Press (February 2006 © 2005 David Peterson)

In a world much like medieval times but sans humans, intelligent mice defend their kind from predators by the skill of their swords and the strength of their courage. An award-winning series from one of the brightest talents of the new millennium.

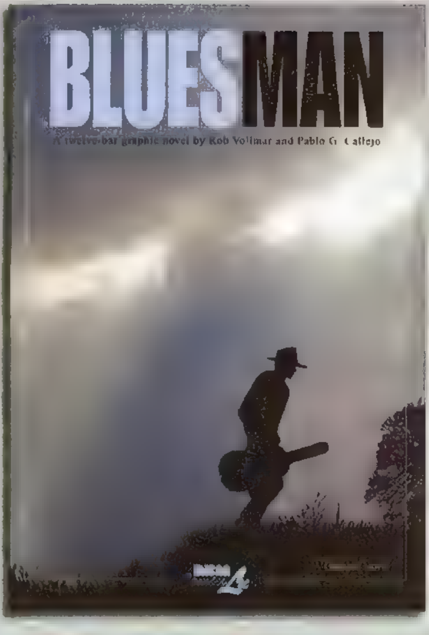
Edgar Award-winning author of Ice Run

Noaki Urasawa's Monster Volume 1

Writer: Naoki Urasawa
Artist: Naoki Urasawa
Viz Media (February 2006 © 1995 Naoki Urasawa

Tenma sacrificed his career to save a boy later revealed to be an assassin. Blamed for the boy's murders, the doctor is determined to bring an end to the killing while torn between what he must do and his natural instincts as a healer.

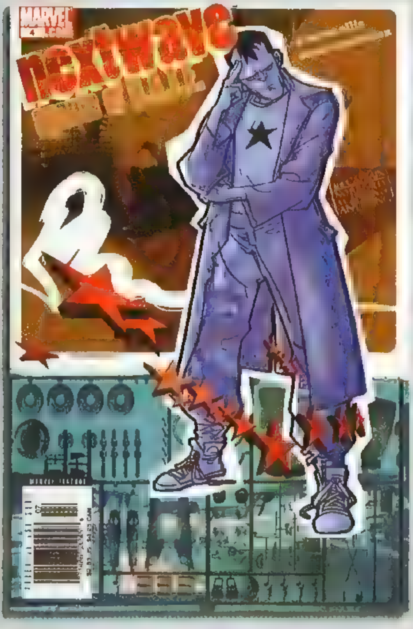


BLUESMAN
A twelve-bar graphic novel by Rob Vollmar and Pablo G. Callejo

Bluesman #1-3

Writer: Rob Vollimar
Artist: Pablo G. Callejo
ComicsLit (March-September 2006 © Rob Vollimar & Pablo G. Callejo)

The 1920s: In a Deep South juke joint, two traveling bluesmen are offered a recording contract and then caught up in a triple murder. Drawn in a forbidding woodcut-like style, this graphic novel takes readers into an equally forbidding time and place.

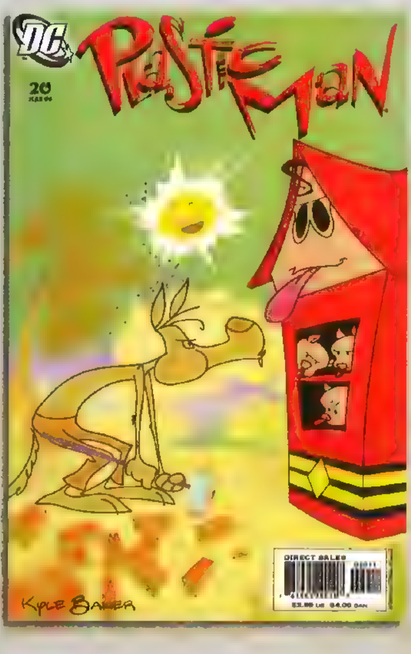


MARVEL
nextwave

Nextwave: Agents of H.A.T.E. #1-6

Writer: Warren Ellis
Artists: Stuart Immonen, Wade von Grawbadger
Marvel (March 2006 © 2006 Marvel Characters, Inc.)

The Highest Anti-Terrorism Effort gathers a team of minor super-heroes to combat UWMDs (Unusual Weapons of Mass Destruction) in a farcical, deliciously snarky series that should only be considered part of Marvel continuity if you want your head to explode.

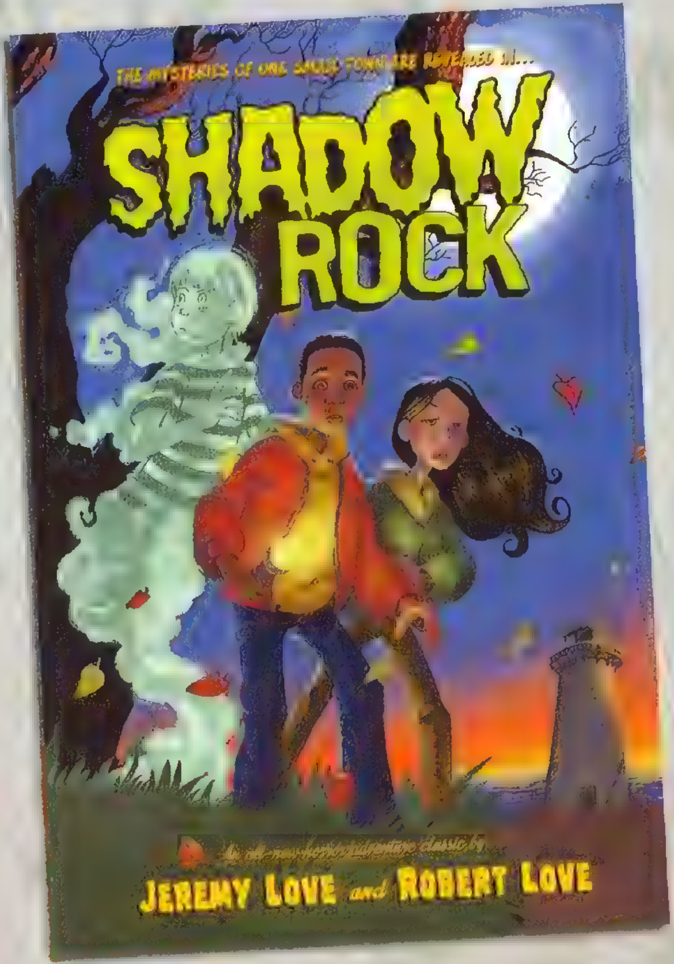


DC
Plastic Man
20
Kyle Baker

Plastic Man #20

Writer: Kyle Baker
Artist: Kyle Baker
DC (March 2006 © 2006 DC Comics)

A biting, sarcastic, hilarious assault on the DC Universe and, especially, its grim-and-gritty, soul-killing, violent company-wide crossover events. I don't know how this fits into DC continuity and I don't care.

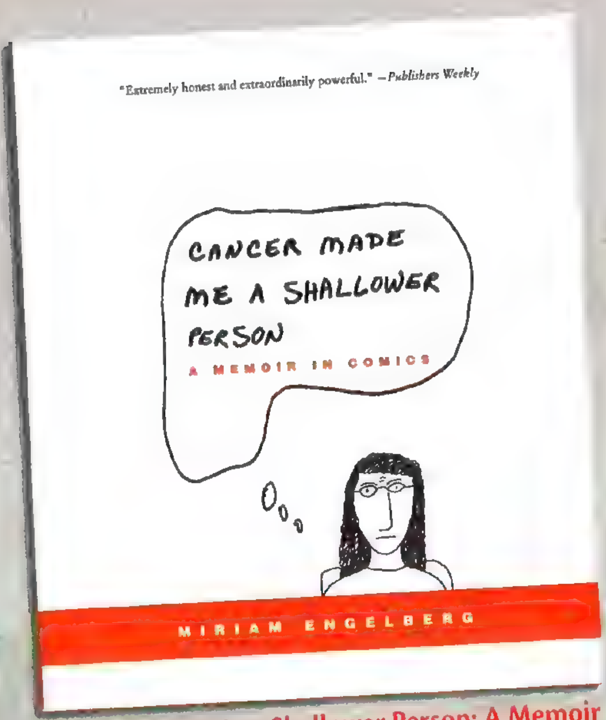


THE MYSTERIES OF ONE SMALL TOWN ARE REVEALED IN...
SHADOW ROCK
An all-new horror adventure classic by
JEREMY LOVE and ROBERT LOVE

Shadow Rock

Writer: Jeremy Love
Artists: Robert Love, Jeff Wasson
Dark Horse (March 2006 © 2006 Gettosake Entertainment)

A suitable-for-all-ages horror thriller. Following his mom's death, Timothy moves to a New England fishing town, has difficulty adjusting, meets a ghost, and begins to unlock the deadly secrets of Shadow Rock. It's a page-turner.

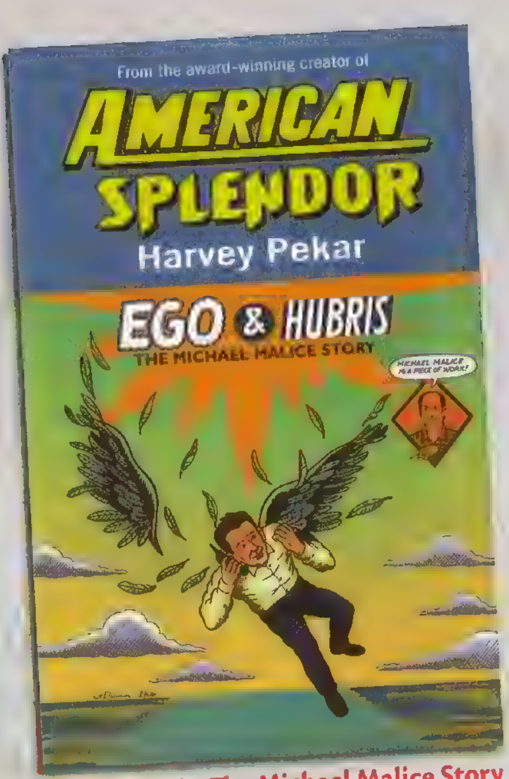


"Extremely honest and extraordinarily powerful." —Publishers Weekly
CANCER MADE ME A SHALLOWER PERSON
A MEMOIR IN COMICS
MIRIAM ENGELBERG

Cancer Made Me a Shallower Person: A Memoir in Comics

Writer: Miriam Engelberg
Artist: Miriam Engelberg
Harper Paperbacks (April 2006 © Miriam Engelberg)

A chronological collection of vignettes that became Engleberg's means of coping with the breast cancer that eventually took her life. Her death doesn't diminish these funny and thoughtful cartoons, nor her courage in creating them.



From the award-winning creator of
AMERICAN SPLENDOR
Harvey Pekar
EGO & HUBRIS

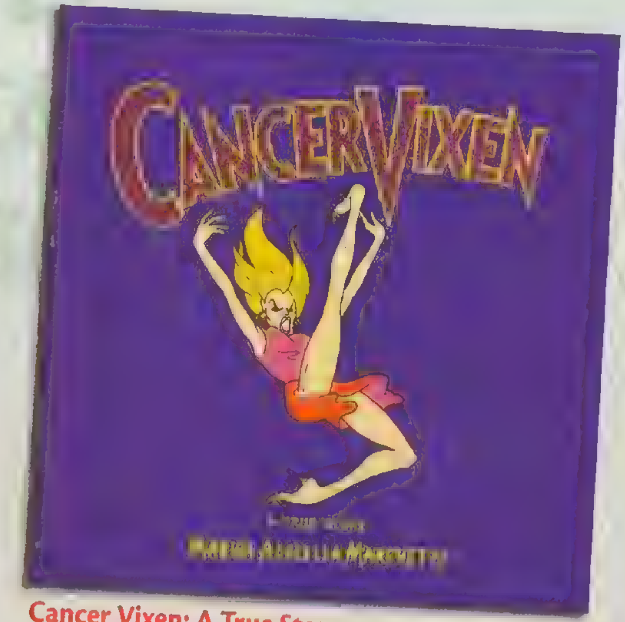
KAZUO UMEZU

The Drifting Classroom #1

Writer: Kazuo Umezu
Artist: Kazuo Umezu
Viz Media (August 2006 © 1975 Kazuo Umezu/Shogakukan, Inc.)

An earthquake sweeps an elementary school from reality as we know it. To those within, the world has become an unearthly landscape of unending emptiness and life a desperate struggle for survival. One of the scariest manga series ever.

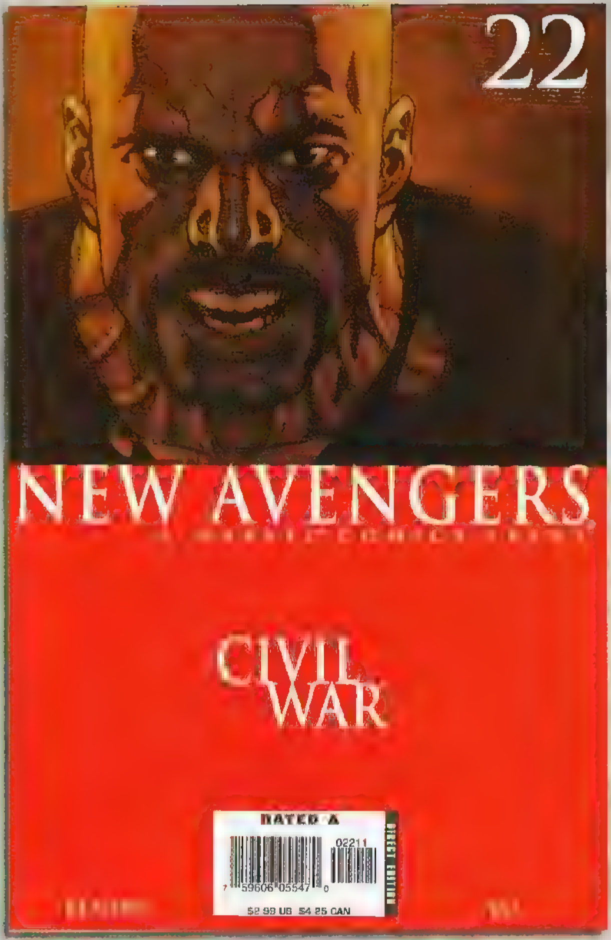


CANCER VIXEN
MARISA ACOCELLA MARCHETTO

Cancer Vixen: A True Story

Writer: Marisa Acocella Marchetto
Artist: Marisa Acocella Marchetto
Knopf (September 2006 © 2006 Marisa Acocella Marchetto)

Like Miriam Engelberg, Marchetto shapes the fear and pain of breast cancer into a work of artistry, heart, and humor. It's also a love story starring the artist and the fiancé/husband who cherishes her throughout her ordeal.

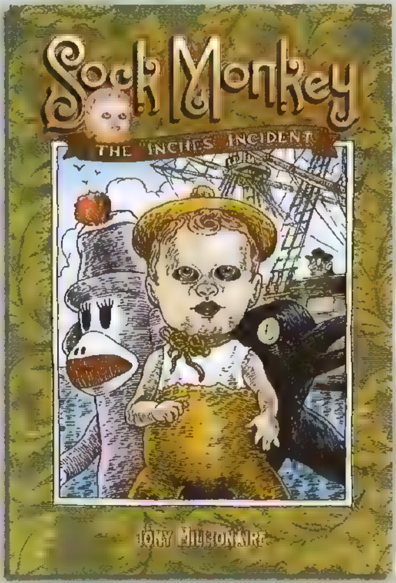


New Avengers #22

Writer: Brian Michael Bendis
Artist: Leinil Francis Yu
Marvel (September 2006 © 2006 Marvel Characters, Inc.)

A hero makes his decision to resist the super-human registration act in the finest, most hard-hitting, most impassioned, most important super-hero story of 2006. Bar none, it's also the best Luke Cage story ever written.

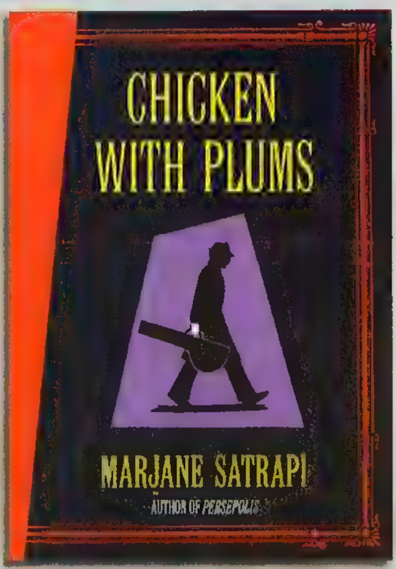
...It's the best Luke Cage story ever written.



Sock Monkey: The Inches Incident #1

Writer: Tony Millionaire
Artist: Tony Millionaire
Dark Horse (September 2006 © 2006 Tony Millionaire)

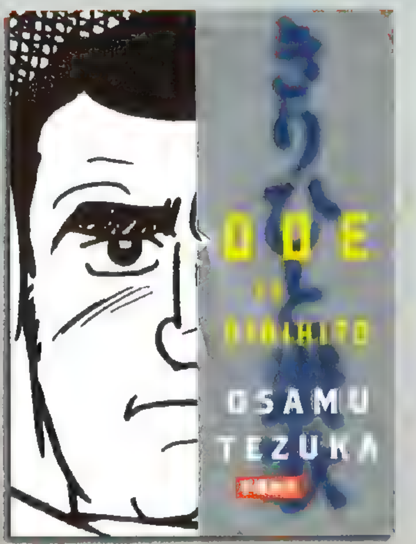
My first exposure to this weird, delightful series. There's nothing quite like these comics; they have a certain old-world charm but they also have a childlike sense of wonder and an adult sense of an askew, dark humor.



Chicken with Plums

Writer: Marjane Satrapi
Artist: Marjane Satrapi
Pantheon (October 2006 © 2004 L'Association, Paris; translation © 2006 Anjali Singh)

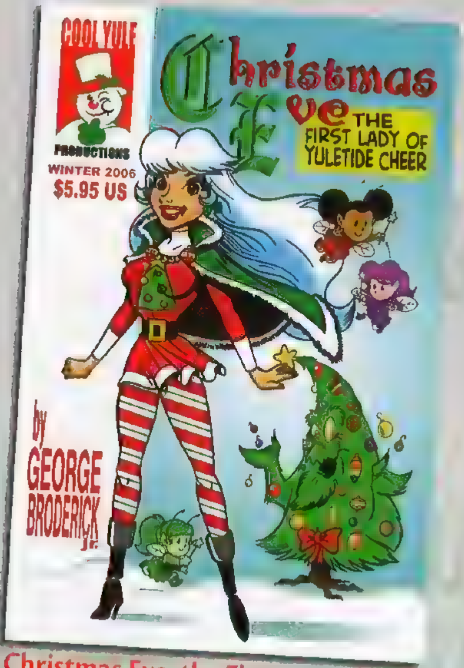
The sad story of Satrapi's great-uncle Nasser Ali Khan, an Iranian musician who took to his bed on realizing he could not replace his beloved broken tar. He died eight days later. Never has depression been depicted so powerfully in comics.



Ode to Kirihito

Writer: Osamu Tezuka
Artist: Osamu Tezuka
Vertical (October 2006 © Tezuka Productions. Translation © 2006 by Camellia Nieh and Vertical, Inc.)

A doctor searches for the cause and cure of a disease that turns humans into dog-like creatures. Tezuka's 800-page graphic novel is a suspenseful epic of arrogance, brutality, greed, love, loss, and the ultimate triumph of the human spirit.



COOL YULE PRODUCTIONS

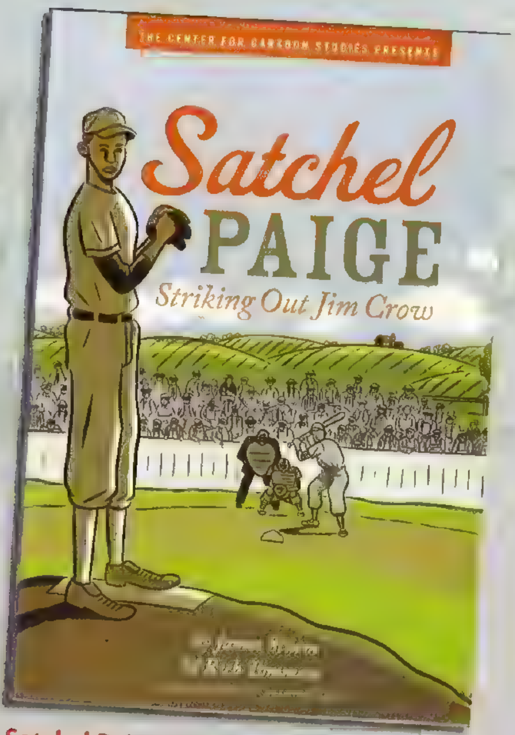
by GEORGE BRODERICK Jr.

Christmas Eve, the First Lady of Yuletide Cheer

Writer: George Broderick, Jr.
Artist: George Broderick, Jr.
Cool Yule Productions (Winter 2006 © George Broderick, Jr.)

A Christmas special that retains its abundant charm throughout the years. It tells how three Christmas fairies create a new heroine for the holiday and of Eve's battle with the fiendish Black Peter. Great fun for readers of all ages.



THE CENTER FOR CARTOON STUDIES PRESENTS
Satchel PAIGE
Striking Out Jim Crow

Satchel Paige: Striking out Jim Crow

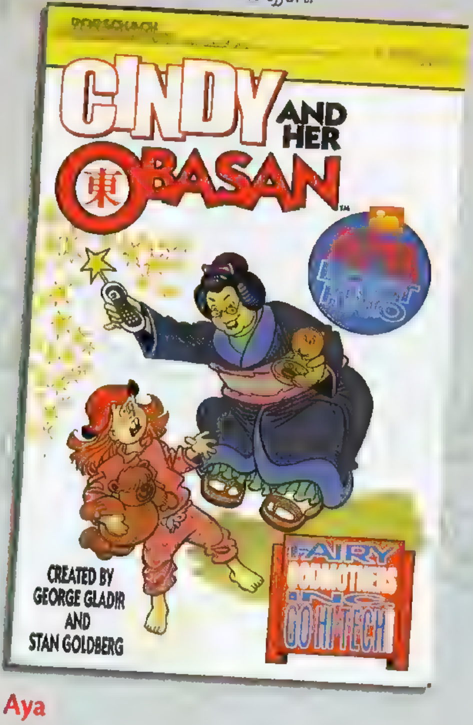
Writer: James Sturm
Artist: Rich Tommaso
Hyperion/Jump at the Sun (January 2007 © The Center for Cartoon Studies)

Not a biography of "the best and fastest pitcher," but a powerful tale of what he meant to African-Americans in the era of the Negro Leagues. As with the best stories, this one lifts the human spirit. It was never just about baseball.

Cindy and Her Obasan

Writer: George Gladir
Artists: Stan Goldberg, Bob Smith
Rorschach Entertainment (2006 © 2006 George Gladir and Stan Goldberg)

A delightful adventure of a girl and her Japanese fairy godmother. The plucky duo visits Rock and Roll Heaven, tracks Elvis' ghost to Japan, and matches wits with a ranking member of the Yakuza. Hard to find but worth the effort.

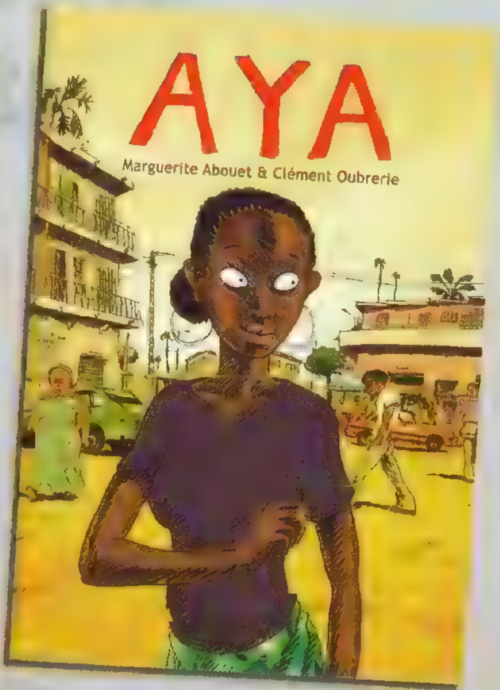


RORSCHACH
CINDY AND HER OBASAN
東
CREATED BY GEORGE GLADIR AND STAN GOLDBERG
FAIRY GODMOTHERS INC. GO HI-TECH

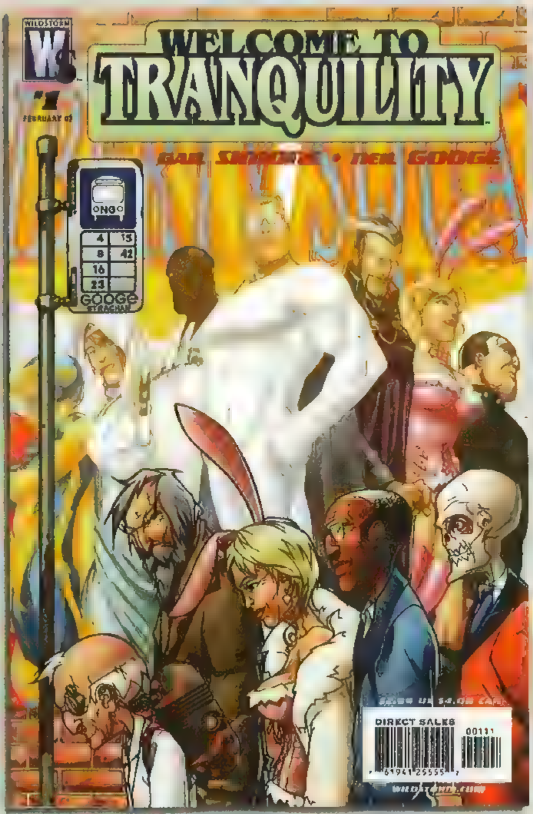
Aya

Writer: Marguerite Abouet
Artist: Clement Oubrerie
Drawn & Quarterly (February 2007 © 2007 Marguerite Abouet & Clement Oubrerie. Preface © 2007 Alisia Grace Chase, PhD)

A sexy, thoughtful comedy set on the Ivory Coast in the 1970s. Aya is a focused young woman who wants to be a doctor. Her friends are all about dancing and romance. Never as crude as American sitcoms, this graphic novel is compelling, funny, and real.



AYA
Marguerite Abouet & Clément Oubrerie

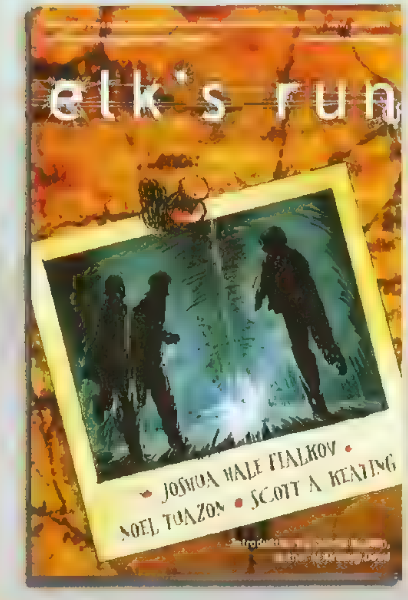


WELCOME TO TRANQUILITY
GAIL SIMONE • NEIL GOOGE

Welcome to Tranquility #1

Writer: Gail Simone
Artist: Neil Googe
DC/WildStorm (February 2007 © 2007 WildStorm Productions, an imprint of DC Comics)

It's a small town where heroes and villains retire, but not all old scores can be put to rest. One of the best new super-hero series with cool, likable characters, action, human interest, humor, and suspense.

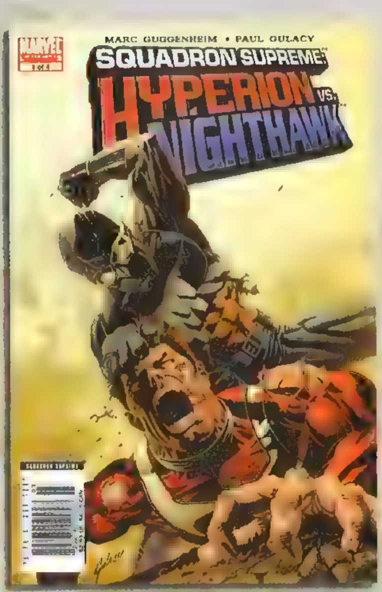


elk's run
JOSHUA HALE FIALKOV
NOEL TUAZON • SCOTT A KEATING

Elk's Run

Writer: Joshua Hale Failkov
Artists: Noel Tuazon, Scott A. Keating
Villard (March 2007 © 2007 Hoarse and Buggy Productions, introduction © 2007 Charlie Huston)

War-scarred veterans looking to create a haven who've watched their dream become a nightmare ... and a group of teens who will change the town forever. A disturbing graphic novel that finishes as strong as it begins.

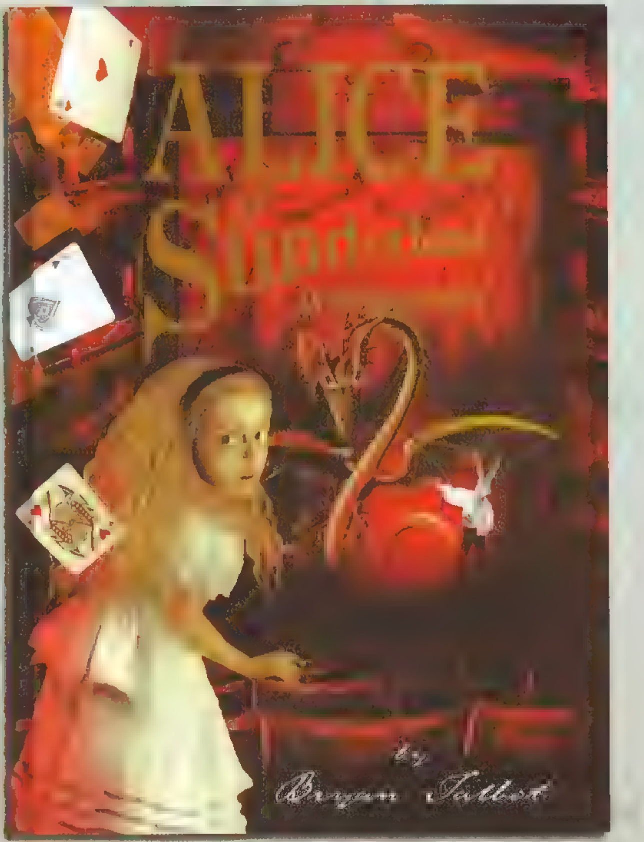


MARC GUGGENHEIM • PAUL GULACY
SQUADRON SUPREME
HYPERION VS. NIGHTHAWK

Squadron Supreme: Hyperion vs. Nighthawk #1-4

Writer: Marc Guggenheim
Artist: Paul Gulacy
Marvel (March-June 2007 © Marvel Characters, Inc.)

This has much of what I love in contemporary comics: a real-world tragedy that should demand world attention, conflict between strong protagonists, and as satisfying an end as the terrible complexity of the tragedy can allow.

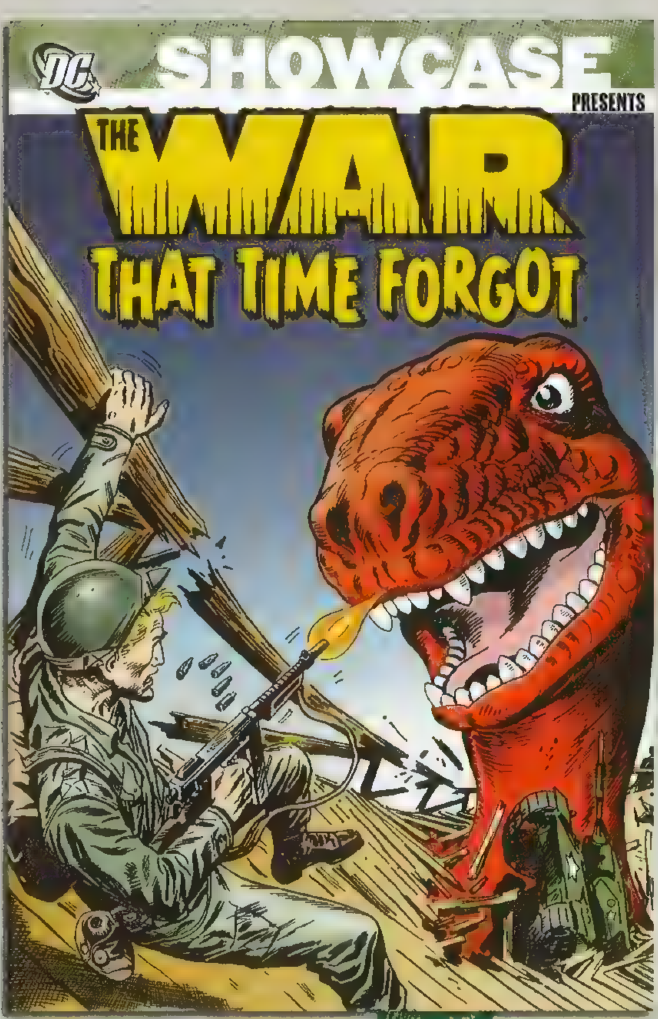


ALICE
Sunderland
by Bryan Talbot

Alice in Sunderland: An Entertainment

Writer: Bryan Talbot
Artist: Bryan Talbot
Dark Horse (April 2007 © 2007 Bryan Talbot)

Like a music-hall performer, Talbot presents a wondrous history of England, its people, literature, economic development, and society, connected by Lewis Carroll and his works. You should get college credit for reading this enchanting graphic novel.



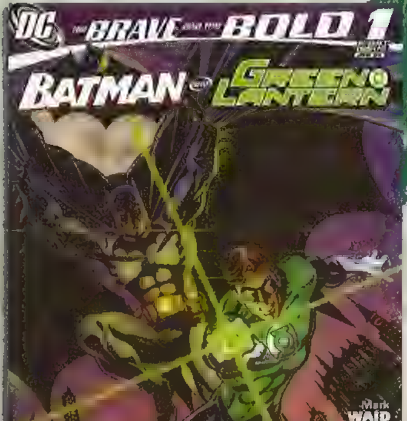
DC
SHOWCASE
PRESENTS
THE WAR THAT TIME FORGOT

Showcase Presents: The War That Time Forgot #1

Writer: Robert Kanigher
Artists: Ross Andru, Mike Esposito
DC (May 2007 Cover and compilation © 2007 DC Comics. Originally published in single magazine form in *Star Spangled War Stories* #90-128 © 1960, 1961, 1962, 1963, 1964, 1965, 1966)

Kanigher's soldiers-versus-dinosaurs battles are among the goofiest Silver Age of Comics stories of them all and enormous fun in small doses. This bargain-priced, black-and-white collection reprints 37 of them.

...enormous fun in small doses.

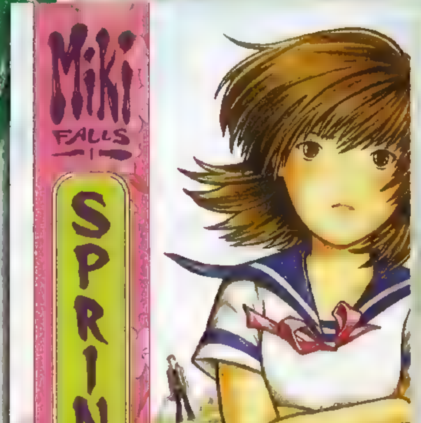


DC
THE BRAVE AND THE BOLD 1
BATMAN AND GREEN LANTERN
Mark WAID
George PÉREZ
Bob WIACEK

The Brave and the Bold #1

Writer: Mark Waid
Artists: George Pérez, Bob Wiacek
DC (April 2007 © 2007 DC Comics)

The beginning of a truly epic 12-issue story involving dozens of DC heroes in a quest across time and space to keep the omniscient Book of Destiny out of evil. So exciting it made me feel like the comics loving kid I was in 1963.

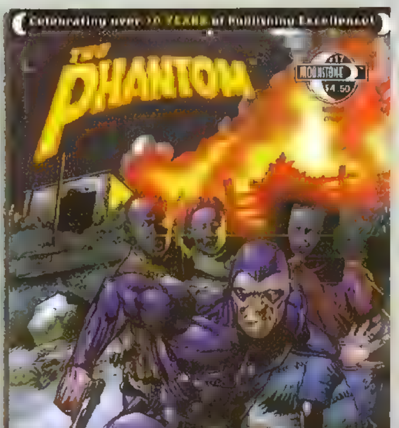


Miki FALLS 1
SPRING
MARK CRILLEY

Miki Falls: Spring

Writer: Mark Crilley
Artist: Mark Crilley
Harper (May 2007 © 2007 Mark Crilley)

What at first glance seems to be a typical "schoolgirl in love with unattainable guy" manga-style story is actually a modern mythology with a delicious romantic center. A brilliant four-book series by one of comicdom's best storytellers.

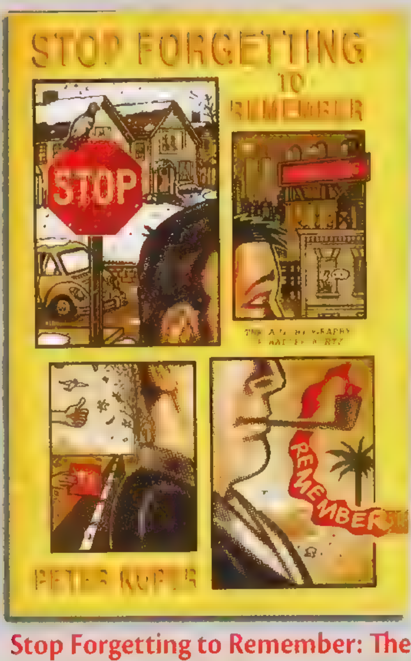


Celebrating over 10 YEARS of Publishing Excellence!
THE PHANTOM
MOONSTONE
#17
$4.50

The Phantom #17-19

Writer: Mike Bullock
Artist: Silvestre Szilagyi
Moonstone (June-August 2007 © King Features Syndicate, Inc.)

In "Invisible Children," The Ghost Who Walks seeks to rescue some of the thousands of children seized by warlords, indoctrinated, and forced to fight as soldiers in endless wars. It's a meaningful and exciting three-issue story.

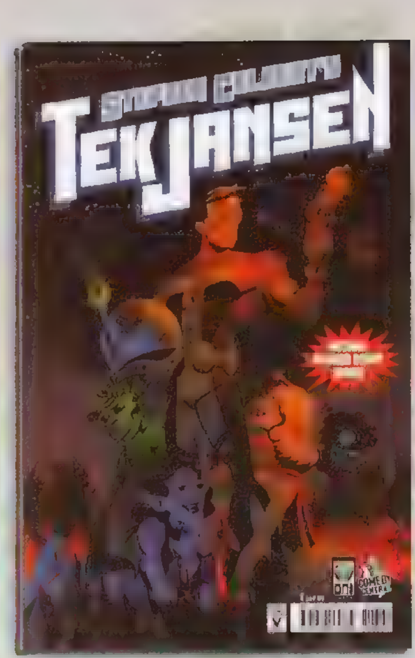


STOP FORGETTING TO REMEMBER
STOP
REMEMBER
PETER KUPER

Stop Forgetting to Remember: The Autobiography of Walter Kurtz by Peter Kuper

Writer: Peter Kuper
Artist: Peter Kuper
Crown (July 2007 © 2007 Peter Kuper)

In this eclectic graphic novel, Kuper looks at his own life through his fictional alter ego. The emotions, the humor, the political comments ... were Kuper a pitcher, he'd be as much a master of the change-up as he is of comics.

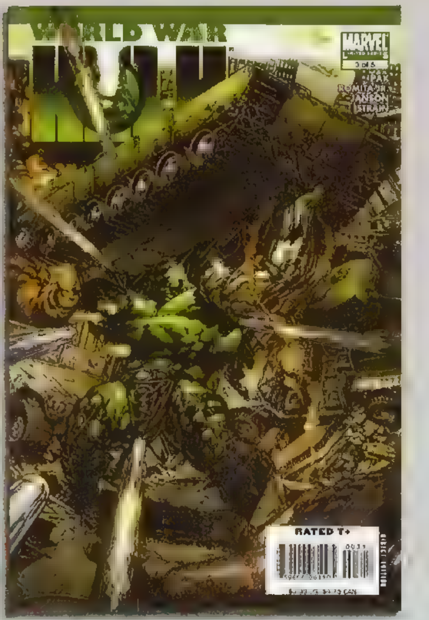


STEPHEN COLBERT'S
TEK JANSEN

Stephen Colbert's Tek Jansen #1

Writers: John Layman, Tom Peyer
Artist: Scott Chantler
Oni Press (July 2007 © 2007 Comedy Partners)

*Created by the award-winning host of **The Colbert Report** on Comedy Central, this intergalactic hero is a slightly idealized version of Colbert and, as such, irresistible to women of all planets. Tek's animated adventures have appeared on Colbert's show.*

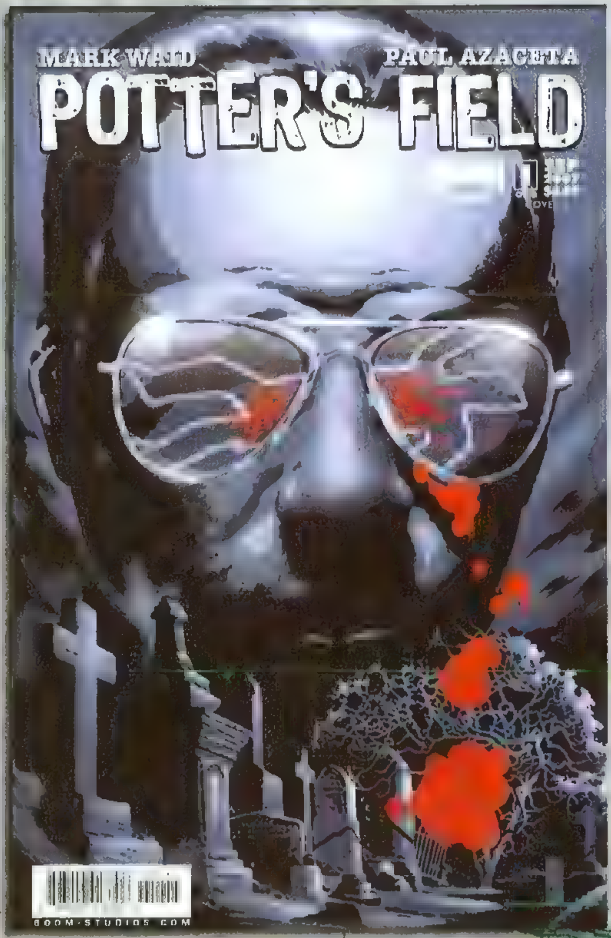


WORLD WAR HULK
MARVEL
RATED T+

World War Hulk #1-5

Writer: Greg Pak
Artist: John Romita Jr., Klaus Janson
Marvel (August 2007-January 2008 © 2007 Marvel Characters, Inc.)

Banished to outer space by his "friends" and having watched his new world devastated by the rocket that brought him there, The Hulk has returned to Earth to seek vengeance. The most powerful Hulk story of all time.



MARK WAID
PAUL AZACETA
POTTER'S FIELD
BOOM-STUDIOS.COM

...A mission to put names to the nameless dead.

Potter's Field #1

Writer: Mark Waid
Artist: Paul Azaceta
Boom! Studios (September 2007 © 2007 Mark Waid)

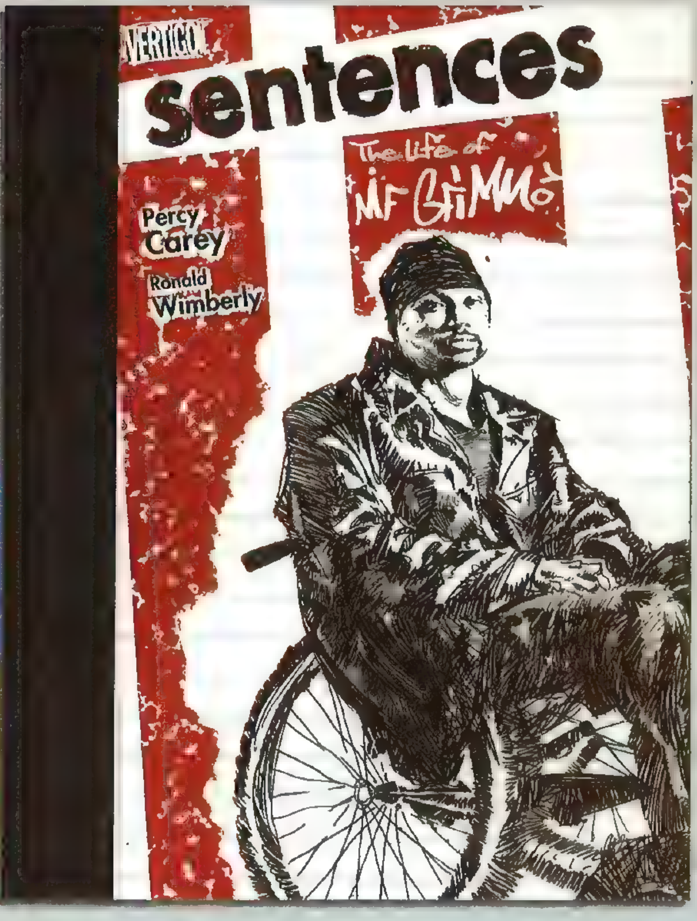
The mission of the mysterious "John Doe" is to put names to the nameless dead in New York City's potter's field. It's a fascinating twist on the detective hero with a premise so rich with possibilities that I long for an ongoing series.

Sentences: The Life of M.F. Grimm

Writer: Percy Carey
Artist: Ronald Wimberly
DC/Vertigo (September 2007 © 2007 Percy Carey and DC Comics)

The autobiography of Carey, who was both a perpetrator and a victim of violence on his road to Hip-Hop success. His writing is honest, powerful and lyrical on occasion. It's the best book to come out of DC's "mature readers" imprint in 2007.

> ...both a perpetrator and a victim of violence...



Vertigo

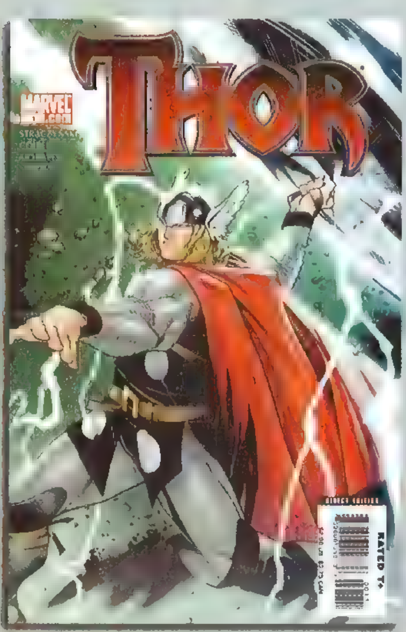
Rated A

Super-Villain Team-Up: Modok's 11 #1-5

Writer: Fred Van Lante
Artists: Francis Portela, Terry Pallot
Marvel (September 2007-January 2008 © 2007 Marvel Characters, Inc.)

Modok seeks a prize that will bring him wealth and safety from his former masters. He recruits down-on-their-luck villains and semi-heroes to carry out his caper. Filled with twists and turns, this series delivers solid entertainment.

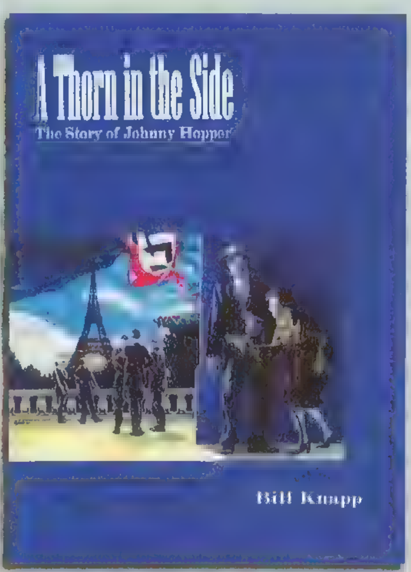


Marvel
Thor
Direct Edition
Rated T+

Thor #1-6

Writer: J. Michael Straczynski
Artists: Olivier Coipel, Mark Morales
Marvel (September 2007-February 2008 © 2007 Marvel Characters, Inc.)

Thor returns in a series contrasting the lives of gods and humans and reveling in both. Example: Asgard now floats near a small town in Oklahoma. Always surprising, often lyrical, and never less than spectacular, it's the best Thor since Walter Simonson's run.

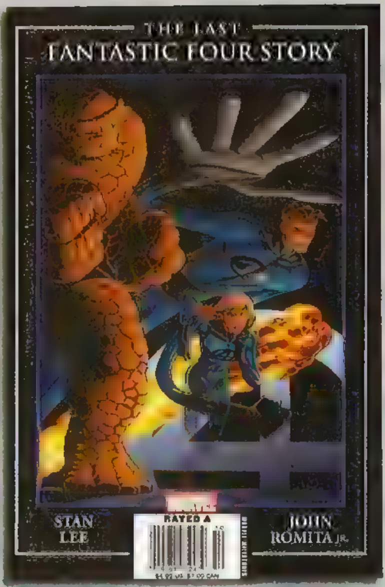


A Thorn in the Side
The Story of Johnny Hopper
Bill Knapp

A Thorn in the Side: The Story of Johnny Hopper

Writer: Bill Knapp
Artist: Bill Knapp
Carbon-Based Books (September 2007 © 2007 Bill Knapp)

The British-born Hopper was living in France when the Germans came, opposing them from the start. This graphic novel is a brutally stark, yet ultimately life-affirming, true tale of courage, resolve, loss, and triumph. An amazing story told with passion and skill.



THE LAST
FANTASTIC FOUR STORY
STAN LEE
JOHN ROMITA JR.
RATED A

The Last Fantastic Four Story

Writer: Stan Lee
Artists: John Romita Jr., Scott Hanna
Marvel (October 2007 © 2007 Marvel Characters, Inc.

The human race has been judged and condemned by a cosmic tribunal. As the Four fight a hopeless fight, we see them at their finest and their most human. It's a story that lives up to its title with an ending wholly and wonderfully satisfying.

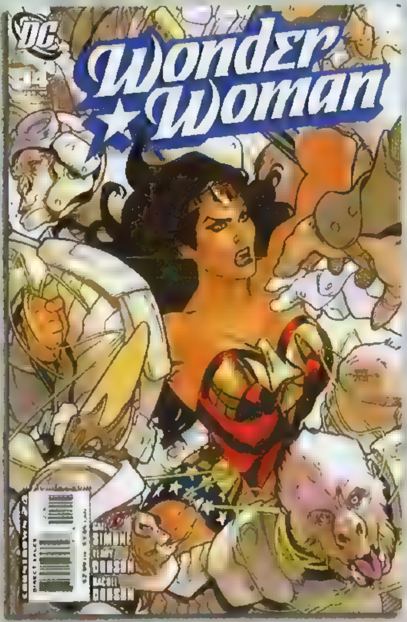
Veronica #187

Writers: Dan Parent, George Gladir
Artists: Dan Parent, Jim Amash
Archie (April 2008 © 2008 Archie Comic Publications, Inc.)

Upset by how she's portrayed, Veronica refuses to appear in her own comic book. Then the Riverdale High kids get competitive about finding the most unusual way to invite their dates to the prom. It's one of the best Archie comics of 2008.

...Veronica refuses to appear in her own comic book.

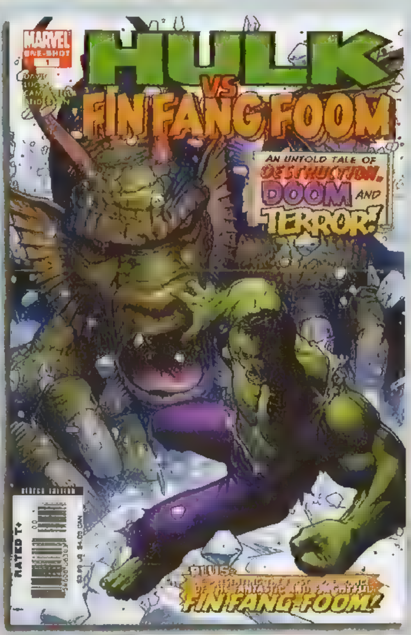


DC
Wonder Woman

Wonder Woman #14

Writer: Gail Simone
Artists: Terry and Rachel Dodson
DC (January 2008 © 2008 DC Comics)

Simone starts her run with Diana confronting and winning over young warriors from Gorilla City. While the tempers of their ape elders cool, they crash at Diana's apartment. Teenage gorillas. How can I not love this comic book?

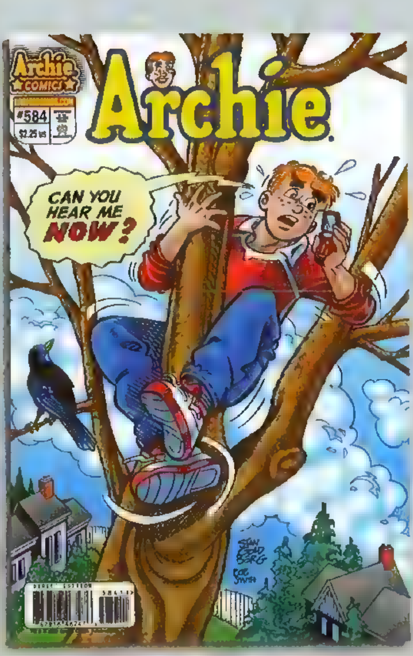


MARVEL ONE-SHOT
HULK VS FIN FANG FOOM
AN UNTOLD TALE OF DESTRUCTION, DOOM AND TERROR!
FIN FANG FOOM!

Hulk vs. Fin Fang Foom

Writer: Peter David
Artists: Jorge Lucas, Robert Campanella
Marvel (February 2008 © 2007 Marvel Characters, Inc.)

An homage to the 1960s Marvel monsters and The Hulk of a few years after that. David's angry, slow Hulk who reviles the "puny humans" is on the money, and his nods to ***The Thing from Another World*** *— the science-fiction movie of 1951 — are cool.*



Archie Comics

La Muse

Writer: Adi Tantimedh
Artist: Hugo Petrus
Big Head Press (November 2008 © 2008 Adi Tantimedh and Hugo Petrus)

A political activist foils a terrorist attack, revealing godlike powers that she decides to use to save the world. Her way. A sexy, smart graphic novel that surprises and delights at every turn, it was originally published online.

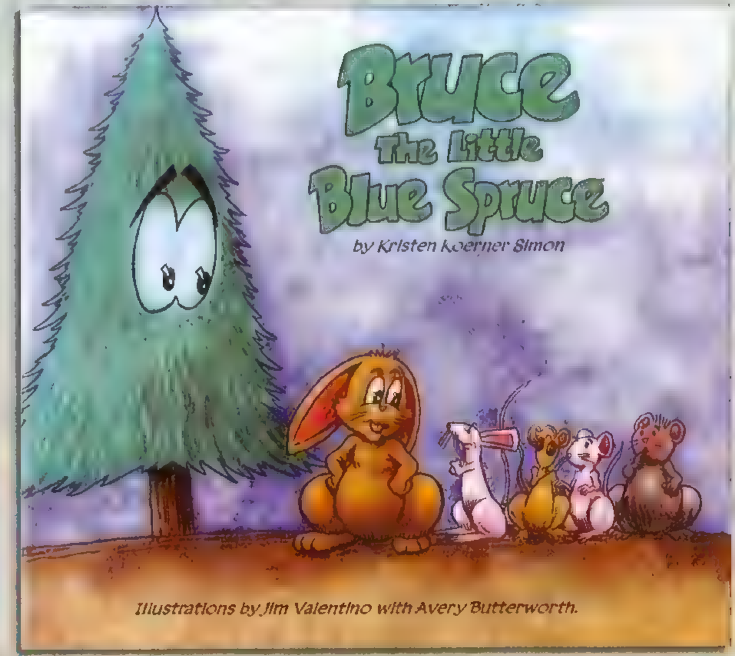
...A political activist foils a terrorist attack.

Bruce the Little Blue Spruce

Writer: Kristen Koerner Simon
Artists: Jim Valentino with Avery Butterworth
Image/Shadowline (December 2008 © 2008 Kristen Koerner Simon)

The poignant, beautifully drawn tale of the only blue spruce in a forest full of green Christmas trees and his yearning to be part of Christmas for some special family. Like **Dear Dracula**, *it's a comic book that looks like a hardcover children's book.*

...A poignant, beautifully drawn tale.



Bruce The Little Blue Spruce
by Kristen Koerner Simon
Illustrations by Jim Valentino with Avery Butterworth

THE NOW AND FUTURE FAQ

AFTERWORD

With sincere apologies to the thousand lawyers who have been driven off cliffs in buses, eaten by sharks, swallowed by earthquakes, or painfully disposed of in other jokes …

What do you call a book about a thousand comic books?

The answer is, of course: ***A good start.***

Way back in the foreword of this book, I opined the most difficult thing about writing this book was being limited to just a thousand comics. One thousand issues and 60,000 words later, I feel just as strongly about that.

Now that you've read — or at least skimmed your way to — these closing thoughts, you might have a few questions about this book. Ah, who am I kidding? We're all comics fans here. I already know what your most frequently asked questions will be and I'm going to save us a lot of time by answering them now.

How could you leave out [fill in name of your favorite comic book that didn't make it into this book]?

My aim was never to include the best 1,000 comic books — or even the most important 1,000 comic books. I wanted to write about 1,000 great comic books that showed the quality and variety of the comics art form in this country.

I couldn't include everything and, believe me, just like you, I'll be asking myself how I could possible leave out ***[fill in name of a favorite comic book that didn't make it into this book].***

Sometimes a comic book was left out because there wasn't a decent cover scan to be found. Sometimes a comic book was left out because I couldn't say anything meaningful about it in the relatively small space available to me. Sometimes a comic book was left out because I just plain forgot about it. Sometimes a comic book was left out because I didn't like it. I'm looking at you, ***Batman: The Killing Joke***. But it doesn't mean that's the end of it. You will have your chance to have your say.

(That's a teaser, by the way.)

The next most frequently asked question will be:

How could you include [fill in name of a despised comic book that did make it into this book]?

This is an easy one. Any comic book included in this book is here because I like it, because I thought it should be in this book, or because someone whose opinions I respect suggested it should be in this book. If you disagree with my choices, well, you'll have your chance to have your say.

(That's another teaser for you.)

The third and fourth most frequently asked questions:

Where can I learn more about the comic books in this book and how I can read them?

Between such magazines as ***Comics Buyer's Guide***, ***Alter Ego***, and ***The Comics Journal*** … such books as ***Kirby: King of Comics*** by Mark Evanier; ***Man of Rock: A Biography of Joe Kubert*** by Bill Schelly; and ***Men of Tomorrow: Geeks, Gangsters, and the Birth of the Comic Book*** by Gerard Jones … and more websites than you could surf, if you were chained to the computer for years on end, there's an Uncle Scrooge-like wealth of information out there. Or …

You can visit me at the new website I've launched with my friend and long-time associate Justin Chung of World Famous Comics:

www.1000ComicBooksYouMustRead.com

A main feature of that website will be a message board where you can ask questions of your fellow comics fans and me, complain about my comic-book choices for this book, and suggest comic books to be included in the next book.

Which brings us to our fifth and final question:

Will there be a next book?

That pretty much depends on how many copies of this book you buy.

For what it's worth, I'll be starting on that next book as soon as I finish proofreading this one. Of course, if you don't buy enough copies of this book to justify the publishing of a next book, then you'll have to come over to my house to read that next book. Bring a nice gift.

In the meantime …

Thanks for picking up this book and allowing me to share my love of comic books with you. After reading comics for virtually my entire life and having worked in comics for the past 37 years, I still get a thrill out of discovering a new great comic book, comics writer, or comics artist. If this book instills a fraction of that thrill in you, I'm excited for you and happy for me.

That's what this book is all about. Sharing the love. Sharing the thrill. Sharing the great American art form.

See you at the comics shop.

—Tony Isabella

HOW TO FIND THESE MUST READS

POSTSCRIPT

The challenge for anyone who loves to read comic books has always been obtaining them in the first place. As Tony indicates in this book, the challenge of locating individual issues led to the formation of today's network of specialty shops and services devoted to filling the holes in collectors' "wants" lists. Even people who have devoted their lives to building complete files of favorite characters, titles, topics, publishers, or creators usually have found one or two items eluding their grasp.

This book is designed to set you on your own quest: identifying some of the most striking publications in the context of what comics have offered over the years. Luckily for you, many of the issues chosen are now available in reprint form, thanks to today's publishers' reprint programs. For others, you may have to search more deeply. Here's a sampling of the websites we use to locate these treasures of the past. (And, hey, consider starting with the comics shops nearest to where you live. They may have some reprints in stock right now. You can find many via the Comic Shop Locator Service www.comicshoplocator.com or by looking under "Comics" or "Book Dealers — Used and Rare" in your Yellow Pages.)

Basic Information:

There are many websites at which you'll find more information about comic books new and old. These are four among many.

- 1000 Comic Books You Must Read: www.1000ComicBooksYouMustRead.com
- CBGXtra.com: www.cbgxtra.com
- Collect.com: www.collect.com
- Tony Isabella: www.worldfamouscomics.com/tony

Interactive Sales:

Often, comic books are sold collector-to-collector or via auction houses in which negotiations do not necessarily begin with a fixed price.

1000 Comic Books You Must Read is an unforgettable journey through 70 years of comic books. Arranged by decade, this book introduces you to 1000 of the best comic books ever published and the amazing writers and artists who created them.

- See Superman from his debut as a sarcastic champion of the people, thumbing his nose at authority, to his current standing as a respected citizen of the world
- Experience the tragic moment when Peter Parker and a generation of Spider-Man fans learned that "with great power, there must also come great responsibility"
- Meet classic characters such as Archie and his Riverdale High friends, Uncle Scrooge McDuck, Little Lulu, Sgt. Rock, the kid cowboys of Boys' Ranch, and more.
- Enjoy gorgeous full-color photos of each comic book, as well as key details including the title, writer, artist, publisher, copyright information, and entertaining commentary.

1000 Comic Books You Must Read is sure to entertain and inform with groundbreaking material about comics being published today as well as classics from the past.

ABOUT THE AUTHOR

TONY ISABELLA has been a comics writer and columnist for more than 35 years. He got his start working for Stan Lee at Marvel Comics as a writer and editor. At DC Comics he created Black Lightning, the company's first headline African-American hero. He's a contributing editor and the lead reviewer for Comics Buyer's Guide, where he has reviewed more comic books than anyone else in the magazine's history.
